## SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset. TA6 4AG).

### REGISTRATION

No cat or kitten, entire or neutered, born after 19.10.71 with one or both parents, grand-parents or great grand parents unregistered, shall be eligible for the Open Classes. All pedigree cats, kittens or neuters exhibited at a GCCF Show must be registered. All registered exhibits which have changed hands, must have been transferred to their new owners at least 21 days before the Show. All registrations and/or transfers must have reached the GCCF Office at least 21 days before the Show.

Cats not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

**OVERSEAS TITLES:** Cats with titles gained overseas are not eligible to enter Grand class at GCCF licensed show. All unregistered kittens and neuters, of unknown or unregistered parent or parents, are eligible for entry in the Non-Pedigree Section. **All Non-Pedigree cats over nine months old MUST be neutered.**

### GENERAL GUIDELINES FOR ENTERING SHOW

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, **printing** the details carefully to avoid any misinterpretation of your handwriting. If the document you have is headed 'APPLICATION FOR THE TRANSFER OF OWNERSHIP OF REGISTERED CATS' this means that the cat is not registered in your name and you must complete the form and send it back to the GCCF with the transfer fee as soon as possible. It must be received by the GCCF no later than 21 days before the show.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Registration No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details, as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when the show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show management are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); Any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated or a change of exhibitor/owner.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not, and if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit(s) should always use the same form and **both must sign**.

**GCCF RULES SECTION 4 RULE 26** – Exhibitors are reminded that the decisions of the judges are final. Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a show before that judge's engagement has been completed may render the offender liable to disciplinary action.

## STATUS OF ERRORS – WHAT TO EXPECT

### MINOR ERRORS

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the Show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:-

- a) Spelling errors.
- b) Separation of cat's names that should be one word and vice versa.
- c) Administrative/breeder's prefix omitted from or partially incorrect name given for exhibit.
- d) Overseas title preceding the name of an exhibit, sire or dam etc.
- e) Full breed number known but not given.
- f) Sire and Dam reversed or named incorrectly.
- g) Breeder joint when single and vice versa.

### INCORRECT DATE OF BIRTH

This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes, but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

#### N.B. AGE LIMITS

Kittens - not less than 14 weeks and under 9 calendar months on the date of Show.

Adults - not less than 9 calendar months on date of show

### INCORRECT NAME OF EXHIBIT/OWNER/BREEDER

If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT	Totally incorrect name.
REGISTERED OWNER/ (EXHIBITOR)	Joint when they should be single and vice versa. Declaration not signed by registered owner(s). N.B. The Exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the Show.

BREEDER Totally incorrect name or names.

N.B. the breeder of a cat is **always** the registered owner of the Dam on the date of the cat's birth.

### REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE DATE OF THE SHOW

These entries will be disqualified. The effective date of all registrations and transfers is the **first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

### TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW

These entries will also be disqualified as the exhibitor's entry form becomes invalid.

### INCORRECT OR INELIGIBILITY OF CLASS ENTRY

These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand/Imperial Grand Class must have qualified on or before the published closing date of the show and the title must have been claimed in writing. Exhibitors who enter Grand or Imperial Grand classes without claiming will be reminded once, but if the title remains unclaimed the cat will be disqualified from this class at subsequent shows.

### CATS REGISTERED ON THE REFERENCE REGISTER

No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown, even if they are registered on the Reference Register, as long as this was the only reason for the Reference Registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of

explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention Show Checking.

#### **VETERINARY**

1. GCCF recommend the use of secure, top-opening cat carrier and if a cat cannot easily be removed from the carrier, it will not be vetted in or Judged for Best in Show. Section 4 Rule 6.
2. Exhibits will be received at the entrance of the Show hall from 7.45am until 9.30am on the morning of the Show must be accompanied by the owner/s or their representative. Each exhibit will be examined by the Veterinary Surgeons no exhibit may be penned before being examined.
3. All cats exhibited must have a current vaccination certificate against **FIE, FVR and FCV (cat flu)**. The full course or booster, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show. The Certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon.
4. Cats with an invalid vaccination certificate will be rejected under Section A of the GCCF Rejection form. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF Office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received in the Office.
5. A current certificate of vaccination is one which is not more than seven days past the manufacturer's recommended interval between boosters. (Section 2 rule 7c, section 4 rule 5, section 5 rule 3).
6. Homeopathic vaccination is NOT acceptable under GCCF rules
7. The description of the cat, owner and address on the vaccination certificate are completed in full and accurately before attending the Show.
8. Cats or kittens showing a positive reaction to the Feline Leukaemia virus blood test or Feline Immunodeficiency virus blood test must not be shown. Council strongly recommends that all should be tested regularly. Vaccination against Feline Leukaemia is also available.
9. If a cat should require any veterinary treatment in the absence of the owner, the owner/exhibitor shall be liable for any costs incurred.

#### **VETERINARY CLEARANCE CERTIFICATES**

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your Clearance Certificate to the Veterinary Officer please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, self-addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

Please note that any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate, as required by the GCCF, has been obtained. (Section 3 rule 15)

**IMPORTANT:** Queens who are pregnant, lactating or who have kitted within the past 12 weeks may not compete and must not be exhibited at any show or exhibition and a duty veterinary surgeon is instructed to reject any queen in these conditions. (Section 4 rule 4a)

### JUDGING AND JUDGES

1. Judging will commence at 10.00 am and Exhibitors will be requested to clear the hall until 12.30pm, while the Open Classes are being judged.
2. Judges are empowered to withhold any prize in any class if the exhibits do not, in their opinion, possess sufficient merit.
3. Prizes will be awarded from the Judge's award slip, not from any catalogue or prize card.
4. A Judge's decision is final.
5. Exhibitors may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.
6. Exhibitors may withdraw their exhibits from competition in any Open Class affected by changes in Judges and entry fees for such classes must then be refunded on demand. Penning fees are not repayable.
7. Entries will not be accepted from Judges officiating at the Show.

### PRESENTATION OF EXHIBITS

1. Every exhibit must be provided with a white sanitary tray and a clean, plain white or near white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white Vet-Bed or like material may be used if preferred. White equipment may be purchased at the Show.
2. A hot water bottle or heat reflecting material or cool-pack may be used but must be concealed by the blanket. A white container with water must be left in the pen but food containers must be removed before judging commences at 10.00am and cannot be returned until 12.30pm.
3. One **small toy** may be placed in the pen **after** the time announced for the admission of the public.
4. Judges are instructed to pass any pen that is distinguished in any way, other than official notices or award cards.
5. The use of grooming aids in the Show Hall, other than the use of a clean brush and comb or cloth is prohibited. No powder or grooming substances may be left in the coat of exhibits. The use of shampoos that may change the colour of the cats coat can lead to disqualification. Any treatment, including sedation, causing temporary or permanent change in the normal appearance or physical reaction of the exhibit or any surgery (cosmetic or otherwise) leading to changed appearance or reaction is forbidden and will lead to disqualification under Section 4, Rule 22.
6. Vetting-in slips, exhibitor's passes, etc. will be handed to exhibitors at the Show Hall entrance.
7. No written or printed matter other than official notices and award cards may be put on the competitive pens. **For Sale signs are NOT permitted!**
8. Exhibition pens **only**, may be decorated and may carry printed matter relating to the exhibit.
9. Exhibits actually received in the Show Hall cannot be removed without the written sanction of the Show Manager. Exhibits are received on condition that the Club shall not be held responsible in any way for any loss or damage to persons, cats, baskets or any other property, or in any other way.
10. **Please Note** that it is the Exhibitors responsibility to ensure that their cat's pen is safe and secure before leaving the hall.
11. No exhibit may be removed from its pen before the Show closes at 5.00pm. Failure to observe this Rule will result in disqualification of forfeiture or any awards. This Rule will be strictly enforced.
12. **Disinfectant Handsprays.** There is no specific ruling against the use of hand sprays at shows for disinfecting pens, although aerosols are not desirable and hand pump sprays should be used with discretion, particularly where there are cats in adjacent pens.

Please note that any Cat, Kitten or Neuter biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The exhibit will be withdrawn from the Show and the owner informed in writing, with a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information shall be given to the GCCF for consideration.

## EXHIBITORS

Any person (whether an Exhibitor or not) in any way interfering with or removing any exhibit from its pen during the Show, except with the consent of the Show Manager, will be reported to the GCCF and will forfeit any awards that may be due to their exhibit. Exhibitors are forbidden to carry their exhibits around the Show Hall and they must not be held in such a way as to annoy other exhibits. No one may remove any exhibit from its pen except the owner or a Club Official.

**No photographs may be taken without the specific permission of the Show Manager and the exhibit's owner.**

### SHOW WITHDRAWALS

1. The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show.
2. After this date the cat concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering 2 shows within 13 days will apply.
3. There will be no refund of entry fees if the cat is not present at the show and the entry in the catalogue must not be withdrawn. This ruling does not prevent the Show Manager from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full.
4. **All withdrawals must be in writing.**

### ALTERATIONS AND/OR ADDITIONS

1. All alterations and/or additions to entry forms must be made in writing to the Show Manager
2. No telephone alterations and/or deletions will be accepted but corrections to your entry form can be made on show day
3. **PLEASE NOTE: If a kitten is entered as an Entire and then Neutered before the Show you MUST notify the Show Managers A.S.A.P.**

**SECTION 3 Rule 10e** No person may steward at all for any Judge under whom he or a member of his household is exhibiting in an Open, Grand, Imperial Grand, UK Grand or Assessment class. This shall also include cats not entered in the Open but to be considered for Best of Breed. "This rule also applies to any person who is acting as an agent for the owner of a cat entered in a relevant class. Agent" is defined as "any person given responsibility by the owner for the cat on show day".

### The Committee reserve to themselves the right to:

- a) Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges should they be required.
- b) Fix and limit the number of exhibits at the Show and refuse entry without giving a reason
- c) Cancel, amalgamate or divide classes.
- d) Publish a catalogue of the Show containing information as to the exhibits and names and addresses of the exhibitors.
- e) Refuse admission to the Hall without giving a reason.
- f) Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being cancelled for any reason.
- g) The Show Manager on behalf of the Committee reserves the right to pass on any charges incurred to the Exhibitors who cheques are refused payment by the Club's Bankers.
- h) Disqualify cats entered in the wrong class by the exhibitor.
- i) Publish an announcement in the Official GCCF Journal of any alteration in the Schedule or The Show Rules and Regulations and this shall be deemed sufficient notice.

### CORRESPONDENCE

All correspondence **must** be accompanied by a Stamped Addressed Envelope if a reply is required. Any complaint relating to the Show must be forwarded to the Show Manager in writing within seven days of the Show.

### COUNTERSIGNATURES

In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing the exhibitor informs the Show Managers prior to Judging, that a certificate has previously been awarded by the replacement Judge, the Show Manager shall appoint one other Judge who shall Judge the cat, and if

the cat is considered worthy, countersign the certificate which shall then count towards Champion/Premier status.

If the replacement Judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this Judge can be regarded as a replacement Judge for the purpose of requesting a counter-signature.
