### **Mrs Val Anderson-Drew**

Many thanks to Lynda for the invitation to judge at the Short-haired Show and several of the smaller breed shows. Thanks too for the excellent hospitality. A very busy day with all the different shows including various Best in Show judging to do. I am extremely grateful to Fran Harrison who stepped in to steward on the day. Fran handled the cats with care and helped steer me through all the paperwork and keep me on track. Thanks for all your help Fran and good company.

GCC LOVELL'S PR CALONLAN HONEY (LPL b 21 32) FN 29.04.07

A mature lady of nearly 8 years with a superb temperament, she purred, cuddled and gave me head butts! Feminine head, a modified wedge with good breadth between the ears, just a fraction short. Broad rounded muzzle & well-developed whisker pads. Moderately large cupped ears set wide apart & expressive oval eyes set on a slant. Well-fed elegant body with limbs to balance & long tail. Dense unstructured coat of medium length with a soft springy texture. Loose waves on the body, tummy a little straight. Attractive chocolate tabby colour with darker points.
