

LAPERM CAT CLUB SHOW 2015  
MRS S AMOR

Thank you to Jean, Lynda and their team for inviting me to judge at this friendly, well organised but very busy show. I had some absolutely super cats to judge that were a credit to their exhibitors. Thank you to Janet Williams for stewarding for me once again in such an efficient manner. She handles the cats so well and keeps me on the straight and narrow.

**CLASS 2111 GRAND CLASS CHAMPION LAPERM MALES**

**GC Gillies' CH BALLEGO WILLSCARLET LPL d 03 21 M 07.06.12** Super young man with a vibrant red, beautifully curled semi-long coat. Head a modified wedge with lovely expression but rather too much width across the cheekbones. Ears placed to continue the modified wedge of the head and in proportion to body and expressive almond eyes. Nicely balanced, muscular body and excellent plumed tail. He had that lovely friendly LaPerm personality and was oozing charisma today.

**CLASS 2119M LAPERM ADULT MALE**

**1<sup>st</sup> CC Nichols GLASTOCATS WALTER WHITE LPL b 03 32 M 08.07.14** I really liked this young man. He oozed personality and had the most striking markings and had a coat full of unstructured curls. Correct head type with a modified wedge with slightly rounded contours, of medium length, longer than it's wide. Prominent whisker pads, full and rounded with great curly whiskers. Straight profile to head with gentle convex curve rising from base of eye to the top of the eye. Flat plane to top of head, broad and straight nose with a gentle nose break. Medium large and expressive almond shaped eyes. A large lad for his age with a lithe, muscular body and super plumed tail to balance.

**2<sup>nd</sup> Evans QUINCUNX YETI CENTO** Red and white LaPerm boy with a little more growing to do. Nice overall type with a modified wedge with rather rounded, gentle contours. Super prominent whisker pads, full and rounded with great curly whiskers. Straight profile to head with gentle convex curve rising from base of eye to the top of the eye. Flat plane to top of head, broad and straight nose with a gentle nose break. Medium large and expressive almond shaped eyes. Medium sized body with medium fine boning and muscle tone developing. . Super curly coat with that lovely springy textured feel, and excellent plumed tail. A promising young man.

**CLASS 2119F LAPERM ADULT FEMALE**

**1<sup>st</sup> CC Kindell & Hawthorn's HAMBRVIN LES FRIZZERABLES LPL g 03 21 F 22.04.13** Very pretty blue tortie tabby and white female. Super type with a modified wedge with slightly rounded, gentle contours. Prominent whisker pads, breadth to the muzzle with depth to the chin. Good profile with a gentle nose break and broad, straight nose. Expressive large, copper almond shaped eyes set moderately far apart and slightly slanted to the outside ear base. The ears were slightly flared and cupped; the size was moderately large and they were set quite far apart to continue the lines of the wedge. A lithe, muscular body moderate to large in size with fine boning. Legs medium long to match the body and super plumed tail to balance. Curly longhair coat developing nicely with a springy textured feel and super ear furnishings.

**2<sup>nd</sup> Nichol's QUINCUNX RUBYFRUITCAKE LPS f F 01.07.14.** What a super example of a shorthaired LaPerm this little girl was. Super overall balance to her body and her coat was short with excellent waving with a crisp rather than harsh feel to it. Head a modified wedge with slightly rounded contours. Straight nose with gentle convex curve rising from the base of the eye to the top of the eye. Gentle contours over the brows and cheeks with a broad and straight nose of moderate length with a gentle nose break. Level bite and good chin with prominent whisker pads. Good ear set, slightly flared and cupped. Medium large expressive eyes almond shaped, set moderately far apart and slightly slanted. An elegant, dainty body but of surprising weight with medium fine boning. Short

coat with a springy texture, standing away from the body with waves over most of the cat. Tail well covered with curls but not plumed.

**CLASS 2318 SH SELF NON-PEDIGREE CAT WITH OR WITHOUT WHITE**

**BOC Swingler's GMC BLACKBERRY MIST FN 9mths** This glossy black young lady was so pleased to be admired and fussed. She showed herself so well and was very confident and sociable at the end of a very long day. Expressive lemon coloured come to bed eyes. A total sweetie!

**CLASS 2147 AC NEUTER BRED BY EXHIBITOR**

**1<sup>st</sup> Nichol's QUINCUNX FLIBBERTYGIBBET LPL h 03 FN 06.08.06** Haven't seen this young lady for a long time and boy has she matured since being neutered! Head is a modified wedge with slightly rounded, gentle contours longer than is wide. Super prominent whisker pads, full and rounded and great curly whiskers. Straight profile to head with gentle convex curve rising from base of eye to the top of the eye. Flat plane to top of head, broad and straight nose with a gentle nose break. Expressive almond shaped eyes. Ears placed to continue the modified wedge of the head and in proportion to body. Medium sized body with medium fine boning and good muscle tone. Medium long legs with rounded feet. Super curly longhair coat with a springy textured feel and lovely ear furnishings.

**CLASS 2148 AC NEUTER NOT BRED BY EXHIBITOR**

**1<sup>st</sup> Lovell's PR CLOUDBORN BARB DWYER LPL b 25 MN 30.05.13** Lovely young brown tabby LaPerm boy with super head type. A very masculine head with a slightly rounded modified wedge longer than it is round. Prominent whisker pads developing. Straight nose with gentle convex curve rising from base of eye to the top of the eye. Flat plane to top of head, broad and straight nose with a gentle nose break. Ears placed to continue the modified wedge of the head with super ear furnishings. Large expressive almond shaped eyes. Substantial lad with a well muscled body with legs and paws in proportion. Coat medium length with a developing ruff and long coat with plenty of unstructured curls. A super friendly young chap.

**2<sup>nd</sup> Wulund's QUINCUNX MINA HARKEL LPL a FN** Very pretty but rather feisty lilac LaPerm female. Head a modified wedge with slightly rounded, gentle contours longer than is wide. Super prominent whisker pads, full and rounded and great curly whiskers. Straight profile to head with gentle convex curve rising from base of eye to the top of the eye. Flat plane to top of head, broad and straight nose with a gentle nose break. Large expressive almond shaped eyes. Ears placed to continue the modified wedge of the head. Medium sized body with medium fine boning and good muscle tone. Medium long legs with rounded feet. Super curly longhair coat with a springy textured feel and lovely ear furnishings.

I was very pleased to be able to award BIS LaPerm to the very handsome **CH BALLEGO WILLSCARLET**
