**Mrs Val Anderson-Drew**

Many thanks to Lynda and her team for the invitation to judge at this busy show plus the excellent hospitality. Lots of shows under one roof which must be an organisational headache. It was enough for me to sort out my own classes from all the different shows! I didn't have a steward though Mandy Symonds joined me after finishing her judging in the Household Pet section. Many thanks for all your help Mandy it was a great help and much appreciated.

**GRAND – LAPERM CHAMPION FEMALE**

GCC LOVELL'S CH CLOUDBORN SPRING-TRA-LA (LPL n 25) F 30.05.13

An attractive mature girl of nearly 3 years with a typical LaPerm expression & long coat with a brown ticked tabby pattern. Her head is a modified wedge slightly longer than it is wide though I would prefer a little more curve to the profile. Broad muzzle with quite prominent whisker pads. She wasn't keen on having her bite examined but it is level with strong white teeth. Well-set ears of medium size & moderately large expressive eyes of a rounded almond shape & set on a slant. Elegant & muscular body though with a well-fed tummy. Elegant limbs to balance with small round paws & nicely plumed tail to balance. Good length to the coat which has a springy textured feel & stands away from the body. Reasonably soft feel to the coat, just a little harsher down her back. Curly ear muffs & loose curls on the body with a ruff to frame the face. Shown in lovely condition and she has a sweet gentle nature.
