

Mrs. Joyce Price.

The Cambridge Cat Club Show. 28.03.09  
As always, a happy & well run show in the very capable hands of Sally, assisted by Paul & the team of helpers. Sally I felt for you, with an injured foot, how on earth did you manage so well?. I was fortunate to have Jo Morgan once again to steward for me. Thanks Jo for your careful handling of the Cats & for looking after me so well.

A.O.V. S.L.H. Champion Male.

G.C.C. PERCIVALS. CH. BLEUGEMS TEDDIE BEAR. (66.31).

Super SEAL -Point Bi- Colour of excellent type & quality. Good flat plane, ears in proportion & held well. Deep blue eyes of excellent size & shape, set well & showing wonderful expression. Nose with good dip in profile, slightly retrouse at tip, good width & fullness to his cheeks. His bite is level & shows a good chin. Excellent weight & length of body, showing good muscle-tone. Tail is full & of good length & showing the desired tapering towards the tip. Beautifully prepared full silky coat of excellent length & texture. Pale body colour with rich seal to give a nice contrast. Correct inverted 'V' to face & white underneath. White legs up to the body. Beautifully presented & perfect manners. I was delighted to learn from his owner/Breeder that he is now made-up to a full Grand Champion". Well done to the both of you.

Res. NEVINS. CH. CADENCE HAMLET.(66.31a).

A Very much younger lad a Blue Bi- Colour with lovely type & superb temperament. He is strong & well developed for his age, with a long firm & well muscled body <sup>to 115</sup> long full & tapering towards the tip ~~tail~~. Nice broad head with the desired flat plane between his high well set medium ears, set with a forward tilt. Lovely blue colouring to his expressive eyes of good shape & size. Medium nose with slight dip to nose when viewed in profile, slightly retrouse at the tip. Good rounded muzzle, chin good & level bite. Super silky coat, well developed & showing the correct markings. Shown in excellent condition & super to handle.

End of Class.

A.O. V. S.L.H. Champion Female.

G.C.C. STANTONS. CH. RAGADICT NIOMORIO. (66.31).

A very attractive young Girl with a pretty facial expression. Super head shape with the desired flat plane separating her well set ears, high set with a forward tilt & showing nice furnishings. Fabulous eyes of a very good blue, good shape & soft expression. Slight dip to her medium nose & slightly retrouse towards the tip. Good fullness to her cheeks good muzzle & firm chin. Good body length on this girl & nice muscular feel to her. Her full tail compliments her body length & slightly tapers towards the tip. Lovely soft silky feel to her nicely prepared coat which was full & complete with a light ruff. Rich seal colouring to her markings with pure white to contrast. She is still quite adolescent but, on the day she was worthy of the 'Grand'. Beautifully presented & a joy to handle.

End of Class.

Adv SLR Premier Genter. Male.

G.C.C. BUTLERS. PR. JINGLEBELLES VALENTINO. (64.31ts).

A Super Silver Classic & White lad with lovely type with a super 'Coon' expression of the breed. Large well placed high set ears with excellent tips & furnishings. Lovely eyes of

2  
good shape & colour, showing wonderful expression. High set cheek bones, broad nose with slight curve when viewed in profile, strong broad boxy muzzle of nice depth. His bite is level & shows strength to his chin. Strong long well muscled body of excellent weight & size. Proportionate strong limbs & large rounded pure white paws, complete with tufts & giving a nice snow-shoes effect. Super full flowing tail of good length with good brush, giving a nice balance to his body length. Lovely full double coat of silky texture, showing excellent colour, Contrasts & markings. He looked good today & did he know it. Showed himself well & has perfect manners. Beautifully presented as well. His delighted owner/Breeder has told me he is now made-up to a full 'Grand' Premier. <sup>Many Congratulations</sup> Well done to the both of you. it was well deserved.

Res. DEACONS. PR. GLEDEKATT BRUNI. (67.20)

A big strong, well balanced Brown Tabby Norwegian lad of excellent size & looking good today. Has a good triangular shape to head with excellent straight profile, His ears were set nice & high with good tufts & nice length to the furnishings. Large slightly oblique set eyes, showing wonderful expression & of a good amber colouring. Nice high cheek - bones, level bite & strength to his firm chin. Strongly built body of good length with good muscle - tone & breadth of chest, supported by substantial legs & neat large paws. Very good undercoat with a glossy top coat which showed warmth of colour & very good tabby markings to contrast. Sporting a nice full ruff, shirt front & knickerbockers. His tail was long & well furnished easily reaching up to the neck. (quite a good example of the breed). Well shown & has a gentle disposition.

End of Class.

Adv 5lh Premier Neuter Female.

G.C.C. DEACONS. PR. GLEDEKATT PENJA. (67.51t).

A Very lovely Brown Tabby & White Norwegian girl. ( Litter sister to Bruni). She has an excellent head shape, well placed ears held high & of good size, showing super tufts & furnishings.. Lovely eyes of correct shape & of a lovely green colouring, giving almost a wild expression. Excellent profile with deep chin, High set cheek- bones. Strongly built solid feminine body of good weight, elegant long legs, showing a good stance, neat paws, complete with tufts. Good length & texture to her attractive coat, which shows warmth of colour & good tabby markings, with white to contrast on her frontal bib & paws. Super glossy top coat. Good shirt front & knickerbockers. Super ruff & lovely long & bushy tail in proportion to her body length.. Quite a showy girl, I liked her very much. She shows herself well. Beautifully presented & a joy to handle.

B.O.B. Only. BELLS. GRD. FR. ARCADY MOPSA. (13c13). FN.

A very beautiful girl of excellent type. (One I have judged in the past). She still has it all for me. Wonderful type & all that a Birman should be.

4  
P.C. WOODS. PR. RIVANNA PIRELLA. (13c11).FN.

A very attractive & pleasing girl showing good style & balance. Nicely rounded & broad head with excellent ear placement & proportions. Excellent eyes for shape, colour & expression. Good profile & super full cheeks, the bite is level & chin is firm. Firm quite chunky body with limbs & excellent bushy tail care in balance. Full pale coat with well defined tabby contrasts to her mask & points, Slight coloring to her flanks & golden saddle tones in evidence. Well marked gloves & gauntlets all sparkling white. Excellent ruff & shows good fullness to her medium length. A well presented girl who shows herself well.

2nd. COLLINGWOODS. GR.CH APR TARKISHA TAMANTHI. (13c12).FN.

A very nice all round girl of quite good type. Almost ten years of age. Still a quite pretty girl, showing good type & expression. Lovely shape of head with ears placed well apart. Eyes are expressive & of a lovely blue, good profile & nice full cheeks, chin is firm. Proportionate body of good weight & good limbs. Nice facial tracings & full ruff. Softly prepared full pale coat of nice texture with well defined markings on a soft beige agouti base to her mask & points. All her pure white paws are even & matching, showing a good fullness to her medium length tail. Well shown & good to handle.
