THE GOVERNING COUNCIL RECOMMENDS THAT WHERE SEVERAL CLUBS SHARE A SHOW VENUE ON THE SAME DAY EXHIBITORS SHOULD ENTER THE SAME CAT IN NO MORE THAN 2 SHOWS. THIS APPLIES TO BOTH THE PEDIGREE AND HOUSEHOLD PET SECTIONS. THIS IS FOR THE WELFARE OF THE CAT, TO ENSURE IT IS NOT OVER-SHOWN AND STRESSED.

(Kernow Cat Club and The South-West British Shorthair Cat Club are both offering Household Pet classes).

SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 King's Castle, Business Park, The Drove, Bridgwater TA6 4AG)

REGISTRATION

All Pedigree Cats, Kittens or Neuters exhibited at a GCCF show must be registered. All registered exhibits which have changed hands, must have been transferred to their new owner at least 21 days before the Show. **All registrations and/or transfers must have reached the GCCF Office at least 21 days before the Show.**

If the registration number has not been received when completing the entry form, write N.A.F. (Number Applied For) in the appropriate column and forward the number as soon as possible to the Show Manager. Your first choice of name should be entered in the appropriate column.

SHOW ENTRY

The Exhibitor must complete the entry form as stated on the registration/transfer certificate. **Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes.** Please do not omit to Read and Sign the Declaration - if joint owners, both must sign the form.

Exhibits must be entered into the appropriate Breed/Open/Title Class and at least three other classes.

If a kitten is entered as an entire kitten and then neutered before Show Day, the Show Manager MUST be advised of this change to the original entry details as soon as possible so that the Judges' Slips can be amended before judging commences.

VETERINARY

Exhibits will be received at the entrance of the Show hall from 7.45a.m. until 9.30 a.m. on the morning of the Show. Each exhibit must be brought into the show hall in a suitable, secure container (top-opening where possible) and must be accompanied by the owner(s) or their representative. Each exhibit will be examined by the club's Hon. Veterinary Surgeons who are authorised to exclude any exhibit that they consider unfit. No exhibit may be penned before being examined.

Each exhibit must have clean ears and coats free from pests. No queen may be exhibited within 12 weeks from the date of kitting, neither may a pregnant or lactating queen be exhibited. No exhibit that has been de-clawed will be accepted, neither will male cats which are either monorchids or cryptorchids.

Requests to the veterinary surgeon to examine a cat during the show must be made by the Show Management either directly, or, in the case of requests from judges or stewards, on official slips provided by the Show Management. **Any other person who may have reasonable grounds for thinking that such an examination is desirable must apply to the Show Management.**

Vetting-in slips will be given out on the day of the show. All exhibits must have a current vaccination certificate against FIE, FVR and FCV (cat flu). The full course or booster, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of the Veterinary Surgeon. **Any cat without a valid vaccination certificate will be rejected under Section A. Any cat unaccompanied by a Vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for the show, by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the office. Homeopathic vaccination certificates cannot be accepted. Owner administered vaccinations are not acceptable for show purposes.**

VACCINATION CERTIFICATES SHOULD BE AVAILABLE AT VETTING-IN AND CATS WITHOUT ACCEPTABLE CERTIFICATES MAY BE REJECTED.

Certificates should be properly completed & clearly indicate the identity of the exhibit and the owner to avoid confusion, which would result in rejection from the show.

Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Veterinary Surgeon's opinion it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show. **The Veterinary Surgeon's decision is final and binding.**

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain from the vet the reasons, and accordingly notify the GCCF within 48 hours of the show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please **DO NOT** send these certificates by recorded delivery as this can cause delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer, please enclose a stamped, addressed postcard which will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance: it is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

VETERINARY LETTERS

In the past, cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. This is no longer applicable; such letters are not now accepted at shows and any exhibitor presenting a cat with any skin lesions indicative of ringworm is likely to be rejected at vetting-in.

The GCCF Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesions indicative of ringworm, however small.

PENNING OF EXHIBITS

Take a pride in presenting your exhibit; be sure it is comfortable, warm and relaxed. The pen may be wiped down with any non-toxic disinfectant before the exhibit is placed in it. For the well-being of all the cats at the Show, please do not use any disinfectant based on Phenol or Cresol. While there is no specific ruling against the use of hand sprays at shows for disinfecting pens, exhibitors are advised that **aerosols are not desirable and hand pump sprays should be used with discretion, particularly when there are cats in the adjacent pens.** Each exhibit must be provided with a white litter tray and clean plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white vet-bed or similar material may be used if preferred. A hot water bottle or heat reflecting material or cool pack may be used provided they are covered by the blanket in accordance with GCCF rules. Any other form of heating will lead to disqualification. All exhibits must have water but food containers must be removed when the hall is cleared for judging to commence. Containers with food and ONE SMALL toy may be placed in the pen after the time specified for admitting the public into the hall. Judges are instructed to pass any pen that is distinguished in any way. Other than official notices or award cards, no written or printed matter may be placed on competitive pens. Exhibition pens only may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall cannot be removed without the sanction of the Show Manager. **They are only received on the condition that the club shall not be held responsible for any loss or damage to exhibits, their baskets or containers, or in any other way.**

JUDGES

Judging will commence at 10am. Judges are empowered to withhold any prize in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. **A Judge's decision is final.**

The Show closes at 5pm or sooner at the Show Manager's discretion. No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit. Exhibitors must leave the hall at 10.00am and not return until 12.30pm.

The Committee reserve to themselves the right to:

- a. Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges if deemed necessary.
- b. Fix and limit the number of exhibits at the Show & refuse entry without giving a reason.
- c. Cancel, amalgamate or divide classes.
- d. Disqualify cats entered in the wrong classes by the exhibitor.
- e. Refuse admission to the Show Hall without giving a reason.
- f. Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being cancelled for any reason.

WITHDRAWAL FROM CAT SHOWS - G.C.C.F. RULING

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show, after which the cat concerned **may not be withdrawn from the catalogue of the show and the 13-day Rule about entering two shows within 13 days will apply.** This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full.

INFORMATION & ADVICE FOR EXHIBITORS

1. No Kitten shall be exhibited under the age of 14 weeks. This applies to Non-Pedigree exhibits and litters for Exhibition also.
2. Any Cat or Kitten which in the opinion of the judge is very under-developed or in poor condition shall be disqualified from competition. Any Cat or Kitten disqualified by a judge on grounds of condition must be reported by the Show Manager to the GCCF Secretary.
3. Exhibitors are reminded that **advertising the future attendance of their cat(s) at any GCCF show could lead to disciplinary action** under Section 4, Rule 18, and great care should be taken when advertising in magazines, newsletters etc. and on the Internet.
4. **Stress Remedies.** The use of any products including **SCULLCAP and/or VALERIAN**, which change a cat's normal appearance or physical reaction is forbidden at GCCF shows and will lead to disqualification under Section 4 Rule 14.
5. You are advised against purchasing any shampoos that change a cat's colour as this can lead to disqualification.
6. Any alteration to your entry form must be **in writing** which will be attached to the form by the Show Manager. You may also make corrections to the form up to the close of the show.
7. Any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
8. Use of small battery driven fans in pens can be dangerous and may be considered a distinguishing mark.
9. Please note that in addition to the classes you have entered, your cat may also be handled for the purposes of assessing candidates in the GCCF judge appointment scheme.
10. Photographs of exhibits may only be taken with permission from the Show Manager and the exhibit's owner(s).
11. **Exhibitors/Owners are responsible for the cost of any veterinary treatment required by their cats during their absence from the show hall.**
12. DATA PROTECTION ACT: Details on your entry form will be processed by computer.

DEFINITION OF CLASSES

BREED CLASS	Open to all of the specified breed. (Must be GCCF Registered. Cats on the Reference Register may not be entered.)

NEUTER CATS	Neutered adults may enter only Neuter Classes and may not compete with entire cats or kittens except in Club Classes which are scheduled to include Neuters. Where Best in Show is held, the best Neuter shall be considered against the best Entire Adult and Kitten for Best in Show.
DEBUTANTE	Exhibits that have never been shown at a show held under GCCF Rules. (If Debutante Adult, Kitten and Neuter classes are offered at a show, entry as Debutante Kitten does not count when the exhibit is shown as an Adult or Neuter and entry as a Debutante Adult or Kitten does not count when the exhibit is neutered and shown).

The wins as a kitten do not count when the exhibit is shown as an Adult or Neuter; wins as an Adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes. **All Adult, Kitten and Neuter Open Classes will be split Male and Female.** All Miscellaneous and Club Classes with 12 or more entries will be split.

THERE WILL BE NO REFUNDS OF ENTRY FEES AFTER THE PUBLISHED SHOW CLOSING DATE.

RULE ON BITING AT SHOWS

Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from that show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rules otherwise.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, PRINTING the details carefully to avoid any misinterpretation of your handwriting.

N.B. Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Registered Number box. It is wise to enclose a stamped, self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the show catalogue but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on Show Day); Any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated or a change of exhibitor/owner.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit(s) should always use the same form **and both must sign**.

GCCF Rules Section 4 Rule 26 – Exhibitors are reminded that the decisions of the judges are final. Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a show before that judge's engagement has been completed may render the offender liable to disciplinary action.

STATUS OF ERRORS - WHAT TO EXPECT

Minor Errors. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) Spelling errors
- (b) Separation of cat's names that should be one word and vice versa
- (c) Administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit
- (d) Overseas title preceding the name of an exhibit, sire or dam etc.
- (e) Full breed number known but not given
- (f) Sire and dam reversed or named incorrectly
- (g) Breeder joint when single or vice versa

Incorrect Date of Birth. This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B. AGE LIMITS: Kittens - not less than 14 weeks and under 9 calendar months on date of show.

Adults - not less than 9 calendar months on date of show

Incorrect Name of Exhibit/Owner/Breeder. If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT	Totally incorrect name
REGISTERED OWNER	Joint when they should be single or vice versa
EXHIBITOR	Declaration not signed by registered owner(s) N.B. The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show.
BREEDER	Totally incorrect name or names N.B. The breeder of a cat is ALWAYS the registered owner of the dam on the date of the cat's birth

Registration/Transfer Not Received by GCCF 21 Days before the Date of the Show.

These entries will be disqualified. Remember, the effective date of all registrations and transfers is the first date of valid receipt by the GCCF, and if you enclose your own stamped, addressed acknowledgement card with your application form this will be stamped with the GCCF date of receipt.

Transfer of Exhibit from Exhibitor to a new owner received by GCCF more than 21 days before the Date of the Show. Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

Cat Registered on the Reference Register. No cat registered on this Register is eligible to be shown and hence these entries will be disqualified. The only exception to this is when a new breed becomes recognised; then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.
