## FULL REGISTER

Persian LH Cameos and Pewters, offspring of Persian LH Cameo to Pewter or Pewter to Cameo or Pewter with Parents, grand-parents, and great-grand-parents to be listed in full register.

## SUPPLEMENTARY REGISTER

Persian LH Cameos and Pewters offspring from approved colours listed in Full or Supplementary Register or when one parent has a reference register within three generations.

## REFERENCE REGISTER

Only cats with the preceding three generations from the breed section, LH Persian Type, may have their offspring placed on the supplementary register if they are mated to an approved Full Register Persian LH.

Pedigrees should not include any other Persian LH not listed or any other breed.

For further information please contact the Secretary of the Persian Tipped Breed Advisory Committee.
