

GCCF REGISTRATION POLICY FOR FOREIGN WHITE CATS

Agreed/effective October 2005

1. FULL REGISTER

Foreign Whites which have in their pedigrees within the preceding three generations only Foreign Whites or Siamese shall be registered on the Full Register, with the exception that all Foreign Whites from Foreign White x Foreign White matings shall be placed on the Supplementary Register or Reference Register as appropriate.

2. SUPPLEMENTARY REGISTER

Foreign Whites which have in their pedigrees within the preceding five generations only Foreign Whites or Siamese shall be registered on the Supplementary Register.

3. REFERENCE REGISTER

All cats of Foreign White appearance which have in their pedigrees within the preceding five generations any breed other than Foreign Whites or Siamese shall be registered on the Reference Register.
