

## **GCCF REGISTRATION POLICY FOR MANX CATS**

Agreed/effective February 1997

Manx are at present recognised as Tailless Manx (25), Stumpie Manx (25a) and Tailed Manx (25b). Semi-longhair Manx have the designation of Semi-longhair Variant (25v, 25av and 25bv) and are part of the normal breeding programme. Only Tailless Shorthair Manx are recognised by the Standard of Points for showing.

Manx includes 25, 25a and 25b unless otherwise indicated.

### **FULL REGISTER**

Tailless Manx (25) offspring from Manx to Manx matings.

Stumpie Manx (25a) offspring from Manx to Manx matings.

Tailed Manx (25b) offspring from Manx to Manx matings.

### **SUPPLEMENTARY REGISTER**
