CAT SOCIETY/CORNISH REX CAT SOCIETY/COMBINED SHOWS**

12 APRIL 2015

Judge: Perri Mansaray

I would like to thank Lynda, Jean and the various Committee's for the kind invitation to judge at Wolverhampton. These combined shows are always brilliantly run by Lynda, Jean and her Team and has a superb atmosphere. My grateful thanks must go to the Premier Inn Wolverhampton for plying me with a mountain of ice for my knees on the Saturday night, and enabling me to actually get on my feet the next day!! A special vote of thanks must go to the Cornish Rex Cat Society, who bedecked me with a wonderful lilac rosette with my name on and a special bling in the centre! I loved it! And also for my goody bag! Thank you also to Andrea Keady who came to steward for me. She handled the cats with great care, looked after my paperwork, and ensured that I took my painkillers and plied me with ample fluids! She then marked up all sections in my catalogue across all shows for me. Andrea you were a star and great company! I hope we can do it again sometime!

SHORTHAIRED CAT SOCIETY

A C Burmese Grand Champion, Male

IMP MATTHEWS' GR CH KATCHYN CASANOVA (BUR n) M (16.5.13) I did hesitate about awarding both the Imperial and Reserve today as both boys are very young and still quite immature for these high awards, but I managed to persuade myself in the end! Young lad of 1 year 10 months old of good type. Large ears well set with correct forward tilt. Gentle rounding to top of head. Short wide wedge, blunt muzzle. Expressive eyes are set well apart, good shape and size, chartreuse in colour. flat brow. Nose a little long in profile, good nose break, receding chin, level bite. Muscular chap of good weight. Slender legs and oval paws. His tail has a good shape, balances, pip at the end. he had a short close fitting coat, warm even seal brown. Timid pops. I did like him very much from front on, his profile lets him down on maturity at present.

RES IMP PALLISTER'S GR CH PENWYNKATZ NEW ROMANTIC (BUR n) M (18.4.13)
What a dear purring poppet! Gentle rounding to top of head. Nice size ears well set with correct forward tilt. Short wide wedge, blunt muzzle.
