

NATIONAL CAT CLUB
12th December 2015

A big thank you to Carol and Ron Pike and the National Cat Club for giving me the opportunity to judge at the National Cat Club show this year. Also thanks to Barrie Tackley for stewarding for me and handling the cats with such care and attention.

I had the pleasure of judging the Olympian and Imperial classes both of which were quite a challenge as all cats were worthy of a prize.

OLYMPIAN CLASS – AV HP IMPERIAL GRAND MASTER CAT MALE

Class 952

OMC – Hart's IGMC WINTER STAR MN 1 yr 7mths

A wonderful handsome boy with a plush pure white long coat, even his whiskers were white. Nice head shape with pink nose leather and green eyes. Full tail and a good weight he was beautifully prepared and had such an excellent temperament. Congratulations on your Olympian Class win.

ROMC – Rawson's OSIGMC BOOBOO MN 6 years

This boy I have had the pleasure of judging before and as usual he was excellently prepared, clear striking colours of grey, brown, and beige on a mainly white long haired coat. Strong large body with a full tail and china blue eyes he is such a softy. A shame he came up against the winner today.

IMPERIAL CLASS – AC PEDIGREE PET GRAND MASTER CAT MALE

Class 964a

IGMC Emery's – GMC BASIL MN 4 years

Handsome short haired boy with green eyes and a round face with well set ears. Well prepared coat with colours of grey, silver and black stripes with white paws, white bib and a nice long tail. He was very alert and enjoying his day as he pummelled his feet and loved the fuss being made of him.

RIGMC Quay-Clark – GMC OTTER MN 9yr 11mths

Nicely prepared smooth haired heavy chocolate boy with sturdy legs. His face, ears and tail were all of a darker brown and he had lovely green eyes. Another well behaved boy who enjoyed the fuss.

IMPERIAL CLASS – AC PEDIGREE PET GRAND MASTER CAT FEMALE

Class 964b

IGMC Farnaby & Clark GMC ROSIE FN 1yr 7mth

She told us what she thought but she was still lovely with her large green eyes, full rough and long multi coloured coat of silver, blue and grey which had been beautifully prepared.

RIGMC Worsley-Waring – GMC SILVER PENNY FN 1yr 3mths

She was quite happy buried under her blanket and really did not come out and see us. Nice girl with a round head and auburn eyes. Her coat was soft and well prepared with silver and black tabby stripes.
