As it turned out I chose a very good day attend my first show for several months, with a very special day for my own Semi Longhair section! As one who has always admired him and photographed him many times, I was delighted to share in the jubilation of Sandra and Ray Burgess when their magnificent Maine Coon KASSARO CISCO KID (bred by Sandra Turpin) gained his Olympian Gold title and crowned this success with another Best in Show SLH Exhibit win and then a triumphant Overall Best in Show. Well done Cisco! A good many other SLH cats gained titles also, so a really enjoyable afternoon.
