

THE LANCASHIRE CAT CLUB SHOW - 8 MARCH 2014

JUDGES REPORT - MRS CELIA DE MARTINO

My thanks to Chris and the committee for their kind invitation to come to Wigan again for this lovely friendly show. As always a good time was had by all. Thank you so much Peter Kilmartin who came to steward for me. He was a great help and good company. As always he handled the cats well and kept me in order.

BLUE CREAM ADULT

1CC HOLMES' PANTILE A DREAM COME TRUE A gorgeous lass coming up for 2 years old. A bit of a wriggler. Excellent long soft silky profuse coat showing good distribution of blue and cream well intermingled. Excellent width between well placed furnished ears, short nose with stop full cheeks, good bite and firm chin, Well placed bold orange eyes. Cobby frame, backbone a touch prominent, sturdy legs and tail of medium length in proportion to body. Good size weight and bone. Excellent temperament and condition.

BOB PRIESTLEY'S GR CH PANDARUS CELESTE An exquisite girl of good size weight and bone for a female. Excellent width between well placed small neat furnished ears. Short nose with stop, full cheeks, good bite and firm chin. Well placed bold round deep orange eyes. Cobby rounded frame with sturdy legs and medium length tail in proportion to body. Well prepared soft silky profuse coat showing good distribution of pale blue and cream well intermingled, All feet broken. Excellent temperament and condition.

RED CREAM AND TORTIE POINT BIRMAN KITTEN

1 & BOB WILCOX'S DALTEEMA VELVET TRUFFLE A cream point Birman girl just coming up for 5 months old. Good size weight and bone for age. Head broad with well placed furnished ears of medium size. Nose with slight dip in profile, cheeks, quite full, level bite and full firm chin. Well placed almost round eyes of a good shade of blue. Head shows a good balance. Long body with strong legs, of medium size and tail of medium length which balanced with body. Excellent preparation of her silky soft off white coat of good length. Tummy curly. Her coat had a faint golden hue. Cream mask still developing. Even white gloves and socks. Due to paler coat colour gauntlets difficult to assess but seemed a touch short. Excellent temperament and condition.

2 BROWN'S DALTEEMA SAFFRON SKYE Litter sister to winner, Good broad head with well placed furnished ears, medium in size. Nose with dip in profile of medium length, full round cheeks, scissor bite and quite full chin. Well placed eyes, oval, not almost round but was reluctant to open them. Eye colour dodgy, not the required blue, probably changing and still developing. Long body of good size weight and bone for age. Legs of medium length. Full cream tail, medium in length and in proportion to body. Well prepared silky coat of good length, off white with a golden hue. Cream mask coming. Curly tummy. Even white gloves and socks, Gauntlets of good length and tapering well. Excellent temperament and condition.

CREAM BRITISH KITTEN

1 & BOB FISHER'S PAUL'S JONATHAN VON WERNERWACK An 8 month old cream lad with a lovely round head. Good width between well placed quite small ears which fitted into the rounded contours of his head, a touch open at base, nose of medium length with slight break, rose pink nose leather, full cheeks, level bite and firm chin. In profile showing vertical line from tip of nose to chin. Round well placed eyes, colour muddy today so hopefully will develop into a good orange shade as he gets older. Cobby rounded frame with sturdy legs and a tail of medium length in proportion to body. Well prepared soft silky coat, a medium shade of cream with some ghost tabby markings to body and tail. Minimal shading. Coat dense plush and quite springy, a touch on the long side but this could all change after his first moult. Excellent temperament and condition.
