

LANCASHIRE CAT CLUB CHAMPIONSHIP SHOW 2014

My thanks to the show managers & committee for inviting me to judge. My steward was Jenny Cowan, an enthusiastic & a very capable steward. I enjoyed showing her the finer points of the cats we handled today, it was nice to have some lovely examples of the very best cats, & to point out some of the little faults, that we wish to eradicate though careful breeding. Many thanks to all of the judges & exhibitors who asked after my mother Mrs Jean Crockart [president] who should have been at the show but was taken ill a few days before. She has much improved and was sorry to miss everyone.
