ASIAN GROUP CAT SOCIETY.

ASIAN BURMILLA KITTEN, 14 weeks to 6 months, MALE.

1st. & BOB. Matthews's KATCHYN VANILLA-ICE, ASH es 11 31)

Very well grown and attractive youngster with excellent type and colouring. The head has a strong blunt wedge with a well rounded dome on top, the ears are well set. The profile shows a good break and a strong chin. The eyes are large, wide set and most expressive with good golden colouring. Good coat texture, pale silver undercolour overlaid with the palest cream give a delightful colouring to the coat. Strong well muscled mid length body, good strong limbs and a tapering tail complete the picture.

ASIAN BURMILLA KITTEN, 14 weeks to 6 months, FEMALE.

1st. Matthews' KATCHYN MOODY BLUE, ASH as 31)

Litter sister to the above and also of excellent type and colouring. The head has a short blunt wedge with a good dome and well set ears. The profile shows a good break and a chin of moderate depth. Lovely large wide set eyes, well shaped and with good golden colouring. Good short fine textured coat, pale silver base overlaid with even blue colouring. Well muscled mid length body, the limbs and tail length all balance beautifully.

ABYSSINIAN CAT ASSOCIATION.

OLYMPIAN CLASS: IMPERIAL GRAND CHAMPION ADULT, MALE.

1st. OL. With held. Lockwood's IMP. GR. CH. BRUNNBACKEN'S LEON. ABY n)

Rather dainty and light in weight for age. Good basic head shape with a contoured wedge, the ears are large and are well set. Good profile and chin lines. Expressive eyes, hazel in colour. Good coat texture, good rich base colouring, ticking distinct, but rather dark and heavy on the back. Body needs more weight and muscle. Well shaped elegant limbs, the tail tapers and is of good length, but has a small pip at the end.

OLYMPIAN CLASS: IMPERIAL GRAND PREMIER NEUTER, FEMALE.

1st. OL. GR.PR. Rose's IMP. GR. PR. BRIZLINCOAT SILVER MINUET, SOL ns)

Well grown girl. Strong head shape with a good contoured wedge. The ears are large and well set. Good profile and chin lines. Most expressive eyes, well shaped and set with good bright hazel colouring. Good coat length and silky texture. Just the merest hint of tarnishing in the silver, but does not detract from the overall silver effect. Ticking clear and well defined. Good strong and elegant body, well proportioned limbs, the tail has good length and a good silky plume.

USUAL ABYSSINIAN ADULT, MALE.

1st. & CH. Miskelly's GLENDAVAN KOBAYASHI.

Only just 9 months old and still quite adolescent looking. Pleasing head shape with a contoured wedge. The ears are of good size and are well set. Good profile and chin lines. Expressive well shaped eyes, good bright hazel in colour. Good coat texture, good warm rich base colouring, ticking continuing to develop. Lithe body shape, the limbs are elegant and the tail is tapering and of good length.

USUAL ABYSSINIAN ADULT, FEMALE.

BOB. Only. Lincoln's GR.CH. LINCOZOZO CAT'S PYJAMAS.

1st. & CH. Kelsall's KHABASHA JAHAZHARAH.

Adolescent girl. Pleasing head shape with a short contoured wedge. The ears are large, wide based and well set. Good profile and chin lines. Well shaped and expressive eyes, good bright hazel colouring. Pleasing coat texture, good rich base colouring. The ticking is well defined. Lithe elegant body shape and limbs, good length to the tapering tail.

SORREL ABYSSINIAN ADULT, FEMALE.

1st. & CH. & BOB. Lincoln's LINCZOZO CLEMENTINE.

Promising adolescent girl. Good head shape with a strong contoured wedge. Large wide based ears, all nicely set. Good profile and chin lines. Very nice eye shape, most expressive with lovely bright hazel colouring. Good coat texture. Very good rich copper base with darker copper ticking which is very well defined. Lithe and muscular body, the limbs and tail length are all in good proportions.

CHOCOLATE OR LILAC ABYSSINIAN KITTEN, MALE.

1st. Lincoln's GLENDAVAN ARTEMIS, ABY c)

Well grown and stylish boy. The head has a pleasing contoured wedge with good width at the cheeks. The ears are large and wide at the base and are well set. Good profile and chin lines. Well shaped expressive eyes, golden/hazel in colour. Very good coat texture, good warm base colouring and underparts. Very well defined pinky lilac ticking. Strong lithe muscular body, elegant limbs and a tapering tail all balance beautifully.

2nd. Lincoln's LEGEND CESARE, ABY b)

Another well grown boy, just at the stage where his head is looking slightly long, but the ears are large and well set. Quite a good profile line, chin good. Expressive eyes, well shaped and with good bright hazel colouring. Good coat texture, warm toned base colouring, ticking in dark chocolate is well defined. The body is strong and lithe with well balanced elegant limbs, the tail is tapering and of good length to balance.

CHOCOLATE OR LILAC ABYSSINIAN KITTEN, FEMALE.

1st. & BOB. Dawson's MAGLECO MELTINTHE MIDDLE, ABY b)

Most attractive and well balanced young kitten. Very good head shape, contoured wedge with lovely large wide based tufted ears which are well set. Good profile line and chin. Lovely eyes, most expressive with good bright hazel colouring. Good coat texture, lovely rich warm base colouring, very well defined mid chocolate ticking, especially for one so young. Strong and elegant proportions to the body and limbs, good length to the tapering tail.
