

ABYSSINIAN CAT ASSOCIATION - 12TH APRIL, 2015

MRS. PAT PERKINS

Congratulations to Lynda and team for pulling together the combined shows, a lot of hard work but a job well done, my thanks for the invitation. Special thanks to Pat Parrish for all her help and good company.

USUAL SOMALI NEUTER

1ST. & BOB TIPTONS MI-ALMA JACKIE BROWN – SOL n (25.10.13) Attractive girl, her coat soft and dense, with black even ticking, the base warm apricot, tummy chest and inner legs warm apricot. Wedge shaped head, slight nose break, pink leather, her ears set wide apart, cupped and pricked. Large expressive eyes of a warm hazel, almond in shape, firm chin, dark surround and lighter spectacles round her eyes, black heels, spine line carrying along to long and flowing tail, black tip, length in balance to body – well shown friendly lass.

AOC SOMALI ADULT

1ST. CC & BOB MELIA CRRAILISO SKYROCKET – SOL a (26.6.14) Blue, a lovely lad only just 9 months, he already has the length and development to his body, long legs and oval feet. Wedge shaped head with ears that are set wide apart, slightly cupped, expressive obliquely set eyes, a bright hazel, dark surround and light spectacles, slight break to nose, firm chin. His coat showing even mid blue ticking on a soft mushroom ground, ruff developing round his head, fawn tummy, slight spine line carrying over to end of tail, blue tipped, heels blue – quality lad with a lovely temperament.

AOC SOMALI – KITTEN

1ST & BOB WATTS EMANAN JEMIMAPUDDLEDUCK – SOL c (21.10.14) Pretty girl with a bright alert expression, her large obliquely set eyes of a warm amber, pale spectacles and darker surround, slight nose break, muzzle just a little narrow at present, firm chin. Length to body and long legs, paws oval. Kitten soft coat evenly ticked in pale lilac the undercoat a pale mushroom, heels almost fully covered in mushroom, tail long, the tip lilac, inner legs and tummy a pale mushroom – a promising youngster.
