RUMER'S - IARCH NOBILERO INFUCHI LAOCHAIRE

SPH n 21 (MN) 19. 9. 11

A lovely friendly boy of good size and balance. Mature head showing nicely rounded contours, well developed

cheeks, good whisker pads and required whisker  
break, messy dentition, good chin. Slight  
stop evident. Well set ears of good shape  
and size. Eyes of good shape, set and size.  
NCC 2  
EMB. Muscular body, showing a little bit of mid-age  
spread, limbs and tail to balance. Fine down  
covers although a little heavier on his nose.

SPHYNX NEUTER - FEMALE.

M<sup>AD</sup> DONNEN'S - UK OGIC AMAROGUE SAFARI  
SPH n 03 (FN) 21. 9. 08

Very friendly one of good size and balance.  
Good appearance to head which has nicely  
rounded contours, good whisker pads with  
required whisker break, level bite, good chin  
perhaps a little narrower in the muzzle area  
a little too straight in profile. Ears of good size  
set and shape. Eyes of good shape, set & size.  
Muscular body of good shape, limbs with nicely  
"cushioned" pads evident, good shape to tail  
that is a little short. Covered in fine down.

Any one of the five exhibits present could have  
been awarded B. O. B - it really did  
come down to 'nit-picking'. It was  
quite a headache but thank you for giving  
it to me! I loved them all but a choice had  
to be made... so

A lovely girl although a little shy - Overall good type, nice stop evident, well set ears, good eyes, lowered in down.

AKOO CONSIDERED.

CLOTHIER'S - UK OBIGP SPHYNXLAND DUDLEY  
SPH d 33 (MN) 27. 10. 11

Another lovely exhibit who was so laid back he would not open his eyes other than to register who was cuddling him, rather messy dentition

MACDONNELL'S - IGR PR AMAROGUE SHAC YMAR  
SPH f 32 (PN) 3. 11. 07

The oldest of the five exhibits who made it rather obvious that she didn't like being distracted! Overall good type lovely big ears.
