Exhibitor Corner

The Golden Trio

I believe that I am now the first exhibitor to proudly own 3 Olympian Gold Household Pets. Two Non-Pedigrees and one Pedigree Pet.

Here are my beautiful Golden Trio.

OG IGMC Alfred

Alfred became an Olympian Gold in August 2012. His award also made him the very first Olympian Gold Household Pet. Well known by many he just revelled in attention at shows and simply adored it if he was lucky enough to have an end of row pen.

OG IGMC Hannah

Hannah became an Olympian Gold in May 2014. Because of her very slow progress the year before and because she was 14 years old I was on the verge of retiring her but decided to give her a little bit longer. All of a sudden her successes came and she became a Gold at the Durham show.

OG IGMC Edwin

Edwin a Blue Silver Tabby was born a month after the death of his father – UK IGC Kresta Edwin. From his very first show in July 2012 he has done extremely well. His father will be so proud of him and I am sure he has been keeping an eye on him from above. Edwin gained his 5th Olympian Gold certificate at the Lancashire show on 12th March. Very many thanks to Mrs. Stalker for making him up to Gold. This is his 3rd Olympian certificate in 5 weeks as he gained one at Gwynned early February, was awarded one at Herts and Middlesex (out of a class of 12) and went on to win his qualifying certificate at Lancs.

Edwin has now become the very first British Shorthair Pedigree Pet to achieve Gold status (details have been verified).

Pr. Kresta Harrypotterslegacy

I also had a good day with my Black Silver Spotted boy Kresta Harrypotterslegacy who was made up to Premier. Many thanks to Mr. Welsh for this award.

What a SUPER Day, Harry (**IGRPR Isadoryou Phoenix**) gained his 3rd Olympian and BOB, then went on to be BOV SLH and Overall SLH, and Jak Frost gained his 3rd consecutive Master Cat Certificate making him **MC Jak Frost**, he also got BOC and went on to be Best Pedigree Pet, it was a very surreal day having two of my boys in the final line-up. A huge thank you to all the judges involved especially Doff Stone, Chris Bamford, Celia De'Martino, Mr Lenehan, Mrs Stalker & Pat Parrish.
