1st. & OLYMPIAN GR.PR. Archer's IGR.PR. FILENSIO PANDORA CHARM, RGM ns 03 21 32)
Lovely big mature girl. Good strong head shape, the ears are of medium size and are well set. Good curve to the nose, good strong chin. Well shaped eyes, expressive with good hazel colouring. Full soft textured coat and ruff. Well developed and substantial body of good length, fat pad on the tummy in evidence. Good sturdy limbs and paws. Good length to the tail which is full and bushy.

RES. OL. GR.PR. Brynes's IGR.CH. & IGR.PR. ONATUREL GIFT WRAPPED, SPH w 63)

Have judged this girl quite a few times in the past, she is everything a Sphynx should be. Very good head shape, the ears are large and well set. Good profile line with a chin of moderate depth. Well shaped and expressive eyes. Fine suede like coat. Elegant strong body shape with long limbs and cushioned paws, the tail is long and fine to balance.

IMPERIAL CLASS: AV. FOREIGN GRAND CHAMPION ADULT, MALE.

1st. & IMP. GR.CH. Caunter's GR.CH. THICKTHORN BALTI, OCI b)

Mature and well developed boy with a good wild look. Good strong masculine head shape with a contoured wedge, strong well rounded muzzle. The ears are of good size and are well set. Good profile and chin lines. Expressive well shaped eyes, good bright hazel in colour. Good coat texture, warm base colouring. Well developed arrow head spotting on the body, warm chocolate in colour. Well marked scarab and facial ribbons. Good clarity to the leg bars and tail rings. Good strong lithe body, the limbs and tail length are all in good proportions.

RES. IMP. GR.CH. Barker's GR.CH. SURFIN TORNEDO, ABY p)

Well grown body, head just still a little adolescent in appearance with a slightly fine muzzle. The ears are large, wide at the base and are well set. Good profile and chin lines. Expressive eyes, light hazel in colour. Good coat texture, light at the roots, but shows well defined fawn ticking. Good strong lithe body, the limbs and tail length are all in balance.

IMPERIAL CLASS: AV. FOREIGN GRAND CHAMPION ADULT, FEMALE.

1st. & IMP. GR.CH. Hobson-Kelly's GR.CH. NOBILERO RAICLACH BANRION, SPH w 63)

Stylish and confident girl. Very good head shape with a medium length wedge. The ears are large and well set. Good profile line with a moderate chin depth. Well shaped and expressive eyes, one bright blue, the other bright orange. Short fine suede like coat. Lithe body shape with long slender limbs. Good cushioned paws. The tail is long and fine and of good length for balance.

RES. IMP. GR.CH. Short's GR.CH. KURSHINKA GEORGIA, ALH bs 11 31)

Mature, strong and well developed girl. Strong head shape with a short blunt wedge, moderate dome on top, the ears are of good size and are well set. Good profile break and chin depth. The wide set eyes are most expressive and are chartreuse in colour. Silky mid length coat, clear silver base colouring with even light chocolate overlay. Substantial mid length body with proportionate strong limbs, the tail is of good length with a good silky plume.
