

Judge: Mr Phil Cornish

To GCCF

5/07/2016

Wiltshire & District Cat Club 2nd July 2016

Many thanks to Elaine and Jackie for the invitation to judge at this warm friendly show. My grateful thanks to Simone Roper for stewarding for me today she handled the cats and kittens with gentle efficiency, kindness and consideration and was very pleasant company as we worked through some very nice exhibits.

OPEN CLASSES

RUSSIAN BLUE ADULT

1st CC & BOB Jackson TROIKA TAMORA, RUS a Russian Blue female born 01/06/15. Well grown young girl with good Russian expression, short wedge, flat top of head, good angle at brow, shallow concave curve from eye brow to tip of nose, straight nose to chin, firm deep chin, level bite, broad muzzle, prominent whisker pads, large size, wide based ears with pointed tips, good vertical set, continuing the outer line of the face, large size, almond shaped, vivid green eyes, set wide apart, long and graceful body, medium boned and well-muscled, long limbs, small oval paws, moderately long tail tapered to a point, medium length double coat, nice density, soft and fine texture, mid blue with silvery sheen, very good temperament and condition.

ASIAN (TIFFANIE) KITTEN

1st & BOB Woodley SKAMPAWS EYEOF THETIGER , ALH n 22 Black Classic Tabby Tiffanie female born 14/01/16. My first reaction was this is not a Black Classic Tabby Tiffanie as the coat colour was darker seal brown at the points on a creamy beige ground but much lighter rich warm seal brown on an almost white creamy toned beige ground on body, after judging her and not wanting to wrong colour her I placed her as a **ALH n 22 31** on the suggestion of 3 Asian Judges. Very short balanced wedge shaped head, width at cheeks and fairly wide jaw hinge, nice curve brow to nose, good distinct break to nose profile, blunt muzzle, firm chin, level bite, long whiskers, good width between large broad based ears with rounded tips and forward tilt, showing a butterfly outline, medium size chartreuse eyes, set well apart, top lid slightly curved to nose, bottom lid more rounded giving nice asian expression, medium size solid muscular body, straight back and gently rounded chest, slender limbs and neat oval paws, long tapering plumed tail, semi longhair coat fine silky texture with good glossy appearance, no woolly undercoat, medium length lying flat along back, very slight ruff at neck, some frills underneath, plumed tail, and ear furnishings, darker seal brown at the points on a creamy beige ground but much lighter rich warm seal brown on an almost white creamy toned beige ground on her body, clear pleasing markings, cheek marks, mascara, M on forehead, scarab lines over head and down back, broken necklace, leg bars, tail rings with solid dark seal tip, oyster on sides and butterfly markings on shoulders, well presented in show condition.

Judge: Mr Phil Cornish

SPHYNX KITTEN

1st & BOB Simms ISIDA ANGEL STAR, SPH w 62, Orange Eyed White Sphynx female born 28/10/15. Lovely white Sphynx baby girl, modified medium wedge with rounded contours, longer than wide, rounded skull with flat forehead, high cheek bones, very slight curve to nose profile, fair chin and level bite, good indent at whiskers, fairly prominent whisker pads, large ears, wide open at base tapering to rounded tips, set at slight angle to head, large lemon shaped greeny yellow eyes, with green rim around iris, slightly slanted upwards, medium solid muscular body, rounded chest and rump, long limbs higher at rear, oval padded paws, long toes, long slender tail, naked with slight resistance chamois like feel to body, more down on nose, very good temperament and condition.
