

Report of Gavin Tasker judging household pets at the Wiltshire & District CC Show July 2nd 2016

Thanks are due to the Robinsons for inviting me to judge and to the exhibitors of the many lovely cats I had to consider. They were a cheerful bunch with very few grumbles and some very cuddly felines. I rate temperament very highly in my judging. I had a good time even though my scruffy report slips did cause some good humoured chaffing. Elaine, Jackie and Lisa did their usual splendid job despite their personal worries at home.

CLASS 946a

IMPERIAL GMC to Stanbridge`s Paddy Paws. A laid back Cinnamon old gent happy in his striking coat. He was gentle and easy to handle but rather reserved. He was the friendlier of the two boys so won the big prize.

RESERVE to Hancox`s Reggie. A red pointed lad in lovely condition but not keen to come out of his pen for a fuss hence the second placing.

CLASS 946b

IMPERIAL GMC Still`s Itsy Bitsy. She was a DELIGHT to handle, very affectionate and with a huge purr. She was one of the 2 cats I`d have liked to take home. A worthy winner.

RESERVE to Kingsley & Hambidge`s Farah. She was happier in her pen than out where she loved to be fussed. I liked her silky coat and interesting facial markings. Unlucky to meet her rival today.

CLASS 947a

GMC to Vickery`s Aslan: A very gentle and affectionate red & white boy. He had a serene air about him and his pale blue eyes were enough to melt a stony heart.

resGMC to Brown`s Texas: A long, elegant boy, easy to handle and so striking in appearance. I loved his profile and oriental eyes.

CLASS 947 b

GMC to Winn`s Monster Munch: A very pretty cream girl with stunning copper eyes. She was gentle and affectionate, enjoying her ears being tickled. She was the most eager for a fuss and so won her class.

Res GMC Voysey`s Lil Miss Daisy: She wasn`t happy to come out of her pen but was clearly delighted to be fussed in it .A charming girl whose purr was outstanding.

CLASS 948

BEST IN CLASS Hart`s Winter Myst: A handsome white boy but rather reserved. His coat was lovely as were his eyes. He wasn`t keen on coming out of his pen but handled well within it.

CLASS 949 a & b

MC & BEST IN CLAS Blundell`s Fern: He was a rather worried-looking young man but eager to chat. When he relaxed he was a handsome chap and handled well, enjoying a brief cuddle.

CLASS 950 a & b

BEST IN CLASS Vickery`s Aslan, my Grand boy of the day.

CLASS 951a

MC to Gorner`s Chester. A shy and gentle boy with a white star in his forehead which showed off his huge pale blue eyes and white whiskers. He wasn`t happy on the trolley but deserved his award even though he wasn`t the most extrovert cat.
