

Many thanks to Jackie and Elaine for asking me to judge at the Wiltshire & District CC very friendly show. My friend Julie Wilkinson agreed to steward for me. Thanks Julie. Enjoyed our time together.

Wiltshire & District Cat Club.

2nd July 2016

Mrs. Gillian Cornish

Grand Class. A V Rex, Sphynx or La Perm Champion Adult Male

Gr. CC. Withheld. Hobson-Kelly's Ch. Argentum Klaus. Sphynx. Red Burmese Colour Restriction. Modified wedge with rounded continues to head, could be a little longer to balance width. Prominent cheekbones and distinctive whisker break with prominent whisker pads. Slight dip to nose profile. Firm chin and bite appears level. Large ears well set on head. Large eyes, lemon shaped and set well. Body of good length and muscular with broad, rounded chest and abdomen. Muscular neck. Legs in proportion to body, sturdy and well muscled. Oval paws with long and slender toes. Tail a little short and covered with fine fur. Unfortunately I withheld the certificate because of lack of show preparation. In between his toes he had some form of red dye, also a couple of red spots on his body. His body felt cold and clammy and very greasy. He had 2 very small testicles.

Grand Class – AV Rex, Sphynx or La Perm Champion Adult Female.

1st. GR.CC. Brynes' Ch. Itzapromise Echo of Angel. Black smoke Devon Rex. Short broad wedge with high cheekbones. Good muzzle with firm chin and well defined whisker break Bite level. . Short nose with acceptable stop. Large ears, held a little high. Eyes of good shape and set when relaxed. Slender neck on a hard and muscular body with broad chest carried high on slim legs. Small oval paws. Tail of good length. Short coat, dense and soft in texture and well rexed. This young lady definitely had attitude.

Mrs Gillian Cornish

Grand Class – AV Rex, Sphynx or La Perm Premier Neuter Male.

GR. CC. Withheld. Roberts' Pr. Kermalu Hugo Boss. Red silver shaded Devon Rex. Shortish wedge with high cheekbones. Fairly good muzzle but chin slopes away. Bite level. Fairly good whisker break. Shortish nose with straight profile. Large ears good shape and set. Good eye shape and set. Slender neck on a body that had a plump tummy but rather boney spine. Slim legs and small oval paws. Tail of good length. Coat very wispy and course along back. Fairly well rexed.

Cornish Rex Neuter

BOB . Arnold's UK OBIGP Papaver Paris. Black smoke and white. Medium wedge head with high cheekbones narrowing to a rounded muzzle, chin slopes away a little. Almost straight nose profile. Large ears well set. Eyes of good shape and set. Elegant neck on a hard and muscular body with long legs and small oval paws. Long, fine and tapering tail, well covered with wavy fur. His coat was short and dense, silky in texture and well rexed.
