Thank you to Elaine & Jackie for the invitation to judge. As ever a well-run enjoyable show. Gill White was my steward & handled the cats in her usual careful way.

1st Cooke's GR CH MIRO BLUE BAY (IMP) (PER a) M 16/4/15

Massive boy with broad masculine head. Neat ears placed low. Lovely bold copper eyes. Firm chin. Well developed cobby body on chunky legs. He had a profuse pale blue coat that was well presented. Very friendly lad.

2nd Wilson & Ambler's TYTHERTON SHES SNOWANGEL (PER w 62) F 24/6/15

Very pretty Orange eyed White girl. Nice rounded head with dinky ears. Big round orange eyes. Good sized pink leather on a nose with a good break. Pristine well groomed white coat covering a cobby body. Full short tail. Sweet natured girl.

AC Persian Non-Self Adult

1st Wilson & Ambler's TYTHERTON BEDAZZLED (PER g 03) F 24/6/15

Sweet Dilute Tortie & White girl. Round head with neat ears. Bold copper eyes. Compact body with short legs & a short tail to finish. Her colours looked rather dark today, her cream hot & blue slate. Possibly due to the fact she was not in full coat, as are most Persians at this tricky time of year for them. Well groomed & easy to handle.

2nd Smith's CH MARMELSTEIN FUDILUVFLOSSY (PER d 03) F 23/6/15

Red & white Bicolour. Rather a small lightweight girl who needs to do some growing. Head a little bumpy with well placed ears, pale copper eyes. Small pink nose leather. Her coat was well groomed. Very nervous & much happier in her pen than out of it.
