

## WILTSHIRE & DISTRICT CAT CLUB

JAN MOLIN

Sincere thanks to Jackie and Elaine for the invitation to judge. A lovely Show and I had a very enjoyable day with some lovely cats and kittens  
My thanks also to Hannah who kindly stewarded for me.

### **GRAND CLASS - Ac Burmese Champion Adult, Male**

GCC VIRTUE'S CH HOBBERDY HOFFMAN BUR(27f) dob 08.08.2014.

Strong, elegant, balanced body of good size and weight, excellent shape, length and proportions, feeling firm and muscular.

Correct limbs, good tail for shape & length, slight tension noted. Head has short wedge with good width at jaw, top of head has good width & rounding between ears of good size shape & set. Profile shows a good brow & nosebreak, firm chin of fair depth. Clear yellow eyes of good shape & set but for perfection I would have liked them a little larger. Coat a warm even cream, lovely texture, short & close lying.

Quite an alert, lively young lad, well behaved, and shown in lovely condition.

### **GRAND CLASS - Ac Burmese Champion Adult, Female**

GCC GREET'S CH ROTARA QWEENOFHEARTS (BURg(27g) dob 03.10.2011.

An elegant, attractive, mature girl of good type and overall balance. Muscular body of good size and weight, good shape, length and proportions, good tail shape & length to balance, correct limbs. Head has short blunt wedge, top of head has good breadth and gentle rounding between ears of good size, shape & set. Profile shows a good brow and nosebreak, a firm chin of fair depth. Large, lustrous well shaped pale yellow eyes giving typical expression. Coat of excellent blue and cream colourings, lovely texture, short, closely lying and in super condition. Delightful temperament, relaxed and confident.

RGCC WILSHAW'S CH ROSSIKHAN BLANQUE CZECH (BURc (27c) dob 21.06.2014.

Head has short blunt wedge and typical Burmese expression. Top of head shows a good dome with good width between ears of lovely shape & set, good width at cheeks. Profile shows a good brow, nosebreak, & firm chin. Lovely eyes for size, shape, set & expression.. Large &

lustrous, clear pale yellow colouring giving typical Burmese look. Muscular, firm body of excellent size and weight, good length and proportions. Tail of good shape, length just balances. Correct limbs. Coat of a fairly even pale lilac colouring, looked just a fraction on the creamy side in the hall lighting, lovely condition & satiny texture, short, fine and close lying. Sweet natured, gentle girl.

### **BROWN BURMESE KITTEN**

1BOB BONE'S SYKRIS BORN TO WOW (BURn (27) dob 25.12.2015.

Elegant , balanced body of excellent size, weight, shape & proportions,with a nice firm muscular feel. Correct limbs, tail of good shape and length to balance. Head has good short blunt wedge, top of head shows good rounded dome with good breadth between ears of good size & shape. Profile shows a good brow & good nosebreak, firm chin (gums looked a little sore) Clear yellow eyes of good size, shape & set . Seal brown coat of excellent texture, short, close lying and with a nice sheen to it. A super kitten. of good overall type.

### **BLUE BURMESE KITTEN**

1BOB MARSHALL'S MILLGILL NOTORIOUS NORM (BURa (27a) dob 16.03.2016.

3.2 months on the day. Elegant body of good size and weight for age, feeling firm and muscular, good shape, length and proportions.

Tail correct shape & length, correct limbs, neat paws. Head has short blunt wedge with good rounding to top and good breadth between ears of good shape and set. Profile shows a good brow, nosebreak, and chin of fair depth. (bite a fraction untidy) Eyes of good shape, size & set colour still turning. Short, close lying soft grey coat with desired silver sheen on ears, face and feet.

### **BROWN BURMESE NEUTER**

1pcBOB TRUSCOTT'S UK IGR CH KATCHYN NIKKO (BURn (27) dob 12.03.2010.

A handsome and balanced boy who was relaxed and confident. Elegant body of excellent size, shape and proportions, good weight feeling firm and muscular. Correct limbs, good tail to balance. Head has short blunt wedge, with good width at cheeks, good rounding to top & good breadth between ears of lovely shape & set. Profile shows a good brow, good nosebreak & firm chin. Chartreuse eyes of excellent size, shape & set, large& lustrous giving typical Burmese expression. Good close lying, glossy, warm seal brown coat . Lovely temperament and condition.

### **AOC TORTOISESHELL BURMESE NEUTER**

1pc LLOYD'S RAINSONG MILLEFIORI (BURg (27g) dob 05.07.2014.

Muscular body of good size, weight and proportions, correct limbs, good tail to balance. Head has short wedge with good breadth and rounding to top with well set ears. Profile shows a good brow and nosebreak, fairly firm chin. Good eye shape, set and colour. She has a lovely coat, short and close lying , excellent texture & mixture of blue & cream colourings. A talkative, lively young girl in excellent condition.

BOB UK OSIGP PAPAGENA NADINA (BURh (27h) A well known senior lady of 17 years 11 months, with a wonderful Burmese expression. She was so confident and showed herself to perfection. Excellent condition and beautifully presented.

**SH Ac Kitten Male 1 absent**

1 STILL'S LITTLE MAN (SH Black Silver Spotty) M 5 months

Well grown, strong, muscular boy, with a super temperament, lovely coat pattern, colourings & condition.

**SH Ac Kitten Female**

1 ULLMANN'S MAISIE (SH Tortie & White) Tortie & White 5 month

A pretty young lady of good weight & size, with lovely bright colourings to her coat that was in super condition.

Lovely temperament and was nice to handle.

2 LOCKWOOD'S CYNYSHIKA YUNOMI (SH Lilac Tortie) 4 months

A lovely relaxed kitten who was enjoying her day. Elegant body of good weight and size, her tail has invisible kinks.

Lovely coat colour, texture and condition.
