

SHROPSHIRE CAT CLUB

Congratulations to Janet and her hard working team for making such a success of this joint show. It reminded me of how shows used to be with over 500 cats entered and a very busy atmosphere around the hall. I hope the exhibitors appreciated all the work that had gone into this success. Many thanks to Steven Bunce for his company and handling of the cats during the day, we had an enjoyable day together.

OLYMPIAN ADULT MALE

What a joy to have such a line up of really good quality cats, all of which would have deserved an award. They were all of super temperament and a compliment to their owners.

Oly. Bujalska-Axon's IGR CH DELPHINIUM SWEET WILLIAM. BRI n 24. What a lovely really mature boy at two and three quarter years old. A really cobby short body, being massive across shoulders. Really thick tail of medium length. Short strong legs with rounded paws. A really rounded head with full cheeks and broad skull. Small rounded ears. Large rounded golden eyes. Short nose with slight nose break. Firm chin. Coat really dense, short and crisp, smothered with spots, showing good contrast, and a joy to handle.

R. Kidd's OBIGC CATYKES EDWINSON. BRI as 22. Very much a really solid mature boy at nearly six years. Excellent short body with medium length tail, but a little thin in the tail. Strong in the legs and rounded paws. Really nice rounded massive , skull with wide set small ears ears. Well open full eyes. Maybe slightly long in the nose. Has level chin and bite. Really nice crisp coat, showing required tabby markings and good contrast with ground colour
