MRS D TOMLINSON

BURMESE SECTION

My sincere thanks to Chris and the Show committee for their kind invitation to judge at this, one of my favourite shows. I had a thoroughly enjoyable day with some excellent exhibits to judge. Thanks also to my steward Linda Sweetman who, although a novice, worked with a kind regard for the cats we handled, I would happily work with Linda again.

BROWN BURMESE ADULT 3 entered 1 absent 1st and c.c. MISS A RAYNOR's IMASTAR BOSSYBOOTS BIGSTAR. Only days over 9 months old and still very juvenile in appearance but with nice overall head type except for a slightly flat top. She has lovely eyes for size, shape and set, still a little muddy. Her body weight and muscle tone are good for her size. She has a very even coat with no markings, soft and silky to touch.

B.O.B.MRS A McCORMICK's GR CH FLOREAT ELLA FENELLA A beautiful exhibit with no obvious faults. Head of lovely type with beautiful expressive eyes of good size, lovely shape and set. Well grown body of good weight and muscle, legs, feet and tail in proportion. Super short, glossy, silky coat.

CHOCOLATE BURMESE ADULT MALE 1 entered 1st and c.c. MRS J COULTER's JACOU ZULULAND RORKE I thought long and hard before awarding this certificate, his coat is so dark as to be almost brown, but he has good head type with rounded top and brow, well shaped and set ears a reasonably distinct break, level nose and level chin. His body is well grown and muscular, with proportionate limbs and tail.
