

LANCASHIRE CAT CLUB SHOW - 11 MARCH 2017

JUDGES REPORT - MRS CELIA DE MARTINO

Many thanks to Chris Janet and the committee for their kind invitation to judge here again at this friendly well run show. I had a lovely day and had some gorgeous cats to judge and cuddle. I was grateful to Terri White who came to steward for me despite being in the throws of moving house. Many thanks Terri it was much appreciated.

AC NON-SELF PERSIAN CHAMPION

GCC VALENE-SMITH'S CH ZILVA WITCHITA LINEMAN A gorgeous black shaded silver lad 22 months old of a good size weight and bone. Excellent width between his well placed, furnished ears, slightly open at the base. Short nose with stop and a brick nose leather outlined in black. He had full cheeks a level bite and a firm chin. Well placed round bold green eyes outlined in black. Lovely full ruff framing his face. Cobby body with short thick sturdy legs and a short full tail. Well prepared soft silky long coat with the black tipping even on the sparkling silvery white. Excellent temperament and condition.

RES GCC ADAMS' CH ROSEMEADE STARMANOF SAVON Another lovely lad this time a red colourpoint. He was just over a year old with a well prepared long soft silky profuse very pale coat with good rich red mask and points. Good width between his furnished red ears, short nose with a deep stop, full cheeks. Good bite and a firm chin. His muzzle was slightly pinched. Well placed blue eyes which he did not show to his advantage. A full ruff framed his face. Cobby body of a good size weight and bone for age, short sturdy red legs and a fairly short full red tail. Ran winner close. His eyes were a touch deep set and I would have preferred more width between his ears. Excellent temperament and condition.

TORTOISESHELL COLOURPOINT ADULT

1CC & BOB SMITH'S DYVYNE'ALO A LOVING PRAYER A 10 month old seal tortie point girl who still has some growing and maturing to do. Good width between her well placed furnished ears which were open at the base. Short nose with stop. Her cheeks and muzzle need fullness. She had a good bite and a firm chin. Well placed round blue eyes a touch deep set. Full ruff framing her face. She was of a good size weight and bone for her age. Cobby body with short legs and a tail of medium length which balanced with her body. Her beige coat was soft and silky and well prepared.
