

LANCASHIRE CAT CLUB – 11TH. MARCH, 2017

MRS. PAT PERKINS – SHOW REPORT

My thanks to Chris, Janet and all the Lancs.team for an enjoyable show, as always well run and friendly with the usual high standard of exhibits. Pat Parrish was again my hardworking steward, well organised and handling the cats with care – many thanks Pat.

PERSIAN RED SERIES SMOKE – ADULT

1ST. CC & BOB MORRIS HEATHROSE THIS MASQUERADE – PER fs (20.4.16) Lovely Tortie Smoke youngster. Solid cobby build, thick short legs and rounded feathered paws. Her head has good width, tiny ears neat and well furnished, almost side set. Eyes round a good colour developing, firm chin, full cheeks, her nose short and broad with ample break, good nostrils and leather. Lovely very well prepared coat, long and soft, frill framing her head. Tortie shades to mask and paws, tortie to back, nice silvery undercoat, all finished off with a short full two tone tortie tail - lovely natured lass.

PERSIAN A.C. SILVER CLASSIC etc. TABBY ADULT.

1ST CC & BOB HEATHROSE RAGS-TO RICHES – PER gs 22 (11.6.16) Pretty Blue Silver Tortie Classic Tabby just an adult but solid and cobby in build, legs thick and short, her paws round and tufted. Rounded top of head, large expressive eyes of a rich orange, nose short, good break, another with good leather and open nostrils, cheeks full, small side set ears nicely feathered. Her coat soft and well prepared, M to head, rings to legs, tabby on body, shades of soft blue and pale cream overlaid with tabby, M to head, rings on legs, her tail two tone and showing slight rings - bright alert youngster pleasure to handle.

TORTIE OR CHOCOLATE TORTIE AND WHITE ADULT

1ST. CC & BOB THORNBURNS ALINDAS JIG SAW – PER f 03 (4/5/16) Pretty but shy Tortie & White youngster just over 12 months. Small but compact, short legs and rounded paws. Width to top of head, small well set ears, nicely furnished, round eyes the colour deepening, short nose good break, ample leather, firm chin. Reds and black patches to face and body, with white patches to head, body and limbs, short wide two tone tail. Coat soft starting to change to her spring clothes.

PERSIAN BI-COLOUR – ADULT

BOB COOKS GR. CH. KERUBIEL BATHAZER – PER n 03 (12.8.13) Solid Mature Black & White boy with thick strong limbs, large feathered paws. Breadth to head, well set ears, his nose broad with good break, open leather and nostril, firm chin and full round cheeks. large round eyes a of nice orange. Super coat, so very well groomed, white inverted triangle to face, white body, limbs and paws, sound black patches on head and body, nicely balanced off with a thick full tail – gentle lad.

2.

PERSIAN BI-COLOUR – NEUTER

BOB BOYES GR. CH. & OB IMP GR. PR VIVALDI TEDDY-BOYES – PER d 03 (17.9.13) Lovely balanced boy who had the lot. Strong bone and substance. broad head, small ears, big rich round copper eyes, nose broad with good break, firm chin, his ears small and well furnished. Super coat, groomed to perfection, body a rich sound red, as was his short full red tail. White triangle to face, chin, chest, legs and paws pristine white – laid back and friendly.

1st.& PC SMITHS ALGERNON PICCOLO – PER a 03 (24.5.15) Blue & White boy who had a lovely well prepared coat, long, thick but soft. Mid blue on head, face and limbs, pristine white to back and paws, frill framing his face.. Breadth to head, small side set ears, nicely furnished, short broad nose with a strong break, full cheeks and firm chin, acceptable bite, huge wide open eyes of a mid- orange, his tail short and full – good natured lad.

A.C. SILVER TABBY MAINE COON – KITTEN

2 promising youngsters

1st. & BOB RICHARDSONS KASSARO ALASKAN-SILVER –MCO ns 22 (23.9.16) Attractive boy with a lovely temperament. Long lean body high strong limbs and rounded paws. His coat well groomed, silvery white with good dark tabby markings, M to head, spectacles round his eyes, whisker spots, shoulder markings, back lines just starting to break, necklace starting to show, rings to legs, slight spots on tummy. His head developing well, high wide based ears, feathered and tipped, nose broad with a slight concave curve, firm chin, square muzzle already showing strength. Large eyes, set slightly obliquely the colour a greenish hazel. Tail long, well furnished showing rings, reaching just past shoulders.

2ND. RAWLINSONS ROCKOON JEFFERON – MCO ns (21.10.16) Rather shy lad. His ears very high and wide based. Long tips and well furnished, nose broad with a concave curve, firm chin, his eyes obliquely set a bright hazel. Very long lean body, high limb and large paws, his tail long reaching to neck. His coat a little open today and a touch short but showing distinct black markings, M to head, spectacles round his eyes, slight necklace, rings to legs – a gentle boy.

A.C. SILVER TABBY MAINE COON – NEUTER

Class of quality boys

BOB HOLDENS UK OB IMP GR. PR ISADORYOU PHOENIX – MCO ds 03 22 (7.10.13) Mature Red Silver boy, super bone and substance, long body, strong high legs and very large white paws. Mature head, strong square muzzle, firm chin, broad nose with gentle concave curve, bright oblique set eyes, large high wide based ears, feathered and tipped. His coat has silvery undercoat, top coat soft red, frontal ruff, full breeches, slightly shaggy tummy, his tail very long and full tapering slightly, showing rings – a quality lad who was a pleasure to handle.

3.

Also considered

BURGESS GR. CH. & PR. JINGLEBELLES REDADAIR – MCO ds 22 (22.2.14) Red Classic Tabby, strong well made boy, length to body, strong limbs and paws. Well developed mature head, strong muzzle, broad nose with gentle curve, wide based tipped and feathered ears, firm chin, bright hazel oblique set eyes. Rich red coat showing good classic tabby markings, finished off with a long full ringed tail – laid back lad.

KERNERS GR. PR. ELMCOON THE-WOLVERINE – MCO ns 22 (27.4.14) Classic Silver Tabby. Strong head, ears high and wide based, bright oblique set eyes of a pale hazel, broad nose, gentle curve, strong square muzzle. Long well developed body and high strong limbs, big paws. Long ringed tail, balanced to body. M to head, spectacles round his eyes, back a little solid – a gentle lad.

1ST & PC GUISE ELMCOON ZYLO SILVERBULLION – MCO ns 22 (7 4.16) Promising Silver Tabby youngster, long and lean with strong high limbs and big paws with undertufts. Head developing well, firm chin, broad nose with slight concave curve, his ears wide based, high, well furnished and tipped, large bright eyes obliquely set, a mid hazel. Nice coat texture, frontal ruff, clear black markings on a silvery ground, M to head, spectacles and lines from eyes, back still a touch solid but sides well defined, long flowing ringed tail – gentle boy.

SNOW SPOTTED BENGAL ADULT – MALE

BOB WHITMORES GR. CH.VELASTAR JUBITER CALLISTO – BEN n 24 32 (1.1.16) Muscular boy, medium strong legs, paws large and round. His head a broad medium wedge, ears wide based with rounded tips, lovely nearly round eyes, slightly oval in shape, the colour greenish hazel, broad nose with puffed leather, firm chin. Good dense soft coat, scarab to head and over neck, spectacles round his eyes, necklace, rosettes to body, limbs showing lines and spots, tail thick, ringed and slightly rounded at tip, warm ivory spotted tummy – Quality lad.

SNOW SPOTTED BENGAL ADULT – FEMALE

1ST & CC BRADBURNS PEARLDUST CHANTILLY LACE – BEN n 24.32 (13.5.16) Most attractive youngster, her coat showing clear rosettes and spots on a warm ivory ground, scarab over head, spectacles, eye lines, tummy spotted on a pale ivory ground. Good development for age, long in body with spotted strong limbs and paws. Head developing a nice wedge shape, her muzzle still a touch pinched, ears medium wide at base, broad nose, good chin, large nearly round eyes, oval in shape, the colour a bright hazel. Tail long slightly tapered and rounded at tip – friendly promising young lady.

4.

SINGAPURA ADULT

1ST, CC & BOB RATHBONES JALANKAYU MANKAM –SIN (9.6.16) Attractive young lady, and she knew it! Her coat silky and close, old ivory with sepia brown ticking, chin chest and inner legs pale ivory, light barring on inner front legs and knees. At 10 months developing a nice rounded skull, large bright open eyes with a slight slant, dark outline, a hazel green shade, nose has a slight stop, firm chin, ears wide based and well cupped. Body small but lithe, balanced body with neat oval feet, tail reaching nearly to shoulders, blunt at end – a nice lass who despite her airs and graces was nice to handle.

SNOW SPOTTED BENGAL – KITTEN

1ST. & BOB GOODGER SOOSTE OLAF – BEN n 24 33 (27.6.16) Solid well made lad, his head already a good broad wedge shape, ears wide based and rounded at tips, large nearly round eyes, with a slight slant, nose broad with a puffed leather, gentle curve to profile, firm chin. Body developing sleek and showing good muscular development, limbs medium and strong, large rounded paws. Dense soft coat showing good light brown markings and a creamy ivory ground. Scarab to head, clear spectacles and eye lines, spots to legs and toes, ivory tummy showing spots. Tail medium in length, with spots and a dark tip – good natured lad.

SNOW SPOTTED BENGAL – NEUTER

2 Quality boys for bob

BOB GOODGERS IMP. GR. PR. SOOSTEE ADAGIO FOR STRINGS – BEN n 24.33 (23.6.14)

Mature solid lad, long muscular body with strong medium limbs, large paws. His head a broad wedge, high cheeks bones, gentle curve to profile, broad nose with a slightly puffed leather, strong chin, medium ears wide based and rounded at tips, firm chin. Dense soft coat showing good spots, scarab to head, spectacles and eye lines, tail medium and thick with a dark tip – a real gentleman.

ALSO CONSIDERED

HUTCHINSONS PR.TOBYSDEN HARRY HOUDINI – BEN n 24.33 (23.6.14) Well made boy wearing an attractive coat, warm ivory ground, pale rosettes to sides, broken back lines, spots to limbs and medium slightly tapered tail. Broad medium wedge shaped head with scarab to neck, spectacles round his nearly round eyes, ears medium wide based, firm chin. Long body, limbs strong with large rounded paws – nice natured lad unlucky to meet the BOB winner today.

TOYGER NEUTER ASSESSMENT

MERIT. 1ST & BOB WILLIAMS TOBYSDEN SIR TEGYR – TOY (25.5.16) Striking boy wearing a very well marked coat, dark clear stripes on a rich reddish gold ground, limbs strong with stripes, rounded paws. Not yet 12 months but already well developed in bone and muscle, his tail thick with a rounded end. Head showing good development for his age, ears perhaps a fraction high as yet, lovely eyes of a warm hazel friendly lad a nice example of the breed.
