

Shropshire CC

Thank you so much to Janet et al for the invite it was as usual a well-run show with lots of quality exhibits. I was pleased to see a bumper entry and I was more thrilled with the cats shown - Thanks must go to the exhibitors.

Grand Champion Male

GCC w/h Tottens Ch Gelcune Touch of gold sia d M

Having judged this youngster only recently and awarded him a certificate I was disappointed when I read the catalogue after I had finished to see who it was - he was rather light in weight and narrow across his flanks, his coat was a bit dry and open and he was not as Co operative as he had been previously, he has a balanced wedge with large well set ears good eyes for shape and set when he relaxes although in the light today they could show deeper colour. Long elegant body with fine limbs and long whip to balance. Palish gold points well matched and showing clear M on head and some tail rings. Gentle nature but rather reticent to come out and relax, hope he was just having an 'off' day sorry to withhold but at this level he just had too many niggles on the day to award.

Grand Champion Female

GCC Carey,s Ch Merryfield Keziah Joy Sia n 21 F

Delightful young queen of very even type with an endearing character and presented in super condition . medium wedge with large ears set well when she relaxes. Lovely strong profile with ok chin and spot on bite. Lovely eyes for expression in a super dark blue. Long strong feminine body with dainty limbs and long whip tail to balance. Gorgeous coat shining and close lying and fitting her like a glove. Super dark seal tabby points well traced and matched coat lightly shaded and showing contrast . Such a pleasing miss only young and has used her time well.

RGCC Helms Ch Velvetena FawntoCaptive Sia p F

Attractive balanced lady of good type and style just lacking some of the panache of her young competitor. Medium wedge head with large ears fairly well set on head, oriental eyes of good shape and set and of an acceptable colour. Long strong body with dainty limbs and whip tail to balance. Attractive soft muted warm rosy mushroom points with such a delicate hue and showing clear contrast to her coat which was clear from shading this was slightly dry along the spine and a shade long. She was presented in good condition with a sweet temperament I wish she had more confidence in herself as she would look much improved. Attractive lady.

Grand Premier Male

GPC Greens Belroo Montalbano Sia p MN

Such a handsome chap but oh so shy and really not happy to being disturbed. Medium Wedge with large well set ears good profile with ok chin and bite. Oriental eyes of a mid blue that when he finally relaxes are a good shape and in an acceptable blue. Huge long elegant and firm muscular body with fine limbs and whip tail to balance. Attractive warm fawn points contrasting very well against his clear coat which was a shade long and open but looked better when he was in his pen and wrapped up. Attractive young lad who could very well if it wasn't for his reticence, his prerogative I guess. Presented in super condition and gentle nonetheless.

RGPC W/H Robinsons Pr Bewychen Princeling Ming Sia n MN

Attractive youngster who has many strong features but on the day in this higher class I could not ignore a couple of issues. Medium wedge with large very well set ears, super eyes for shape (when he relaxes) that ideally could be a deeper tone for seal, pinch to muzzle evident today. On his left cheek (as you face him) he shows a pale off white patch in his mask that I couldn't ignore it was about the size of a 20p piece I don't know if its an old injury and the hair has grown back in different but it did detract from his overall look. He has a longer well-muscled body not overlarge but balanced, All his points where in a dark warm seal (apart from the patch) and his coat although shading now showed contrast and was a lovely texture if a shade long along the spine. I would prefer a more masculine appearance as he does have rather an innocent look to him – he does however have a lovely temperament and is a real character and must be a pleasure to live with. Apologies for W/H but I could not ignore the patch today.

Fawn Point Female Adult

BOB : Helms Ch Velvetena FawntoCaptive Sia p F

See above report

Tabby Point Male Kitten

1st (BOB W/H) Calls Cosita Len Goodman Sia a 21 M

Gentle sweet young baby of medium type long slightly narrow wedge with uneven profile as yet. Rather deep set oriental eyes of a mid blue colour that looked rather sore today. Kitten body developing well with fine limbs and large paws to grow into with ringed tail that could do with an inch for overall balance. Dark rather murky blue tabby points with some brownish tones and quite a muddy coat that was still to clear. Very sweet temperament and desperate to come out of his pen for a cuddle. Hopefully he will use his time well and continue to develop as he is at that awkward stage.

Tortie Point Female Adult

2 Powerhouse Ladies who although are the same colour are very different. A Pleasure to meet these highly titled ladies sadly only one winner but both lovely to judge.

BOB : Stokes UK OBIGC Littlefeat Powderfinger Sia e F

Supremely elegant lady of lovely type and style. Having a relaxed mood today and looking much better for it. Gorgeous expression with glowering look, Longer wedge set with large wide at base ears well flared and widely aligned. Super strong profile with good chin, lovely depth to head showing strong yet feminine look. Long muscular body with elegant and dainty limbs and long whip tail to balance. Dark seal tortie points well mingled in varying shades of red. Close lying coat of good texture with slight tonal shading evident. Well presented in sparkling condition. I love her attitude, looking fabulous and glamorous today. My Choice for BIS Siamese Exhibit congratulations.

Also considered :

Brocks UK OBIGC Karamushi Tuti Fruity Sia e F

Very different type to this lady very balanced and mature. Medium wedge with large well set ears set a good width apart. Tiny pinch to muzzle now (this could be age) tiny dip tp profile with lovely eyes for colour and expression so soulful and all knowing. Long strong body more robust than the slender lady above. Elegant limbs and tail to balance. Dark seal tortie points well mingled with varying shades of mainly paler reds. Very attractive mature lady who was displaced by the flash and style of the younger lady . Nonetheless she has many strong qualities and is an ambassador for the breed.

Red Point Siamese Kitten Male

1st BOB Elliots Jomese Pazazz at Serapis Sia d M

Large well grown chap of good overall type. Lovely robust well grown body with huge great long legs and large boots to grow into. Very sweet temperament and so gentle. Medium wedge with large ears that are set well when relaxed – I would prefer them a shade larger because at the moment they balance but when he grows I hope they will alongside the rest of him. Almost straight profile with good chin and bite. Oriental eyes a smidge full and of a mid blue. Palish gold points developing well at the moment and yet to reach the full vibrancy of a mature cat. Long whip tail to balance. Lovely texture coat well presented and shown. Super sweet lad of lovely temperament.

AC Oriental Breeders Adult :

1st Helms Gr Ch Velvetena FawnyKachon OSH p F

Hugely attractive miss with super expression beautiful eyes of textbook bright clear green. Lovely balanced even type nothing exaggerated but so feminine. Lovely even warm mushroom coloured coat of super texture and so clear not a mark on it. Gorgeous lady who for me stood out in a large line up of adults.

2nd Lloyds Seido Skyfall OSH N F

What a lovely young queen this was full of quality and was so elegant and stylish just needed a smidge more width between her ears. I thought her very smart and again promises much for the future. Lovely dense black coat short and even and lovely elegant limbs and long whip tail lovely eyes for colour and expression.

3rd Entewistles Ch Gablme Lavan Kanika OSH h F

Another pretty lady so attractive and stylish and again such a pretty coat well mingled in varying shades of red and warm chocolate, lovely eyes for expression in a good green. Just needs to pull together her head development as I felt her profile though strong her chin was just a stage behind and needs to develop more depth along with her head it would benefit from showing more depth to skull. Lovely lady just a youngster as yet.

X 3rd Hursts Toghar Yankee Doodle Dandy OSH b M

Handsome Chap who is just a baby but I liked his balance look and his even chocolate coat though dark was even in colour and mainly sound. He has a lovely temperament and promises much. I liked him.

AC Non Breeders Adult

1st Jones Mesbelles Mademoiselle Coco Osh b F

Attractive youngster of good type and style very dark in colour although this was fairly even and good texture she showed good eyes for colour and expression and had medium wedge with large well set ears. She was rather shy but gentle with it. Presented in lovely condition

2nd Taskers Gr Ch Loricha Bundook Boy OLH ns 11 M

Very gentle chap of good type but just rather timid and not showing as well as he might, medium wedge with largish ears set fairly well, almost straight profile with ok chin and bite. Coat wise he displays silver pushing well up the hair shaft and with even black shading for me is a good example of his colour although his coat prep today was not where it should be to finish him off hence the placing..

AC Visitors Adult

1st Entwistles Ch Gablme Lawan Kanika OSH h F

2nd Roberts Enigmatic Kisses of Fire OSH b F

Havana of good type and style but very dark for the breed and really needing better eye colour for the standard. Bit grumpy and not as cooperative as she could be. Although having owned Havana's I do know that eye colour varies with mood so this could definitely be one of those times as she was not entirely happy.

AC Oriental Kitten

1st Masters Enigmatic Standing Ovation OSH e M

Gorgeous young man huge and stylish and so attractive. Longer wedge with wide top and lovely look eyes of good shape and expression in a good green lovely elegant neckline with super length to his body with super limbs and long tail to balance. I notice he is cryptorchid at present. He was a very good even colour without too much contrast between his base spotted pattern and ground colour it was cool and fairly even cream colour. I thought him very impressive. Superb Temperament too.

2nd Davies Wiccanways Red Reavage Osh d 03 M

This boy was completely terrified and I was not going to stress him by over handling him Red and white chap that had over the minimum of 1/3 - I would say up to 40% white and clear rich red his coat was a good texture and the colour was clear and showed minimal feathering. Type wise he has a medium wedge with large well set ears, profile almost straight with ok chin ideally needing more depth. Lovely size for age but very tightly rolled up and was difficult to see him fully without stressing him out any more – he was ever so gentle and presented well.

AC Non Breeders Kitten

1st Masters Enigmatic Pandora's Box OSH h F

Gorgeous Tortie miss of super type and style and such a pretty coloured coat super bright rich reds and warm chocolate, texture was excellent and temperament was very good too. Attractive miss and was not surprised to see her make BIS in one of the shows.

2nd Bauerfeinds Michant Mustapha Sia w 67 F

Snowy white babe of very good type and style and well presented. Just a baby and I am sure will grow on well . Good eyes for colour in a bright blue and super short white coat. Nice to see a white as they as few and far between these days.

AC Oriental Novice Kitten

1st Orgee's Avalon Amazing Grace Osh ms 11 F

Attractive miss with a super balanced look and very even. Lovely coat for texture and so short and very even in colour. Super clear under pushing well up the hair shaft and fairly heaving shading (ticked base) on tope in a lovely fudgy caramel tone that was even, lovely medium wedge with large fairly well set ears and super eyes for colour if a shade full.

2nd Roberts Enigmatic Tangerine Dream OSH d M

Handsome chap who was presented in super condition. This time in a really rich bright red and this was very smart he did show quite noticeable contrast between his pattern (spotted) and his ground colour and there was visible demarcation however as he was a kitten and it is developing I felt that overall the good outweighed. He has a medium wedge with large well set ears and oriental eyes of a murky toned green.

AC Oriental Novice Kitten

1st Brocks Kevel Dirty Dancer OSH m F

Just a tot and all cuddle dup in her cozy blankets. Medium wedge with large fairly well set ears she would insist on scrunching these up when I looked at her but when she relaxed they were fine. Tiny dip to profile with ok chin and bite. Oriental eyes of a developing green. Sludgy taupe caramel coat developing well that was impressively even colour wise across her body with good soundness. Long limbs and good whip tail. Sweet baby who hopefully will get used to this showing malarkey. Super presentation and condition.

2nd Lloyds Siedo Seamaiden OSH a F

Another tot this time in Blue and again she was happier in her pen all wrapped up. Medium wedge with large fairly well set ears almost straight profile with ok chin and bite. Lovely eyes for colour and developing well. Blue coat that again was developing well and was fairly even in tone and was a shade long on texture . pretty babe just a bit shy on the day I am sure she will relax in the future. Presented well and lovely gentle temperament.

AC Non Breeders Neuter

1st Hardy's Gr Ch and Gr Pr Pippastro Jay Silverheels OLH ds 11 MN

Handsome chap of superior type and style reclining in his double pen. Super head with large well set ears strong noble profile with good chin and even bite. Long body just lacking a shade in elegance now as he obviously like his food. Long limbs showing elegance too although as with many OLH they have big feet. Lovely coat for colour with the silver pushing way up the hair shaft and the red on the edges giving the impression of watermark silk which is impressive and the length was also good across his torso and fringing around his neck. Good plume to finish although I note it needs an inch for balance – lovely chap who I enjoyed seeing very attractive and super condition and temperament.

AC Oriental Junior Neuter

1st Edwards Hemlock Avantador OSH b MN

This lad is stunning, he has for me type, style and personality plus. I could have quite happily sneaked him In my pocket. He has a longer wedge set with widely aligned ears set well on his even wedge, lovely depth to his wedge with fabulous profile that runs from the back of his head to his nose tip. Gorgeous eyes for colour with an inscrutable expression. Long oh so elegant body but firm and muscular with it and a super mid chocolate Havana coat that was mainly sound especially for this time of year. He had such a glossy shine to his coat and it was a super length. My take home cat today Congratulations to his owners as it is no mean feat to present a cat like this. He is a testament to you. Thank you for allowing me a cuddle.

2nd Masters Enigmatic HeSovain OSH n MN

Another lengthy chap and stylish too but not quite the same laid back temperament in fact he was decidedly grumpy which made him look fabulous but made him difficult to examine it was late in

the day so I did give him the benefit of the doubt as he was lovely and had super eyes and coat for colour. Coat that was sound and well prepared.

AC Siamese/Balinese Adult

1st Palmers Gr Ch Drestothril Debussie Sia n M

Handsome chap of very good type and style of super colouring and expression his coat was a shade dry and harsh on back but overall he is an excellent specimen and was presented in super condition. Charming aloof temperament.

Lovely lady for type and style but very dark for chocolate . Such a sweet temperament and super condition and body type.

3rd Rathbones Trabren Ishibee Hamish Sia a M

Rather tetchy male of good type but rather suffering from being close to the ladies and ideally could have done with a bit more of a spruce up before the show as he was decidedly 'studdy' in the aroma stakes.

AC Siamese / Balinese with 1 or More CC's

1st Sidnells Tenaj Seeking Magic Sia m 21 M

Stylish adolescent boy with length everywhere and a very attractive expression super head for length and depth with super eyes for colour and expression. Lovely long elegant neckline with excellent length to his muscular body. Clear markings to face and leg with clear M and tail rings. All traced in a good sludgy caramel tone with matching shading to his coat that was a good texture if a trifle long along the spine. Lovely temperament and condition.

2nd Calloways Siamazing Serendipity Sia n 21 F

Grumpy young lady who did herself no favours by moaning whilst I was handling her. Typewise mainly good with medium wedge slightly pinched with a slight dip to profile. Long elegant body with long limbs and tail to balance. Cool dark seal tabby points well marked and clear and showing contrast to her cool beige coat. Presented well.

3rd Rathbones Trabren Ishibee Hamish Sia a M

What a lovely baby, lovely type and style and such an endearing personality. Lovely even wedge with large well set wide at base ears, gorgeous expressive eyes of good blue set well. lovely profile line with good chin. Lovey long elegant neck with developing body with dainty feminine limbs and whip tail to balance. Soft fawn tortie points showing mingling in varying shades of cream this is developing and will become clearer with age. Unshaded baby coat of super texture. What a doll my notes say and she certainly is. One of my favourites today and presented in sparkling condition.

1st Woe's Gr Pr Cosita Bruno Tonioli Sia a 21 MN

Handsome stylish lad of superior type and style but very grumpy and not easy to handle. Medium wedge with large well set ears set widely aligned on his wedge with good depth to skull. Lovely

eyes of a gorgeous colour and shape flashing with his mood. Long muscular body with super condition and lovely coat texture. Blue tabby points all well traced and marked in a dark blue well contrasted against his lightly shaded coat of a cool tone. I had the pleasure of making him Best Siamese Neuter which he well deserved – and Ran the Tortie Adult close for overall siamese.

2nd Chancellors Johpas Petit Bisous Sia d MN

Charming youngster with everything in the right place just needing to butch up now in order to compete with the big boys, he has a lovely look and was presented in impeccable condition. Type wise he is very attractive and has lovely points colour in a palish gold all well matched apart for the feet (I note these are quite big to grow into) Lovely temperament and condition.

AC Siamese Balinese Non Breeders Neuter

1st Ellis Gr Pr Styperson Crackerjack Sia m 21 MN

Another handsome chap and looking very good today super expression and substance just a little straight and deep set in the eyes for my but apart from that very attractive.

2nd Webbs Pr Tenaj Merlin Sia a MN

Attractive young cat of good type and style but ideally needing to look more mature for his age – obviously has done very well and quickly to get his title and now I think needs some time to come together before he becomes a full contender in the Grand class.

AC Siamese Junior Neuter

1st Greens Belroo Montalbano Sia p MN
