

Sean Farrell. Shropshire Cat Club. 7th February 2015.

Thank-you to my steward Sue, we had a lovely day.

AC Burmese Champion Adult Male:

GrCh. Pallister's CH PENWYNKATZ NEW ROMANTIC (27) (18/4/13. M)

Gently rounded top of head between medium-large sized ears of good shape. Short blunt wedge. Good nose break. Short straight nose to the tip. Medium depth to the level chin. Very neat bite. Large lustrous chartreuse eyes of good shape and set well apart. Good weight and size to the body. Neat oval paws on slender and proportionate legs. Straight tail of good length with a paint brush tip. The brown coat is fairly short, close lying and satin like in texture. Excellent temperament.

GrCh Res w/h. Clarke's CH NEMOREZ THE PHANTOM MENACE (27) (8/4/13. M)

Slightly flat top of head between medium -large sized ears of good shape. Fairly short blunt wedge. Good nose break. Straight nose to the tip. Medium depth to the chin, slightly set back, unable to check bite as he was quite upset. Chartreuse eyes I would have preferred them to be more open and more fullness to the shape. Medium size to the body and of good weight. Neat oval paws on slender and proportionate legs. Straight tail slightly short to balance. The brown coat is slightly open in the cold hall.

AC Burmese Champion Adult Female:

Gr Ch. Marshall's CH MILLGILL GENTLE GRACE (27c) (2/4/12. F)

Excellent temperament. Gently rounded top of head between medium sized ears of good shape and set. Short wedge blunt at the muzzle. Distinct nose break and a short straight nose to tip. Medium depth to the level chin. Level bite. Large lustrous chartreuse eyes of good shape and set well apart. Medium sized body of good weight with slender, proportionate legs and neat oval paws. Straight tail of good length to balance with a rounded tip. Short, fine, close lying lilac coat with a satin like texture.

Res Gr Ch McCormick's CH FLOREAT ELLA FENELLA (27) (12/2/13. F)

Excellent temperament. Nicely rounded top of head with medium sized ears of good shape and set well apart. Short wedge blunt at the muzzle. Good nose break and a short straight nose to the tip. Medium depth to the level chin. Large, lustrous yellow to chartreuse eyes of good shape and set. Almost medium size to the body feeling heavier than the appearance indicates. Slender, proportionate legs and neat oval paws. Straight tail of good length with a rounded tip. The brown coat is short, fine, close lying and satin like in texture.

Brown Tortieshell Burmese Kitten:

1st & Bob. Bradley's SHIVARENE RIVERSONG (27e) (10/6/14. F)

Gently rounded top of head between medium-large sized ears of good shape. Short wedge blunt at the muzzle. Good nose break and a fairly straight nose to tip. Medium depth to the level chin. Level bite. Large lustrous chartreuse eyes of good shape. Nice sized body of good weight with slender, proportionate legs and neat oval paws. Straight tail of good length to balance with a rounded tip. Fairly short, fine, close lying brown tortie coat just a trifle open

today. Lovely nature.

Bob. Entered for bob only.

Catterick's Ch & UK IGRPR PR GATTINI LA LUNA (27) (29/9/09. FN)

Gently rounded top of head between medium sized ears of good shape and set well apart. Short blunt wedge. Good nose break and short straight nose to tip. Medium depth to the level chin. Level bite. Large lustrous chartreuse eyes of good shape and set. Medium sized body of good weight with slender, proportionate legs and neat oval paws. Straight tail of good length to balance. Short, fine, close lying brown coat just a little ticking. Good temperament.

Cream Burmese Neuter:

Bob. Entered for bob only.

Robinson's Gr Ch & UK OBIGP MOLYNMEUX GOLD DUST (27f) (23/12/08. MN)

Excellent temperament to this boy. Gently rounded top of head between medium sized ears of good shape and set. Short blunt wedge. Distinct nose break with a short straight nose to the tip. Medium depth to a level chin. Few teeth missing. Large lustrous chartreuse eyes of good shape and set. Very well fed body of good weight with slender, proportionate legs and neat oval paws. Straight tail just short to balance. Short, fine, close lying cream coat well groomed and looking great.

Bengal Brown Spotted Adult:

1st CC & Bob. Whitmore's VELA RHO INDUS (76 30) (27/1/14. M)

Striking bengal cat, lovely profile, correct sized head, lovely shaped eyes, pencil lines on cheeks, "M" on forehead, vertical streaks over the top of the head, super distinctly marked rosettes and spots with lovely contrast, good weight and size to the body, tail carried low, rings on tail and a dark tip. Very nice temperament.

2nd Jones' LEOPARDSVIEW LONE RANGER (76 30) (18/7/13. M)

Lovely looking bengal cat. A good temperament. Good head type, hazel eyes a little too full in shape today, correctly sized and proportionate head, pencil lines on cheeks, "M" on forehead, with vertical streaks over the top of the head, well defined rosettes and spots, good size and weight to the muscular body, proportionate legs, tail carried low with rings and a dark tip.

Bengal Brown Spotted Neuter Male:

1st & PC. Holden's BUNDARA ABU (76 30) (24/2/14. MN)

Excellent temperament, sold himself. Long sleek and muscular, medium-large sized body with strong legs and large rounded paws. Good length to tail, thick and even and carried low, dark rounded tip. Short-medium length coat, dense with a soft and luxurious texture. Well defined rosettes and spots on a golden rufus ground colour with gold dusting. 閃 • on forehead, pencil lines on cheeks and vertical streaks over the top of the head. Rings on the tail and clear spots on the tummy. He has broken lines and spots on his legs down to the toes. Broad medium wedge with rounded contours and high cheek bones. The head is correctly small in proportion to the body and longer than wide. Gentle curve from the forehead to the bridge of the nose

and a slight concave curve in profile and straight to the tip. Large broad nose, puffed leather. Firm rounded chin. Ears of good size and shape, wide at the base and rounded at the tip. Green, full almond shaped eyes slanted towards the base of the ear.

2nd. Cheal's TOBYSDEN TERESCHENKO (76 30) (19/4/2014. MN)

Broad medium wedge rounded contours. Head longer than wide, small in proportion to body size. Broad nose with puffed leather. Medium breadth to the muzzle. Thick muscular neck. Slightly large ears of good shape. Green eyes full, almond. Good sized matured body. Tail of good length with rings, carried low, thick and even with a dark rounded tip. "M", vertical streaks over the top of the head, necklace. Nice spots and good contrast with some lovely rosettes. Good temperament.

Bob Winder's CH & PR SOUTHLAKES SHEER KHAN (76 30) (7/4/13. MN)

For bob only. Lovely brown spotted chap, good natured. Body of good size and weight. Medium length tail, it is thick and even and carried low with rings and a dark rounded tip. Short to medium length dense and luxurious coat. Good contrast to the spots and rosettes. White specs and chin. Pencil lines on cheeks and vertical streaks over the top of the head. Broken lines and spots on legs down to the toes. Medium wedge with rounded contours and high cheek bones.

Bengal Brown Spotted Neuter Female:

For bob only. Quinn's PR BUNDARA NIKITA (76 30) (30/8/13. FN)

She just had a touch too much of the wrong face shape for me. Ears medium-large. Good natured. Body size is fine. Medium length tail, it is thick and even and carried low with rings and a dark rounded tip. Short to medium length dense and luxurious coat. A little less contrast to the spots and rosettes. Pencil lines on cheeks and vertical streaks over the top of the head. Broken lines and spots on legs down to the toes. Medium wedge with rounded contours and high cheek bones. Tail a little on the thin side at present.
