Well another great day at the show today. No Olympians for **IGMC JAXSEN** but a fab class of 7 & 6 in each show. He did however much to my surprise bag the BIC from the Shropshire show and also got 2nd best groomed and 2nd best adult Ped pet in the Gwynedd club class. Very please with him as always, and as I say it every time I never ever thought we would get this far in his show career. He has been showing for nearly two years now.

Well done to my sister Hollie-Mae's Devon Rex **KINDAPOSH MARGARET** who gained her second PC

Also a BIG congratulations to the gorgeous **MAGICAL MIST EVIE** who belongs to my friend Carol & pending GCCF she has gained the MC title in two straight shows. Not forgetting my special friend Bev Collins who's pedigree pet SKY got made up to MC and gained OVERAL HOUSEHOLD PET.

Well done to all my other great friends on their results

UK OB IGRPR Kolinga Bluebella

I had an unexpected good day getting an Olympian at the Shropshire show and a Reserve Olympian and the Gwynedd show. So Bella now has 8 Olympians and 9 reserves. And to cap it all she was overall best British in the Gwynedd show, so she now has 8 BOV's. So thank you to all the judges who awarded her these titles. I also had in my charge for the day **Kolinga Callabro** who got 2 more cc's to make her up to champion and she will not be a year old until 20th March. Her litter sister **Kolinga Back to Black** got 1 CC so she still has one more to get so well done to them. They were well behaved on the journey to and from the show so thank you Colleen and Andrew as always for Bella and allowing me to take your two young ones to the show.

So proud of our special pedigree pet boy, **IGMC Sr Joshua Purkins**, who won his 5th Bronze Olympian certificate yesterday so can now, subject to GCCF confirmation, add that title to his name. A total surprise as we really never expected to win, especially against the other 5 super boys, cannot thank his judge, Sheila Calloway, enough. Many thanks also to the other 4 judges along the way who made it possible – John Wilshaw, Anne-Marie Heath, Sue McParlin and Janet Wilshaw.
