

SHROPSHIRE CAT CLUB / GWYNEDD CAT CLUB 7TH FEB.2015.
SHEILA P HAMILTON

Many thanks to JANET TONKINSON and her Assistant AIDEN GILEN and to MRS ROSE, MRS PRESCOTT and Miss ATKINSON for their very kind invitation to judge at their Joint Shows. It was a very busy day with many lovely cats to judge, congratulations to all concerned for a very successful event. I was very fortunate to have working with me a very able steward DR LEE TIPTON who is an up and coming candidate on the stewarding scheme. He handles the cats with dedication and expertise giving me his undivided attention throughout the day. Many thanks Lee, I look forward to working with you again.

SHROPSHIRE CAT CLUB CLASSES

OLYMPIAN CLASS A.V IMPERIAL GRAND CHAMPION FEMALE 11 present
1ST & OLYMPIAN CERT TO CANNELL IMP.GR CH SPIRRITZ TARTAN
TREMBLER MCO F O3 30/11/08

A superb girl for strength, presence and excellent Maine Coon type. Excellent expression complimented by her large eyes of correct shape and setting. Excellent ear placement, proportions and furnishings. Strong rectangular head with corresponding nasal curve, muzzle and deep chin. Substantial, rectangular body balanced by her lengthy sturdy legs and excellent long and bushy tail. Excellent tortie and white pattern offering excellent contrast with attractive vibrant effect. Excellent coat, ruff and knickerbockers. Excellent temperament and condition. A very impressive girl shown in superb condition. She was a pleasure to judge and to give her the highest award.

RESERVE TO HACK UK & OBIGC SUPATOFT SONYA SOL N F 9/3/10

Another well developed girl of mature and well balanced lines. Excellent strength and type to both head and body. Well cupped ears. Almond shaped, green eyes showing very good expression. Having a level bite and with a tapering, firm chin. Well defined contours. Firm yet feminine body of very good weight and muscle tone. Well balanced tail and limbs. Excellent coat colour and pattern showing well defined facial pattern, darker spinal area leading to length of tail. Very good markings to heels and hocks. Ticking shows good definition. Very good temperament and presentation.

IMPERIAL CLASS A.C GR CH ORIENTAL MALE ADULT

1ST & IMP. CERT TO TASKER GR CH LORICHA BUNDOOK BOY OLH NS 11
MALE 29/12/09

Well spaced and proportionate ears with well established furnishings. Very good length to head, even lines to the muzzle, level bite and with a firm chin. Very good eye shape and colour. Head shows overall very good strength, balance and masculinity Long body complimented by very good length to limbs and lengthy bushy tail. Very good neck carriage. Clear silver/shaded pattern with very good colour and texture. A rather shy boy of shown in very good physical condition.

RESERVE TO JONES GR CH SARAMESE SUMMER SENSATION OSH A 24
MALE 23/5/13

Having fairly strong and masculine head but would have been enhanced by slightly more depth to his chin Lovely green tone to oriental eye shape with correct setting and expression. Almost straight profile. Level bite and straight lines to the muzzle.

Long, firm and masculine body with very good length to limbs and having a long, well ringed and tapering tail. Spotted pattern could be more defined – more difficult to achieve in blues. Very good coat texture of a darkish blue tone. Very good temperament, physical condition and presentation.

IMPERIAL CLASS A.C GR CH ORIENTAL ADULT FEMALE
1ST & IMPERIAL CERT TO WEBB GR CH CHANTEUR SHADY LADY OLH F
11 6/9/12

A delightful girl for temperament, initially hesitant but soon responded. Was well prepared and presented and is in very good condition. Medium length to head with even lines to the muzzle and having a firm chin. Well placed and proportionate ears. Very good eye shape, colour and setting. Straight profile and with a level bite. Overall has a well balanced head of unexaggerated type. Firm, feminine body complimented by her lengthy slender limbs and very good length to tail. Seasonal coat and ruff showing very good texture and pattern.

RESERVE TO HELM GR CH VELVETEENA FAWNYKACHON OSH P F
31/5/12

A generally pleasing girl with head not quite as correct as the winner. She was well prepared and presented and of a very pleasing disposition. Good length to head with well placed and proportionate ears. Very good eye shape, colour and setting. Slight pinching to her muzzle and requiring slightly more depth of chin to strengthen the balance of her head. Long, lithe and elegant body with very good neck carriage and lengthy, slender legs. Excellent long, fine and tapering tail. Very good fawn coat colour, quite sound to root. Sleek and close lying well textured coat.

IMPERIAL CLASS A.C SIAMESE/BALINESE GR CH ADULT MALE
1ST IMPERIAL CERT TO PALMER GR CH DRESTOTHRIL DEBUSSIE SIA N
MALE 14/3/09

A delightful boy for temperament, he was shown in excellent physical condition with long, lithe body within a slightly slender frame. He is however very well balanced throughout and was presented to advantage. He looks better every time I judge him. Very good length to head with well placed and proportionate ears. Very good shape and expression to deep blue eyes, marginally deep in setting. Even lines to the muzzle and showing good depth of chin. Correct body lines with well balanced and slender limbs and tapering tail. Very good neck carriage. Warm, pale seal brown tonal shading to sleek and well prepared coat. Dense seal brown matching points colour.

NORWEGIAN FOREST ADULT MALE
BOB TO HUGHES CH FAVORITE DUMMY KOT* POL NFO NS O9 21 MALE
17/4/12

A very handsome and well matured boy of strong boning and was showing overall very good type to both head and body. Very good triangular head shape with straight profile and good depth to his chin. Well placed and well furnished ears. Correct eyes for size, shape and setting completed by his very good expression. Long body with very good muscle tone. Sturdy length limbs with well defined feet tufts. Good length to bushy tail. Very good coat density and texture. Well established ruff and knickerbockers. Very good temperament and condition.

1ST CH STEVENSON/BRAMLEY TALVARNA LONE RANGER NFO 0921
MALE 11/4/14

Just adult and still developing boning and masculinity. which for his age is quite impressive. Very good temperament, condition and was shown to advantage. Adolescent, triangular head with straight profile and good depth to chin. Large, tall and well furnished ears. Smallish orb to the eye which denies him slightly of the desired N.F. expression. Bite is level. Excellent length, boning and budding masculinity for his tender age. Very good density of coat which is of a good texture- ruff and knickerbockers are well through Superb thick, long and well furnished tail. A promising young fellow.

2 MORGAN TALVARNA ESPEN OF ZIVANNAZ NFO NS 09 21 MALE 1/3/14

Slightly older than the winner but for me has not yet achieved quite his strength of head. He was well prepared and presented and was shown in very good condition. Adolescent triangular head with proportionate ears held slightly low for his age. Straight profile, level bite but his chin ebbs denying it of strength and masculinity. Bite is level. His body development is better – he shows very good boning and muscle and for his age is weighty and has good budding masculinity. Sturdy legs, large feet and well tufted toes. Good long and bushy tail. For his age the coat length and density are well through. Very good coat texture.

3 ELMS NOYNROCK TORRO NFO N 09 21 MALE 21/9/13

Oldest of the three youngsters - he was shown in very good physical condition and the body length, strength and masculinity shows promise and strength Very good length to bushy tail. Head as yet needs to develop more strength with balance upset by his shallow chin. Well placed and well furnished tall ears. Large, well set, expressive eyes of a good green colour. Coat length is coming through well as is the density. Excellent coat texture.

NORWEGIAN FOREST ADULT FEMALE

1 CH HUGHES NORSKMAGI BETTIBOO NFO NS 09 21 FEMALE 28/4/14

Good triangular head lines complimented by her straight profile. Chin needs a trifle more depth to balance the head. Tall and well furnished ears. Large and expressive green eyes. Very good body length with corresponding limbs and bushy tail. Very good coat development for the age given with length and density are well through and with very good texture. Excellent temperament and condition.

2 GRANT NOYNROCK JOELENE NFO NS 09 21 FEMALE 28/3/14

A very good girl for size and general development. Correct triangular head but she requires slightly more depth of chin to perfect its balance. Very good ears for placement, proportions and furnishings. Large eyes, well set and showing typical expression. Bite is level and her profile is straight. Long, feminine body showing very good balance with limbs and tail. Well coated with breeches and ruff well through Was well prepared and presented. Very good temperament..

3 ELMS NOYNAROCK TALUA BELLE NFO G 09 FEMALE 6/7/13.

Ear placement letting her down at present- proportions are good but they need to be held higher at this stage of development. Excellent profile. Very good eyes for shape, size and expression. Good body length with corresponding lengthy limbs and bushy tail. Good density and length to coat with very attractive pattern. She handles well and was well prepared and presented.

ORIENTAL TORTIE ADULT

BOB TO ENTWISTLE CH GABLME LAWAN KANIKA OSH H FEMALE
26/3/13

She looks better in the pen when she relaxed her eyes to a better oriental shape which are of a very good green colour. Good length to head with straight profile and fairly even lines to the muzzle. Large and well placed ears with good wide base. Bite is level but her chin ebbs slightly.

Very good body lines complimented by her long and slender neck, lengthy fine legs and with excellent length to tapering tail Sleek and close lying coat showing very good intermingling of colours. She was well prepared and presented and of a very good temperament.

ORIENTAL LILAC KITTEN

1 BOB DEBOWSKA JUANNRE JUST JADORE OSH C FEMALE 18/10/14

A very promising and delightful young kitten just old enough for showing. excellent type and balance throughout. Long and typical head enhanced by her excellent ear placement and proportions. Very good eye shape, setting and expression- eye colour is still settling. Straight profile. Bite is o.k. and her chin is firm. Long, baby body with long neck, overall budding elegance and very good length to slender legs Tail is long, fine and tapering. Short, baby coat of a clear lilac colour. Delightful character- she was well prepared and presented.

ORIENTAL RED KITTEN

1 BOB MASTERS ENIGMATIC TANGERINE DREAM OSH MALE 21/8/14

Shows excellent head lines enhanced by his strong profile and excellent depth of chin. Very good length and strength of head for his age. He shows large and well flared ears. Vivid green eyes with shape and setting complimented by his very good oriental expression.. Long and slender neck leading to a lengthy and well toned and well balanced body. Excellent length to slender limbs and with a long fine and tapering tail. Sleek and short coat with spotted pattern still to fade rather more. Vivid red base colour A lovely kitten showing style and promise. He was shown to advantage and is in excellent physical condition.

ORIENTAL SPOTTED TABBY NEUTER

1ST PR EDWARDS HEMLOCK ALFREDO FERRARI OSH B MN 5/1/14

A handsome fellow showing overall style, masculinity and very good type and balance throughout. Very good length of head with large and well flared ears. At present he shows slight pinching to the Muzzle but the bite is level and his chin is firm. Vivid green oriental eye shape with typical expression. For his age his body development is excellent- he is long, muscular and masculine in a typical oriental frame. Very good length and taper to well ringed tail with solid tip. Excellent spotted pattern throughout- clear and well formed. Facial pattern shows clarity and good formation and his legs are well marked. Close lying and sleek coat of a very good texture. Excellent temperament and condition.

LILAC POINT SIAMESE KITTEN

1 BOB STEPHENS/JOHNSON VELVETEENA TARA KING SIA C F 14/7/14

A trifle on the dainty side for the age given but she had quite a lot going for her. Good length to head and with well placed and proportionate ears. For me the eyes are a trifle small and straight set but of a good blue colour. Profile is almost straight, bite is level and the chin is firm Good body proportions with correct length to slender limbs

and with good length to tail. Frosty pink points with subtle contrast to pale magnolia coat colour which as yet is still at the baby long and slightly course stage. A subdued girl –she was well presented.
