

SHROPSHIRE CAT CLUB – 7TH FEBRUARY, 2015

MRS. PAT PERKINS – SHOW REPORT

Many congratulations to the Shropshire and Gwynedd Clubs and their 1st. back to back show, there was a good entry and some lovely exhibits. Thank you to Janet and her hard working team for the invitation. Special thanks to Pat Parrish for all her help and careful handling of the cats.

IMPERIAL – AC PERSIAN GR. PR. NEUTER - MALE

IMP. TONKS GR. PR. ZENDIQUE ZEBEDEE – PER d 03 22 (15/10/13) Red/White Tabby Bi-Colour shown in lovely condition, he was a big cuddly boy with a super temperament. Cobby solid body and thick strong legs, paws large and well feathered. Broad rounded head, his ears neat, almost side set and with lots of furnishings, big wide open expressive eyes of a rich copper, nose broad and short with good break, full rounded cheeks, firm chin. His coat was long and flowing, groomed to perfection, rich red to head, body and legs, pristine white on face and chest, tabby to head and slightly on legs, short wide red tail – grand boy to handle.

PERSIAN BLUE ADULT – MALE

1ST. CC & BOB WHITES ANNASHIRBELLA BLEU – PER a (9.6.13) Solid well made boy wearing a very well groomed soft flowing coat, the colour a pale even blue, so nice to see this pale colour. Cobby strong body and thick short legs, large tufted paws, his tail in balance short and full. Broad masculine head with small side set ears, lots of feathers, his nose broad with a strong break, big leather and open nostrils, lovely eyes, large round and deep copper. His coat beautifully presented, frill framing his head – a quality lad who was so laid back.

FEMALE

1ST. & CC NICHOLAS BLUEBERRY KISS OF PROUD2B - PER a (22.3.14) A most attractive young lass, very feminine expression with large wide open deep orange eyes, her head rounded with good width, small ears well furnished, full rounded cheeks, firm chin, nose short with ample break. Cobby build, thick set legs and big feathered feet, breadth to chest, tail short and full balancing to body. Very soft well perfectly groomed coat, the colour a darker blue than the boy's but sound and even – delightful little lady at just over 11 months very promising.

PERSIAN CREAM ADULT

BOB PRIESTLEYS GR. CH. PICTUREBOOK GOINGFORGOLD – PER e (25.6.12) Compact lady with a rounded top of head, small ears very well furnished, her nose short and broad with good break, big round eyes of a strong orange, firm chin, lovely expression. Her coat very long and flowing, the colour a warm cream, rather shady underneath, full ruff from her neck to chest – very well shown.

2.

PERSIAN BI-COLOURED ADULT – MALE

1ST. CC & BOB COOKS PERUBIEL BATHAZAR – PER n 03 (12.8.13) Striking Black/White Bi-Colour boy. He has strength of bone, cobby body, thick short legs and big well tufted paws. Breadth to head with neat ears with lots of white feathers, nose short and wide, good break, level bite, his chin firm, large round eyes the colour a tad pale, wide open alert expression. Nicely groomed long coat, pristine white to face, chest and paws, white patch on back, sound dense black to rest of body and head, short wide black tail – lovely lad to handle.

FEMALE

1ST. & CC HUGHES ADURTLO SWEETDESTNIY- PER a 03 (22.4.13) Blue/Bi Colour only just 9 months but nice and compact with good bone, rounded paws. Lovely soft plushy coat of a mid blue, white triangle to face, blue to chin, legs and part of chest white, blue body and short full tail, ruff developing round face. Rounded head with tiny feathered ears, large round eyes the colour deepening from centre, short wide nose, good break, level bite and firm chin – gentle little lady,

2ND. MANNINGS VIBRATIONS KATY PERRY- PER a 03 (21.7.11) Mature Blue/Bi Colour, cobby lass with strength to limbs and paws. Withd to top of head, ears neat and feathered, nose broad, short with a strong break, big round mid orange eyes, firm chin. White to face, paws and on back, the blue a little shady at present – lovely temperament.

PERSIAN AV TABBY, SMOKE, CAMEO & WHITE ADULT – MALE

BOB MURRAYS CH. CULLYKHAN HERCULES - PER n 03 21 (3.9.13) Cracking Brown Tabby & White shown in his usual immaculate condition. Long flowing coat the white pristine, tabby on head and short full tail. Solid muscular build, thick short legs and big paws. Broad masculine head, well feathered ears, firm chin, full cheeks, big wide open eyes of a mid orange, nose short with ample stop, lovely balance to his head – delightful lad to handle.

1ST. & CC CHARLANS ALGERNON WALKTHELINE – PER a 03 21 (11.4.14) Super Blue Tabby & White only a youngster but already a good solid cobby build, short sturdy legs and paws round with feathers. Width to top of head, small ears almost side set, again well furnished big expressive round eyes the colour deepening well, his nose short, broad with a nice stop, firm chin, level bite. Lovely coat of the palest blue and pristine white, M to forehead, lines from eyes, mushroom ground, spectacles round his eyes, tabby to legs and short blue tail - definitely one to watch.

PERSIAN BLUE-CREAM ADULT

1ST. CC & BOB SOUTHALLS ITZYBELLE BELLAMORE – PER g (24.7.10) Sweet lass quite shy, her coat was so very soft and long with a full frill framing her pretty face. The colours mid blue and warm cream, all legs and feet broken, coat intermingled, face patched, bushy short tail, the blue darker than on the body, slight cream showing. Small but compact build, thick short legs and rounded paws. Nice top of head, her ears neat, quite short nose with good break, firm chin, round eyes of a sound orange, level bite – well shown gentle little lady.

AC SILVER SOMALI ADULT

1ST. & CC. HORNERS SURFIN BLONDE BOMBSHELL – SOL os (9.3.14) Most attractive Sorrel Silver youngster. Her coat showing even soft cinnamon ticking on a silvery peach base, spine line developing, tail tip dark cinnamon, heels darkening. Long broad based tail, slightly tapered. Good head development for her age, ears set nicely apart, cupped and pricked with pale cinnamon inner furnishings, slight nose break, firm chin, lovely large almond shaped eyes, a warm hazel colour, dark surround with light spectacles, pencil lines from sides – friendly lass.

AOC SOMALI ADULT – MALE

BOB BURNS IGR. CH SOMANTIKKS FURRERO ROCHER - SOL b (18.4.11) Chocolate lad who was a little on edge today. His coat showing even chocolate ticking on an apricot base, just a little harsh on lower back, nice ruff and breeches, spine line evident, heels and tail tip chocolate. Mature wedge shaped head, his ears cupped, set nicely apart, bright expressive hazel eyes with inner dark surround and lighter spectacles, slight break to nose, firm chin.

Also considered for bob

BURNS GR. CH. SUPATOFT SOMANTIKKSJAZZMYN SOL a (10.4.12) Blue, a most attractive lady, well developed balanced head, her ears wide set, broad based and cupped, bright almond shaped eyes, surrounded by spectacles, firm chin and a slight profile dip. Coat soft but dense, even blue ticking on a base of warm mushroom, tail long slightly tapered with a dark blue tip – gentle lass.

AC SHORT HAIR SOMALI – ADULT

1ST. CC & BOB TAYLORS BRIZLINCOAT LIBERY – SOS n (26.2.09) Usual girl who was starting to feel romantic today, moderate wedge to head, her ears cupped and pricked set well apart, lovely expressive almond shaped eyes, surrounded in black with lighter spectacles, firm chin, slight nose break. Her coat close and dense evenly ticked in black on an apricot base, heels and tail tip black. Firm body with oval feet, her tail thick at base, with a rounded tip – vocal lass but she was good to handle.

MAINE COON SILVER TABBY SERIES – ADULT

1ST. CC & BOB BURGESS JINGLE BELLS REDADAIR – MCO ds (22.2.14) A most promising Red Silver Tabby young man, already has a strong head with a masculine expression, high wide based ears, well furnished and tipped, square muzzle, level bite, his nose broad with a gentle concave curve, bright oblique set eyes. Long lean body with high strong legs and large slightly tufted paws. His coat well groomed, tabby markings to head, slight rings to legs and on long flowing tail, warm red markings on a silvery red ground, frontal ruff developing – well mannered boy.

4.

SEAL POINT BIRMAN KITTEN

1st & BOB KAYS KLAWNIQUE RE-LIGHT MYFIRE – SBI n (15.5.14) Well developed female neuter girl. Long body, her limbs thick set, medium in length short strong paws. Skull broad, just a little pinched at muzzle, medium ears set nicely apart, nearly round eyes of a strong deep blue, medium length to nose which has a slight dip, firm chin and level bite. Sound seal to ears, mask almost covering face, paws and legs a touch lighter seal, tail bushy and balancing to body, showing some slight brindling at present. Gauntlets even, almost to hock joint, the right glove quite short but covers toes, socks even and covering feet- happy youngster

AC COLOURPOINTED OR MITTED RAGDOLL NEUTER

BOB QUINNEYS GR. PR. TUMBLERAG TOP N TAIL – RAG a 04 21 (8.9.11) Mitted Blue Tabby lady, mature and well developed, bright alert expression. Head broad with a flat plane to forehead, ears slightly forward tilted, medium nose with gentle dip, slightly oblique large eyes of a sound blue. Long body and strong limbs, big paws. Silky dense coat of a bluish white, greyish blue to mask and bushy ringed tail. M to forehead, spectacles and eyes lines, white matched mitts on paws, white on back legs to body.– well shown gentle lass

1ST. & PC SPENCE BLUDIAMONDS TYGRA – RAG a (5.3.14) Attractive Blue Colourpointed youngster at 11 months already showing good development. Her head is broad, ears wide based with a slight tilt, flat plane to forehead, eyes set slightly oblique the colour a sound blue. Firm chin and level bite, cheeks filling out, nose medium in length showing a slight dip. Silky coat a very pale bluish white, clear no shading, mask nearly complete the colour greyish blue, as were her ears, slightly paler on legs, tail long balanced to body, again a greyish blue, nicely furnished – friendly girl.

MALE

1st. & PC FOSTER AND SMITHS BLUDIAMONDA PANTHRO - RAG a (5.3.14) Grand Blue Colourpointed boy brother to Tygra, well grown at 11 months, length to body and substantial legs and large paws. Broad head with a flat plane to forehead, his ears set nicely apart, wide at base and well furnished, large expressive oblique set eyes of a warm blue, nose medium with slight dip, chin firm, good bite. Silky but dense coat of a very pale bluish white, some very slight shading to back, ears and complete mask a soft greyish blue, long bushy tail slightly tapered, again a soft greyish blue – 2 lovely cats, very well shown and both with good temperaments.

2nd. HUGHES MAGISRAGI KATO – RAG n (4.6.11) Solid mature Seal Colourpointed, long strong well padded boy, strong medium legs and large paws Broad head with ears wide based and slightly tilted, flat plane to forehead, eyes slightly oblique a mid blue, strong chin. Medium length to nose which had a slight dip. Very full well groomed coat, quite shady to back, paler to sides, complete rich seal mask and ears, legs a strong seal, his tail long and full, a dark seal, slightly tapered – a very gentle boy, pleasure to handle.

AC BI-COLOUR RAGDOLL- NEUTER

BOB HORTONS PR. APPLAUSE COTTONKANDI – RAG g 03 (7.3.11) Blue Tortie Point B-Colour, well balanced lady, good substance, Length to body and medium strong legs, large paws. Mature broad head, nose medium in length with a gentle dip, flat plane to forehead, large oblique set to blue eyes, firm chin, her ears, wide based, set well apart slightly tilted forward. Well groomed coat the body creamy white, white triangle to face, white paws, chest and tummy, attractive pastel blues and cream to face, ears, long bushy tail with shades of blue and cream, tail in balance to body slightly tapered – well shown gentle lady.

AC RAGAMUFFIN NEUTER ASSESSMENT – MALE

1ST. BOB & MERIT ARCHERS FILENSIO FALCO COLUMARIUS – RAG a 03 21 Blue Tabby & White (Tonk. Colour restriction) (14.4.13) Nicely developed boy, good breadth to skull, his ears set to side of head, firm chin, nose a good width with nice break, large expressive eyes of a greenish hue. Sturdy build, strong legs and rounded paws, breadth to chest. His tail full, in balance to body and slightly tapered. Lovely plushy feel to his coat, excellent texture, full undercoat, ruff around his neck. Pristine white to face, paws and bib, tabby markings showing, M to head, spectacles round eyes - easy going boy.

FEMALE

1ST & MERIT ARCHERS FILENSIO PANDORA CHARM – RGM ns 03 21 32 Black Silver Tabby & White. Attractive lass good breadth to head, ears set well, nicely furnished, nose wide with break, puffed whisker pads, large eyes, spaced well apart, full slightly tapered chin. Medium length coat of a soft plushy texture, good undercoat, full plume of a tail, slightly tapered. Lovely black tabby markings on a silvery ground to head and body, M to forehead, spectacles round eyes, butterfly marking on shoulders. Strong bone and substance, strong legs large round paws. Lovely presentation on this lady who had a super temperament.
(2 nice examples of the breed)
