

Marlene Buckeridge
Kentish Cat Society Show 21st October 2017

Many thanks to Helen, Sean & Sue for inviting once again to my local Show. Thanks also to fellow judge Caroline Roberts for taking such excellent care of me on the day – I enjoyed your company and hope we can do it again sometime.

Ocicat Adult

1st CC & BOB Maudlin's Modi Amagitsune*RU (OCI ns) M 18.11.16 Black Silver Ocicat. A very timid boy although absolutely not aggressive in any way. Much happier back in his pen. He has moderately large ears which are wide at the base and set neither too high nor too low. His head is a modified wedge with a strong slightly square look to the muzzle. He has quite large almond shaped eyes which a light amber shade. He is a strong boy of good size and weight. His fairly long slightly tapered tail is in proportion to his body. His body is clearly spotted, with good facial markings, scarab and broken necklaces. Generally clear silver base although rather a brownish tinge in places.

Aztec Adult

Considered for BOB only

BOB Maudlin's Gr. Ch. Thorsoak Sonnung (AZT bs) M 28.4.10 A very substantial and mature male and again very disinclined to come out of his pen. He had to be held rather firmly to try to assess him which makes looking fully at his pattern a little difficult. He has a lovely warm chocolate colour to his pattern and tail tip. Very broad head with full jowls. Moderately large well set ears. Good chin. Almond eye shape which are a deep yellow. Attractive scarab on his forehead. Generally he appeared to have a clear classic tabby pattern.

Egyptian Mau Adult

1st CC & BOB Mires Faiyum Mauf Almighty (MAU ns 24) F 9.8.16 A lovely young Mau female with super distinct spots all over. Well set ears of moderate size with width between and following the wedge. Medium length tail moderately thick at the base and tapering. Clear facial scarab and well broken necklaces. Her tail is well ringed and has a black tip. Red nose leather. Beautiful large rounded almond shaped eyes which are lovely shade of green. Beautifully clean silver coat and charcoal grey spotting. Delightful temperament and handled so well.

Chocolate/Lilac Abyssinian Kitten

1st & BOB Greatorex's Adjulfo Tara Star (ABY b) F 11.6.17 Chocolate Abyssinian kitten just old enough for the show. Lovely size weight and condition. She has a short and close lying coat with very clear ticking. Rich copper brown with dark chocolate ticking. Chin, lips and nostrils creamy white. She has large well pricked ears. Her wedge is slightly short of moderate at the moment. Her bite is level and she has a fair chin. Long tapered tail with a chocolate tip. Faint broken necklet. Slight oriental slant to her rounded almond eyes which are amber in colour. She has a slight nose break. Clear facial pigmentation lines. Handled well.

Abyssinian Kitten Assessment

Merit & BOB Andrews & Kirby's Sorcerer Celestial Halo (ABY fs) F 8.7.17 Tortie Silver girl again just old enough for the show. A friendly baby who was delightful to handle. Her wedge is just a little short of moderate and she has good sized well set ears. Slight break to the nose. Her eyes are well set and expressive with width between them. Her body is slender and her limbs in proportion. Small oval feet. Long tapered tail. Fairly short and close lying coat which feels soft and silky just now. Clear tortie colouring on a silver base with good ticking evident. Cream around her muzzle and cream tip to her tail. Lighter around the eyes and clear facial markings. Excellent temperament and condition.

Usual Abyssinian Neuter

1st & PC Styles' Abydreames Mewsicology (ABY n) MN 17.4.16 A big strong Aby boy whom I have met on occasions before. Today he was not absolutely happy but handled OK. He has large well set pricked ears. His head is a moderate wedge with gentle contours. Nose is a little long has a very slight break. He has good firm chin. Long tapered tail with a black tip. Long body and limbs with a solid firm feel to him. His coat is short and lies close to the body and is well ticked. He has an overall golden brown appearance ticked with black however he does have dark roots over a good portion of his body. Distinct facial pigmentation marks and barely there a smudgy broken necklet. Chin, lips and nostrils creamy white.

Considered for BOB only

BOB Styles' Gr. Pr Abydreames Controversy (ABY n) MN 17.4.16 Litter brother and of very good size, weight and condition. Lovely short close lying coat with clear bands of ticking shows just a little dark roots in places. His well set ears are large and pricked although could be even larger for perfection. Long body and limbs. Long beautifully shaped tail with a black tip. Oval feet. Rich ruddy colour to his undercoat with black ticking. Distinct facial markings. Off white around the muzzle. Handled well.

Also considered

Vann's Gr. Pr Abydreames Graffitibridge (ABY n) MN 17.4.16 Another sibling of really good size and weight – very strong boy. Large well set ears on a moderate wedge head. Nose break and a slight bump. Long well shaped tail with a black tip. His coat is short and close lying with just a few darker roots in places. Clear ticking on a fairly rich undercoat colour. Fuzzy broken necklet. Excellent condition and handled well.

Miscellaneous Classes

AC Foreign Veteran Adult

1st Alger-Street's UK & IGR Ch Typhast Hurricane (BEN n 24) M 1.6.06 Spotted Bengal gentleman of mature years but certainly not looking his age. He is a very big and strong male with full masculine jowls. He is an absolute gentleman who handled well. Superb pattern with a multitude of large rosetted spots. A very distinct pattern and rich colour. I later chose him as my Best Foreign Adult and he later became Best Overall Foreign.

AV Foreign Adult not won a CC/IC

1st Young's Curtilla Maya (RUS a) F 7.5.16 Russian Blue female of very good size and good Russian look. She has a long body and limbs and small oval paws. Large, well set ears. Light green almond shaped eyes set on a slight slant. Good whisker pads. Flat top of head and very slight slope to nose but also a tiny bump. Her tail is long, well shaped and tapers. Her coat is a pale blue with a good silvery sheen all over particularly on her head. Her coat is short, sound in colour and has fair density.

AC Foreign Kitten

1st Goodburn's Samburu Babaisha (SOK n 22) F 1.6.17 An attractive Sokoke kitten who was happy to be handled. She has a modified wedge head, softly curved at the bridge. Her bite is level. Wide set almond shaped eyes of a light amber colour. Very slender long body but of good weight and size. Slender neck. Long tapered whip like tail with tail rings. Her pattern is modified by ticking and she shows a full necklace and broken oysters. "M" on forehead and barring on front legs. Dark tail tip. She has a lovely temperament.

2nd Beale's Sontaya Esmerelda (KOR) F 22.5.17 Wow this young baby Korat certainly had plenty to say – full of Koratitude! She has large well set ears with a good heart shape look to her head. Slight nose break and good downward curve. Eye colour still quite amber although a hint of green at the centre. Her coat is short and close lying although still "babyish" at the moment. Silver tipping coming in and showing some slight tail rings.

AC Foreign Debutante Kitten

1st Rodwell's Jax Black Velvet (ASH n) F 11.2.17 Lovely Bombay girl of 8 months with a super temperament. Super jet black and very shiny close lying coat which is black right down to the roots. Good head type, well set ears and slight nose break. Light amber eye colour. A delight to judge.

2nd Andrews & Kirby's Sorcerer Celestial Halo (ABY fs) F 8.7.17

3rd Ravenscroft's Goluboi Calina (RUS a) F 3.4.17 Russian Blue girl of 6 months. She is a lovely size and weight with a light blue fairly plushy coat. Large, well set ears, almond eye shape which are

a light green. Nose has a slight curve. Shows some whisker pads. Coat showing a little “tipping” at the moment.

X3rd Goodburn’s Samburu Banyani (SOK n 22) F 1.6.17 Sokoke female who is of a nice warm bronze ground colour. Well set ears. Good modified classic tabby pattern with ticking within it giving a more muted look. Eyes could be a little larger and are of light amber colour. Slender body and limbs. Shows a necklace and Tabby “M”. Off white colour around the muzzle area. Handled very well.

AC Foreign Novice Kitten

1st Ravenscroft’s Goluboi Czarina (RUS a) F 3.4.17 Russian Blue female with a good Russian expression. Large vertically set ears. Head has a short wedge and shows some whisker pads. Slight curve to nose. Flat skull and angle apparent. Coat is fractionally long although sound in colour and quite dense. Tapered tail. Eye colour still changing. Coat showing slight “tipping” at the moment.

2nd Treacher’s Saluay Mailaika (KOR) F 26.5.17 Very sweet Korat baby who has a short, close lying coat which felt very soft. Moderately long tapered tail. Eye colour already greenish – would like them larger. Good head shape and well set ears. Handled beautifully.

3rd Goodburn’s Samburu Bahari (SOK n 22) F 1.6.17 Sokoke girl with a good modified classic tabby pattern with ticking within the pattern. Rich Bronze ground colour. Long fine tail, slender body and limbs. Rings on legs and spotted tummy. Necklace and facial markings.

X 3rd Beale’s Sontaya Esmerelda (KOR) F 22.5.17

AC Foreign Kitten under 6 months

1st Treacher’s Saluay Saeng Lali Sawan (KOR) F 26.5.17 Korat kitten who is already looking quite mature. Clear heart shape to her head. Fairly large eyes although eye colour is still quite amber at the moment. She has a short close lying coat with silver tipping coming. Well set large ears. Medium length tail. Chatty girl who handled well.

2nd Good burn’s Samburu Banyani (SOK n 22) F 1.6.17

3rd Macey’s Fecheldee Gertrude (TOS em 32) F 4.6.17 A lovely big Tonkinese kitten. Lovely apricot colour to her close lying coat. Beautiful tail shape. Moderate wedge head. Slightly muddy green eyes at the moment. Handles really well.

AC Foreign Kitten resident in Kent

1st Mansaray’s Irrep Hahabuba (ASH n 25 31) 11.4.17 An absolutely gorgeous boy of super size. Lovely friendly chap. Great coat texture – short and close lying and very even ticking throughout. Good head type and eye shape and set – a light green in colour.

2nd Goodburn's Samburu Bahari (SOK n 22) F 1.6.17

AC Foreign Kitten not a resident in Kent

1st Linton-Sinclair's Elfe Feerique Yasmin (IMP) (DRX a 02 23 f) 15.2.17 A lovely Devon Rex girl of overall excellent type. Large wide based ears set low but needs to have more space between them. Short wedge with a short nose and good stop. Beautiful eye shape and set. She has a short, soft coat which is well rippled. Just a few guard hairs along her tail.

AC Foreign Breeders Neuter

1st Linton-Sinclair's Gr. Ch & Gr. Pr. Siarung Shakira (DRX fs 03 21 33) An attractive lady of good size, weight and condition. Well covered with soft waves – a few guard hairs on tail. She has a short broad wedge with a fair stop to her short nose. Large, wide based ears with long tufts and again could have a bit more width between them. Full cheeks and slender neck. Beautiful large blue eyes.

2nd Edmunds' Pr. Hildrek Dream Time (AUM c 22) FN Lilac Australian Mist girl of good size. She has a short, close lying coat with the pattern showing through giving a good “misted” effect. Lovely colour to her coat. Good head shape and ear set with light green eyes. Her head has a nice soft and gentle look.
