

KENTISH CAT SOCIETY SHOW SATURDAY 21ST OCTOBER 2017
MRS JANET L WILSHAW - HOUSEHOLD PET REPORT

Only the second time I've been to this show in my exhibiting life and it's such a warm friendly show with lots of Halloween decorations and some of the most beautiful rosettes. My sincere thanks to Helen, Vanessa, Number 1 and Dracula! for inviting me. I had a lovely day amongst the HPs with my friend Annette Robertshaw who is great company and has superb taste in cats! I took a couple of Gavin Eyre's classes, I hope the exhibitors were not disappointed. And I hope Gavin's babies are doing well.

I had the honour of judging Overall Best in Show and I awarded it to Ellis's OB IGMC RITA, I have adored her since I first judged her as a tiny baby and she is so very strikingly beautiful. Such a gentle girl, a calm soul who I love.

GRAND CLASS AC PEDIGREE PET MASTER CAT MALE

Grand Certificate to Mansaray's MC SPUD

What a flashy boy! As soon as I got to the pen I was floored! Today everything was in the right place and he looked quite beautiful. He sat at the front of his pen looking like an expensive china ornament. He purred like a train and loved us like we were his BFFs. The deepest of blue eyes against his flashy red points is so attractive. And the rings on his tail! Wow! More jewels than the Tower of London. So as you can tell I was quite smitten and he schmoozed that Grand Certificate straight out of my hands. Mrs Mansaray you are a very lucky lady. Congratulations!

Res Gr to Worsley-Waring's MC DENZEL

A large chap of nearly ten and a half years but looking half of it! He's in marvellous condition and feels fit and firm to the touch. Super yellow eyes in an unusual chocolate silver tabby coat making him look very showy. Obviously done it all before he's so calm and handles like a dream. A lovely cat!

My third place was Scullard's MC SEBASTIAN

A young boy of just one year old and beautifully presented. He felt immaculate and his lilac coat felt like silk. Just a little shy but handled well.

GRAND CLASS AC PEDIGREE PET MASTER CAT FEMALE

Grand Certificate to Ellis's MC EVIE

What a beautiful cat! A real girly girl, so elegant and very beautiful. I loved her gentle expression and calm demeanour. Her coat just has to be seen to be believed, it's all chocolate and gold intermingled ticking. And it fits her firm body so well, it's like a slinky fine leather body hugging cat-suit. Presented in a lovely warm donut style bed, she was so relaxed and cuddly. I know these beds have had some bad press, but I like them. The cats feel secure in them and in a cold show hall they're invaluable. Anyway, I digress, congratulations Mr and Mrs Ellis, she's a cracker!

SH SELF SINGLE COLOUR CAT

1st and MC and BIC to Adams's ASH

What a lovely boy, looking very smart in his grey suit with a white bib and toning white whiskers giving a lovely picture altogether. A beautiful coat in excellent condition, positively gleaming it felt like silk. He's a tiny bit shy but easy to assess. Well done.

SH GINGER OF ANY PATTERN OR AC TORTIE TABBY CAT

1st MC and BIC to Dackombe's NOBBY NOODLES

Love the name! A young boy of thirteen months who has a pale creamy ginger coat which goes so well with his sugary pink nose. A real baby, so sweet, he has a lovely lithe feel to him.

ANY SH KITTEN

1st and BIC to Ravenscroft's DEXTER

A bright black and white baby of eight months. He sits up straight and proud in his pen. He really let himself down when we got him out and he decided he's sooner be at home and hissed and growled at us. It was such a shame as he looked so very lovely. There was no way I wasn't going to give him his first and best in colour, because I liked what I saw. I do hope he relaxes at his future shows, and shows everyone how very lovely he is.

LH/SLH AOC OR PATTERN CAT

1st and MC to Sale's BEEFEE

Love the name! And love the cat! A real stunner in a bright white and cream silky shiny coat. His body was hard and felt fit. His cream markings are a real feature and look like they've been painted on. His presentation was super, everything so correct and so lovely and white. Super!

Best in Colour to Friend's GMC BURLINGTON BERTIE

Bertie is a very very handsome cat. I was taken with him at first sight. He wears a slightly miffed expression which absolutely floored me. His coat of many colours is just special. Everything about him is so impressive. I loved that he looked at me disapprovingly, and he was serious about it! I loved it. He was my choice for BIS Pedigree Pet, maybe I earned myself some brownie points with him!

SH AC TABBY CAT

Best in Colour to Worsley-Waring's MC DENZEL

SH AC KITTEN

1st and Best in Colour to Ellis's ELLA

Wow! Instantly breathtaking. A very lovely seven month old tabby of very exotic type. She looks like something that should sit on Cleopatra's lap! The most attractive colours and a body-hugging coat that shone and felt like the finest satin. Truly a lovely cat.
