

SHROPSHIRE CAT CLUB CH SHOW. 070215
BETTY SHINGLETON

I was glad to be able to help Janet and her hard working Team at the last minute. Oh woe my free weekend up the creek!!!! However the hospitality was great, and I had an enjoyable day. My thanks to Caroly Gerrard my steward, it was a hard day for you Carole only your second stewarding, I appreciated all your help in a very busy hall, hope it hasn't put you off stewarding?

TORTOISESHELL ADULT FEMALE.

BOB. BOYES CH VIVALDI LADYLUCINDA. PER f. 260913. A very young girl showing good development. Broad skull with a very slightly uneven skull, neatly placed ears, expressive eyes of very good shape and sweet expression showing strong copper colour, short broad nose good break, large nostrils and nose leather, well developed cheeks and firm chin. Overall very good condition, body still just slightly rangy, strong bone and balanced tail. Very good coat texture and presentation, black well broken by shades of red throughout the coat – lovely to see. A young girl not fully matured but looking good today.

AC EXOTIC SH SELF ADULT MALE.

Considered for BOB.HAROROP'S IGR CH SHAKIRAH FIAMIFERRO. EXO d. 190413. Such a lovely young boy with delightful temperament. Strong head, eyes a little deep set otherwise a very nicely balanced head, cobby short strong legs and balanced tail. Coat very well presented, fairly dense and soft to touch, unfortunately this young boy is a Self Red, today he shows extensive tabby markings, far more than I find acceptable. Sincerely hope with a full molt this summer the markings clear.

AC EXOTIC SH SELF ADULT FEMALE.

BOB. WALLACE'S CH VIVALDI SUGARNSPICE. EXO w 62. . 281113. A lovely youngster. Balanced head, strong rounded skull with neatly placed ears, large expressive eyes showing good colour, very short broad nose with accentuated break, large nostrils and nose leather. Cobby body, strong bone and balanced tail. Coat very well presented, plush and soft texture, sparkling white.

AC EXOTIC SH TABBY OR TABBY & WHITE ADULT MALE.

Considered for BOB. Gray's Gr Ch Onnydale Beaujangles. EXO n 22. 270411. A mature boy in very good condition. Broad strong head with rounded contours, ears just a little open at base, short broad nose good break, large nostrils and nose leather, well developed cheeks and lovely strong rounded muzzle. Cobby body, short strong legs and balanced tail. Coat well presented, not at its full plushness and density, tabby markings not at their best today quite defused.

AC EXOTIC SH TABBY OR TABBY & WHITE ADULT FEMALE.

BOB.HARROP'S GR CH SHAKIRAH NIGELLA CLAWSON. EXO f 24. 180413. A lovely well developed young girl. Overall well balanced head, neatly placed ears, just a little heavy browed eyes a good shape and colour, short broad nose accentuated break, large nostrils and nose leather, firm chin. Cobby body, short strong boned legs and balanced tail. Coat lovely, soft and plush very well presented, black ground colour with rich red markings – so attractive.

SHADED SILVER FEMALE KITTEN.

1ST. BOB. COHEN-RANDALL'S TASHIAMOUR JOYFUL SOPHIE. PER ns 11 64. 220814. Such a pretty young girl very much at the "in-between" stage. Strong skull, ears quite large and open at present, shortish nose showing break, cheeks developing, firm muzzle, eyes very good shape and expression the colour not yet fully set. Neat cobby body, short strong boned legs and balanced tail. Coat well presented, lying a little flat, white undercoat with black tipping on the back and lighter on the face, black shading to paw tufts, well defined black outlining on eye rims, lips and nose leather.

BI – COLOURED MALE NEUTER.

BOB. CASE'S CH & IGR PR GEMKIN JAZZY JASPER. PER d 03. 110808. A mature boy in lovely condition. Broad strong head with a sweet open expression, neatly placed ears, well developed cheeks and firm rounded muzzle, short broad nose large nostrils and nose leather, large expressive eyes showing deep copper colour. Cobby body, strong bone and balanced tail. Coat very well presented, long soft and full of life, max colour, face showing rich red and white, sparkling

white bib and underbody, such a rich sound red on back and tail. An impressive boy.

1ST. PC. BOYES GR CH VIVALDI TEDDY-BOYES. PER d 03. 170913. A youngster in lovely condition with such a sweet personality. Broad strong skull with neatly placed ears, short broad nose good break, large nostrils and nose leather, stunning eyes for shape and colour, cheeks and muzzle well developed. Cobby body, short strong boned legs and neat balanced tail overall very good condition. Coat soft texture very well presented, face showing red and white, sparkling white patch on back contrasting with the rich red, white bib and legs.

AC TABBY/SMOKE/CAMEO & WHITE MALE NEUTER.

BOB. TONKS GR PR ZENDIQUE ZEBEDEE. PER d 03 22. 151013. I do love this time of the year when we have lovely youngsters mature and looking their very best full of the bloom of youth. This boy is another prime example. Very well grown. Strong balanced head, broad skull with neatly placed ears, short broad nose with accentuated break, large nostrils and nose leather, cheeks well developed and strong rounded muzzle, expressive eyes of good shape and colour. Cobby body, large frame in lovely condition, short strong legs and balanced tail. Coat full, soft and well presented, maximum colour, rich red and showing sparkling white, showing facial tabby markings and markings to his legs, with the profuse coat may take a while for full tabby markings to develop and be seen.

SEAL POINT BIRMAN ADULT MALE.

BOB. GARDINOR'S CH SNOWWITCH ODIN. 140413. A young boy with very well balanced head, skull strong broad and rounded, nose medium length with slight dip in profile, cheeks quite well developed, tapering to a strong muzzle. Ears very good shape and set, almost round eyes showing very good colour. Overall strong conformation good substance for age, strong legs, tail reasonably balanced. Very good coat texture and presentation, very good strong seal points colour, body colour pale beige. Good gloves and gauntlets.

1ST. CC. MOTT'S JANDOUGLEN STEORNABHAGH. 240314. A very well grown young boy. Skull strong still needing time to fully broaden, ears very good shape and size just held a little close together at

present, medium nose showing slight dip to profile, cheeks developing, fairly strong muzzle, eyes showing very good colour however not opening them to their best – I feel just a little unsure of his surroundings. Very good conformation and condition, well – boned, balanced tail. Coat well presented texture silky, strong seal points, coat just a little shady. Good gloves and gauntlets.

Also considered for BOB. Green's Gr Ch Snowqueen Charles Lafitte. 170409. An older mature boy. Scull strong broad and rounded, nose showing slight dip in profile, well developed cheeks and well developed chin. Ears very good size and set, eyes expressive good colour. Good conformation, very weighty boy, strong bone, tail really so short lacks balance. Coat well presented, even seal points colour, body colouring quite shady. Very sweet natured boy.

SEAL POINT BIRMAN ADULT FEMALE.

1ST. CC. WALKER'S LACHMERE ETERNAL FLAME. 190214. A young girl at the kitten/cat stage, however I felt worthy of her Certificate today. Overall balanced head, strong scull with ears of good size and set, medium nose with slight dip in profile, eyes well shaped colour not completely set, cheeks and muzzle needing time to fully develop. Overall good conformation yet to reach full maturity, well-boned and balanced tail. Coat silky texture and well presented, points colour not completely set, pretty beige body colour. Good gloves and gauntlets.

RED , CREAM OR TORTIE POINT BIRMAN NEUTER FEMALE

BOB. ROWLEY'S GR PR LACHMERE CHARLOTTE. SBI f. 140312. What a feisty young lady however very attractive and showing good maturity. Nicely balanced head, strong broad rounded scull with medium sized ears spaced well apart, nose medium length with slight dip in profile, well developed cheeks and muzzle, expressive eyes of good colour. Overall good sized frame and condition, medium length legs balanced tail. Coat very well presented, silky texture, such attractive points colouring seal brown intermingled with shades of red, creamy body colouring. Good gloves and gauntlets.

Also considered for BOB. Brown's Gr Ch & Pr Dalteema Danburite. SBI d. 130707. A mature girl in very good condition. Overall balanced

head well set ears, medium nose dip to profile, cheeks and muzzle fairly well developed, eyes good shape and colour. Overall good conformation and condition, bone a little fine, balanced tail. Well presented coat, points fairly even red colour, body sight golden hue. Very good gloves and gauntlets.
