

KENTISH CAT SOCIETY CH.SHOW. 211017.
BETTY SHINGLETON.

My thanks to Helen, Vanessa and all the hard working Team, for my invitation to judge. A very busy day – lovely cats to judge, I had the help of David Denny to steward for me – many thanks David it was quite a marathon!!!!

OLYMPIAN CLASS – AV IMPERIAL GRAND CHAMPION ADULT
FEMALE.

OLYMP.CERT. ROBERTS IGR CH ALASKAN ANGELIQU. PERg 261214.
Overall nicely balanced head, rounded skull neatly placed ears, short broad nose good break, expressive eyes showing good colour. Cobby body, short strong legs and balanced tail. Coat very well presented, pastel blue and cream softly intermingled throughout the coat. Sweet natured girl.

RES.OLYMP. CHAPMAN-BEER'S OBIGC TRIBUNE HUFFLEPUFF. BUR g. 130812. I have had the pleasure of judging this mature girl before. She has very good type, coat good texture and presentation, very good condition. Ran my first placing very close.

3RD. LINTON-SINCLAIR'S UK & OBIGC TINA ANTARIYS. DRX fs 03 22. 010612. I like this girl very much. Balanced head, very good conformation and condition. Coat covering body just lacking waving at present.

4TH. KRAUSE'S IGR CH KABENBE PAMMY TICKLE. BSH a .010312.

IMPERIAL CLASS – AC PERSIAN GR PR NEUTER MALE.

IMP.CERT. FAIRS IGR CH & GR PR FILOSELLE FORTUNATE SON. PER es 11. 300114. A mature boy in lovely condition. Strong broad balanced head, rounded skull with neatly placed ears, short broad, accentuated break, large nostrils and nose leather, large expressive eyes showing strong copper colour, rounded muzzle. Large strong balanced body, substantial legs, balanced tail. Coat beautifully presented, pale undercoat, evenly shaded with medium cream.

RES. IMP. CERT. PETIT'S GR CH & GR PR GLENJOY TEDDY EDQWARDS. PER n 21. 200714. Strong rounded skull with neatly

placed ears, short broad nose good break, large nostrils and nose leather, eyes just a little deep set showing strong colour, well developed cheeks rounded muzzle. Cobby body in lovely condition, short strong boned legs and balanced tail. Coat well presented, not quite in full winter length, tabby markings a little defused today. A very happy boy.

IMPERIAL CLASS – AV SLH GR. CH. ADULT MALE.

IMP.CERT. HILGRE'S GR CH NORD OF WHITE FROST. SIB a 21 33. 2200515. A most impressive boy. He has lovely type – short broad wedge with rounded contours, slight concave curve at the bridge of the nose which is of uniform width, moderately well developed whisker pads, muzzle broad and rounded. Cheekbones low set, very broad and connected by a gentle rounded line to the whisker pads and chin. Medium sized ears well set, large slightly oval shaped set slightly obliquely and wide apart. Strong rectangular shaped body, muscular and heavily built with a broad chest, medium length legs substantial bone and a balanced tail. Coat very well presented, dense sot texture with a substantial topcoat. A pleasure to judge this sweet tempered boy.

RES.IMP.CERT. BIKULCIUTE'S GR CH KORNEY AREA LOVE. SIB n 03 33. 080315. This boy ran my first boy very close – again very good type, excellent conformation and condition, a quality coat beautifully presented. Very sweet temperament.

GRAND CLASS – AC SELF PERSIAN CH. ADULT FEMALE.

1ST. CERT. W/H. ROBERTS CH ALASKAN SWEET CLEMENTINE. PER w 61. 250316. Good width between well place ears, still quite open at base, very good eye shape and a pleasing blue colour, short nose deep break, nostrils small, off set jaw. Cobby body, short string legs and balanced tail. Coat very well presented, sparkling white.

2ND. 1b. PER a. 040514. Quite a small head with ears close together, heavy browed spoiling the eye shape, eyes showing good colour, short nose with accentuated break nostrils small, rounded muzzle. Cobby body, short strong boned legs, balanced tail. Coat well presented, slightly shady blue colour.

GRAND CLASS – AOV SLH. CHAMPION ADULT MALE.

GRND.CH.CERT. FINCH'S CH XANDER VON DER SELENGA. SIB n 03 33. 210315. A mature boy in lovely condition. Balanced head, broad wedge with rounded contours, slightly rounded muzzle and chin, profile line showing slight concave curve, nose of uniform width, whisker pads moderately developed, forming gently rounded line with the chin. Low set cheekbones, very broad and connected by a gentle, rounded line to the whisker pads and chin. I thought the ears were a little large, expressive eyes, large and oval shaped set slightly obliquely and quite well apart. Very good conformation and condition, well muscled and a good weight, substantial bone, balanced tail. Coat quite well presented, soft dense undercoat, covered by a more substantial topcoat.

RES. GRND.CH.CERT. BOOTH & PHILBRICK'S CH STARTOPCAT DANSDELIGHT-JNR. RAG a. 280616. A young boy still needing time to reach full maturity. Good top of head with width between well placed ears, cheeks developing, muzzle a little pinched still needing time to fully develop, firm chin level bite, medium length nose with a gentle dip, eyes deep set, showing very reasonable blue colour. Overall good body shape and condition, medium length legs fairly substantial bone, balanced tail. Very good coat texture and presentation, not at its full winter length or density, even blue point's colour, pale body. A really sweet personality.

GRAND CLASS – AOV SLH CHMPION ADULT FEMALE.

A lovely class of five very impressive girls – a difficult choice!!!!

GRND.CH.CERT. ALLEN'S CH EMPURRER CARNIVAL QUEEN. MCO f 03. 300616. A very young girl showing excellent maturity. Overall head medium in length, square muzzle with a firm chin and good bite, cheeks fairly full with high cheek bones, nose of uniform width with a shallow concave curve, ears large and tall, wide at base set fairly high and well apart, expressive eyes full and round with a slightly oblique aperture, colour not completely set. Very good condition and conformation, long body, substantial legs and a balanced tail. Well presented coat showing clear black with shades of red and sparkling white.

RES. GRND.CERT.FEODOROV'S CH AURIKA BALTIJAS SKAISTUMS. SIB a 03 21 33. 060815. A very feminine girl showing good maturity. Head showing rounded contours with a slightly rounded muzzle and chin, nose of uniform width profile line shows slight concave curve, moderate whisker pads, muzzle broad and rounded. Cheekbones low set, very broad and connected by a gentle rounded line to the whisker pads and chin. Very good conformation and weight – still keeping her feminine appearance, substantial bone, balanced tail. Coat very well presented, not quite in her full winter density, soft and fine undercoat with slightly courser topcoat.

TORTIE OR CHOCOLATE TORTIE & WHITE ADULT FEMALE.

BOB. POTTER'S GR CH PRIMISSION INGENIOUS. PER f 03. 011114. An impressive mature girl. Strong rounded skull with neatly placed ears, short broad nose good break, large nostrils and nose leather, eyes a lovely shape and expression strong colour, full cheeks and rounded muzzle. Very good conformation and condition, strong bone, balanced tail. Coat beautifully presented, soft and full of life, showing maximum colour, jet-black and shades of rich red, with sparkling white.

Considered for BOB. SOAVE'S CH STUPENDUS LUCY LOCKETT. PER f 03. 250514. Another impressive mature girl, just unlucky to come up against my choice for BOB. Balanced head, very good conformation and condition. Coat beautifully presented with maximum sparkling white, and jet-black with shades of red. Sweet personality.

BI-COLOURED ADULT MALE.

BOB.POTTER'S GR CH PRIMISSION KWIZI KAL. PER n 03. 290316. A lovely boy just short of nineteen months old and quite splendid. Broad strong head with rounded skull and neatly placed ears, short broad nose good break, large nostrils and nose leather, expressive eyes of good colour, rounded muzzle, firm chin. Large cobby body, short strong boned legs and large paws, balanced tail. Coat silky texture and beautifully presented. Showing maximum Jet black, with sparkling white to face, white feet and legs, under-body and back legs. Sure this boy will achieve high awards. Very sweet temperament.

AC TABBY/SMOKE/CAMEO & WHITE ADULT MALE.

1ST. CC. DOBSON'S TAZKATS VELVET TEDDY. PER e 03 22. 020916.
A very young boy showing good maturity. Strong rounded skull, needing time to grow into his ears, short broad nose good break, large nostrils, nose leather could be just a little larger for me, large expressive eyes showing well developed colour, cheeks developing, rounded muzzle. Very good conformation and condition, substantial bone, balanced tail. Coat very well presented good soft texture and density, showing maximum sparkling white, pleasing shade of cream, tabby markings a little defused at present. Look forward to following the progress of this impressive young man.

AC TABBY/SMOKE/CAMEO & WHITE ADULT FEMALE.

BOB. PARKERS GR CH LADYGEM FORGET ME NOT. PER n 03 22. 210616. Another impressive youngster – just achieving BOB over my very impressive Boy above! Very well grown with a balanced head, broad rounded skull, neatly placed ears, short broad nose good beak, large nostrils and nose leather, cheeks well developed, muzzle rounded, eyes large and sweet expression showing good colour. Cobby body, short strong boned legs and balanced tail. Coat a lovely texture and presentation, showing maximum sparkling white, head has clearly defined tabby markings and white, tail rings and black tip.

BLACK KITTEN FEMALE.

1ST. BOB. ROBERTS ALASKAN ELECTRA. PER n. 070617.
A very young baby showing very good condition and maturity. Strong rounded skull, ears well placed just needing time to grow into them, short broad nose, large nostrils and nose leather, cheeks and muzzle developing, expressive eyes good shape and colour strong. Nicely balanced cobby body, short legs and balanced tail, very good weight for age. Coat beautifully presented, very sound of such a young age. Enjoying his day out!

WHITE ORANGE-EYED MALE KITTEN.

1ST.BOB. ROBERTS ALASKAN TERRENCE . PER w 62. 070617. Another impressive kitten – same DOB as my Black kitten above. Strong balanced head, rounded skull with well placed ears, short nose good break, large nostrils and nose leather, expressive eyes well shaped and colour good, well developed cheeks and muzzle. Cobby body,

short strong boned legs and balanced tail. Coat lovely texture and presentation, sparkling white. Congratulations to the owner/breeder for showing two beautiful kittens.

WHITE ORANGE-EYED NEUTER MALE.

BOB. FAIRS IGR PR LAFREBELLA ORTEZ. PER w 62. 180513. Such an impressive Neuter Boy. Strong broad head with rounded skull and neatly placed ears, large expressive orange eyes with sweet expression, short broad nose, good break, large nostrils and nose leather, full cheeks, rounded muzzle. Cobby body in lovely condition, short strong kegs and balanced tail. Sparkling white coat so very well presented.

CREAM SHADED NEUTER MALE.

BOB. FAIRS IGR CH & GR PR FILOSELLE FORTUNATE SON. CRITIQUE ABOVE.

PEWTER/BLUE NEUTER MALE.

BOB. ABBOTT'S PR PRITPEACHES ARNIE. PER ns 14. 110916. A very young boy, just over thirteen months old, showing very good maturity. Strong broad top of head with neatly placed ears, just a little open at base needing time to completely grow into them, large expressive eyes, colour not totally set, short broad nose good break, cheeks and muzzle well developed. Large well developed body, short strong boned legs and a balanced tail. Coat silky texture, dense and well presented, silvery white fairly evenly shaded with black. He did show some tarnishing to face and back, I thought this was a splendid example of Pewter, we see so few on the Show Bench, and at this young age, I decided to give him his award. Look forward to seeing him in his full adult coat next winter.

RED, CREAM OR TORTIE POINT BIRMAN ADUT FEMALE.

BOB. FLUCK-OFFORD'S CH RAGIDAN CHOCOLATE-BISCUIT. SBI h .150414. Skull strong and quite broad and rounded, nose medium length slight dip to profile, cheeks full and round tapering chin, reasonably strong muzzle, firm chin. Medium sized ears spaced well apart, expressive eyes showing very good blue colour. Overall condition very good, conformation just little small, medium length

legs and a balanced tail. Coat silky texture, very well presented, points milk chocolate intermingled with shades of red, ivory coloured body. Good gloves and gauntlets.

NORWEGIAN FOREST ADULT FEMALE.

BOB. CANDLER'S CH KATTJEWELS ROXY MUSIC. NFO g 09 22. 190215. An impressive girl. Triangular head with all sides equal, long straight profile, forehead slightly rounded, firm chin. Large well set ears, wide at base, placed high and open set, expressive well shaped eyes. Very good conformation and condition, long body strongly built, balanced tail. Would have liked to see a little more attention to the coat – she is such a sweet girl, everything going for her - would make all the difference.

SIBERIAN ADULT MALE.

This was a difficult class – such lovely cats and to have eight – including the females – thank you so much exhibitors, a real treat.

SIBERIAN ADULT FEMALE.

1ST. CC. WOERDSWORTH'S LILU-MOON CERULEAN MYSTERY. SIB a 0321 33. 111116. Not quite a year old however looking good for her age. Overall nicely balanced head, in good proportion to the body, short broad wedge with rounded contours, slightly rounded muzzle and chin, nose of uniform width showing a slight concave curve in profile, whisker pads just a little pinched. Cheekbones low set and broad connected by a gentle rounded line to the whisker pads and chin. Ears a good size still set a little on top of the head, this just needs the skull to fully broaden, eyes quite large, oval shaped, set slightly obliquely. Overall good conformation and development for her age, substantial bone, balanced tail. Very good coat presentation,

soft and fine undercoat, top coat quite dense needing time to reach full winter length. Look forward to seeing her when fully mature.

2ND.BIKULCIUTE'S DIVA SUN PRIM. SIB e 21 33. 151016. I did like this youngster just needing time to fully develop. Really nice head, short broad wedge with rounded contours, her ears are held rather on top of the head, eyes very good shape and expression. Cheeks bones low set, very broad and connected by a gentle rounded line to the whisker pads and chin. Overall very good condition and conformation, strong legs and a balanced tail. Coat very well presented, still carrying soft kitten coat, needing time to grow her winter coat. Very sweet personality.

Considered for BOB.

AC SMOKE, SELF OR SHADED MAINE COON FEMALE KITTEN.

1ST. BOB. HODDEN'S COONCASTE TANGERINE-DREAM. MCO d. 030317. A very impressive mature kitten. Balanced head, a square muzzle with firm chin and level bite, cheeks fairly full with high cheekbones, nose of uniform width with a shallow concave curve. Large tall ears tapering to appear pointed at the tips set high and quite well apart, full round eyes with slightly oblique aperture, colour not completely set. Very good conformation and condition for her age, strong bone and a balanced tail. Coat very well presented, kitten texture, rich red showing some faint tabby markings at present. Look forward to seeing her when fully mature.

AC COLOURPOINTED OR MITTED RAGDOLL MALE KITTEN.

1ST. BOOTH & PHILLBRICK'S STARTOPCATMY-GOD-ZEUS. RAG a .190517. A very well grown kitten with a big personality! Nicely developed head, fairly good width between ears which are still quite large needing time for the skull to broaden, as you would expect at this age, cheeks developing, rounded muzzle and firm chin, level bite, medium length nose with a gentle dip, eyes well opened slightly

obliquely set, colour good for age. Nicely shaped body in lovely condition, good bone and balanced tail. Coat very well presented, silky texture, points colour not quite completely set a very pleasing shade of blue, pale coat.

AC COLOURPOINTED OR MITTED RAGDOLL KITTEN FEMALE.

1ST. BOB. ROGERS RAGSHAVEN PENNY LANE. RAG a. 010517. What an impressive female kitten. Very well grown for her age, Nicely balanced head, good width between ears, the ears a little large, still needing time to grow into them, cheeks and muzzle developing, firm chin good bite, medium length nose with a gentle dip, expressive eyes of good shape and colour setting. Very good condition, strong body, legs and balanced tail. Coat silky texture very well presented, points colour setting – pale body colour.

2ND. B.DEAN & D.DEAN'S ANGELRAGS BOBBY'S-GIRL. RAG a 04. 080317. Another lovely kitten, older than my others showing very good maturity. Head has good width between ears, cheeks and muzzle developing, firm chin and level bite, medium length nose with a gentle dip. Ears still little unbalanced, expressive eyes showing very good colour. Overall very good condition, strong bone and a balanced tail. Coat silky texture very well presented, front paws white mittens, back legs white to the underbody, points not fully developed showing a fairly even blue, body colour pale with a smallish coloured patch. Sweet temperament.

3RD. DAVIES RAGSHAVEN TRULY SCRUMPTIOUS. RAG n 04. 010517. Litter sister to my first placed girl, and very similar. Good width to top of head, ears quite well placed, cheeks and muzzle developing, nose medium length and showing gentle dip, would like eyes just a little larger colour not completely set as yet. Very good body shape and condition, medium length legs and balanced tail. Coat silky texture very well presented, body colour very pale beige, chin, chest and under body white, two front paws have white mittens, back legs white, points fairly even seal brown.

All these four Ragdoll kittens were very good examples of the Breed, congratulations to the Breeders. I am sure the placing's will be different as their maturity continues. Having judged the boy – who impressed me a lot, I was very surprised and delighted when I

started judging the girls especially as my first girl piped the boy for BOB.

AC COLOURPOINTED OR MITTED RAGDOLL NEUTER MALE.

1ST. PC. BOB. BAXTER'S SARAGGS NAUGHTY BUT NICE. RAG a .130616. A young boy still needing time to reach full maturity.
