

RED, CREAM & TORTOISESHELL SOCIETY SHOW 2017 – Judge: Charis White

Many thanks to Sandie Holloway who came to steward for me today. It was lovely to catch up again and I really enjoyed your company. Sandie is an expert in handling the cats well and knows the show process so well so it's always an easy day for me. I am looking forward to our next outing.

AC PERSIAN OR BRITISH IMPERIAL GRAND PREMIER FEMALE

OLY – CLARK'S IGR CH & IGR PR SHEERBLISS DAKOTA – Tortie Classic Tabby & White

21/02/09 For perfection, I would just like a more muscular weighty feel to this girl but she has pleasing conformation and balance with a medium sized cobby body which stands on short strong legs ending in firm rounded paws. Tail is of good shape and is proportionate in length. Lovely rounded head with full cheeks and rounded forehead. Her ears are neat and well-spaced and they fit into the contours well. Large round eyes – better expression when she felt like opening them more – and the colour is a lovely deep orange. Short broad nose with break in profile and fully formed nose leather. Strong chin and full muzzle with powerful jaws. Dense plush lively coat of medium length stands out from her body, the white areas pristine. She has an attractive white blaze, to set off her face, white to her chin and chest and it runs down her tummy to her abdomen. Plenty of white on all four legs and paws. The coloured areas are of fairly strong copper brown agouti ground and she has plenty of shades of red to overlay them. There are some clear jet black tabby markings evident on some of the coloured areas – markings on her face and on her body, with barring to her legs and rings to her tail - which is fully coloured. Lovely condition and very sweet.
