**PAULINE ROGERS**

25<sup>th</sup> Nov 2017

Many thanks to Julie and the Committee for the invitation to judge I do so enjoy this show. Many thanks also to the exhibitors who took the trouble to enter under me. I of course cannot forget my very obliging steward Evita Naumenko who looked after me all day and was very gentle with the cats, big thank you.

**IMPERIAL CLASS – Ac Persian Grand Champion – Female**

**IMP to WAINFUR'S GR CH PROUND2B MY SERENITY OF**

**SUGARTRUMP (Per f (11))** Attractive young tortie girl of just 20 months of age. Smooth round top of head with good width between well placed ears. Large round orange eyes and even wide bite. Short cobby girl of good weight covered in a very well groomed black coat showing her patches of reds throughout. For perfection I would like to see more of a denser colour to her coat but am sure this will come with maturity.

**RES.IMP to PARKES' GR CH LADYGEM FORGET ME NOT (Per n03**

**22)** A super girl of just 20 months of age with a lovely wide head and small round well placed ears. Large round eyes of excellent colour. Her well defined sable patches show well defined tabby markings and she has a fully marked tail. Her sparkling white coat was very well groomed just lacked undercoat today, my reason for the placing.

**RED SELF ADULT – MALE**

**1<sup>st</sup>, CC & BOB to WILSON & AMBLER'S IMMENSO DINO FERRARI**

**(Per d)** A very handsome young man of 20 months of age, already showing plenty of promise of what's to come. He has a smooth round head his ears a touch upright today. Wide even bite and strong chin. A long well groomed coat that is a little pale at this time so showing ghost tabby markings. Showing darker at the roots which is promising for the future. Strong cobby body and solid legs and a super temperament. I would not expect this boy to come into his own until he is about two-three years of age and feel sure he will be a stunner. Congratulations

**BLACK KITTEN**
