Thanks for the invitation to judge and to Linda Wilson, my hard-working and efficient steward who handled the cats brilliantly, especially the different shapes and sizes which were a pleasure to judge.

Imperial Class – AC Pedigree Pet Grand Master Cat

IMPERIAL Mrs Finney's GMC Jake – White with tabby Points - SH

Stunning boy, 3 years and 6 months, striking huge eyes which drew you in, very inquisitive nature, would rather be out of his pen. Beautiful markings with brilliant white, beautifully presented. Full of character, lovely boy to handle with a good healthy weight. Loved this boy.

RESERVE IMPERIAL Miss Phillip's GMC Charlie Brown – Brown Classic Tabby – SH

Lovely brown tabby male, 1 year and 7 months, lovely round apple cheeks, short dinky tail, large round orange eyes. Solid boy with lovely even markings to his coat, great presentation, a joy to handle, I wish I could have given two Imperial's!

Friends' GMC Burlington Bertie – Lilac Smoke – SH

Striking boy, 1 year and 3 months, large beautiful round eyes, lovely patterned coat. When we managed to get him out briefly he was a solid weight, he was however a nervous boy who didn't want to be handled today.

Any SH Kitten

1st and BIC Mrs Turner-Russell's PHRYNE – Tortie Tabby - SH

Stunning baby just 4 months and my take home baby of the day. Beautiful tabby markings, really interested in what was going on around her. Braver in the pen than when she was out, I couldn't wait to get her out and handle her, a real sweetie just a little nervous as could be expected after I found out later she had been found abandoned at 2 weeks.

SH AC Tabby Cat (Ex Red or Tortie) of any pattern
