Thanks for the invitation to judge and to Linda Wilson, my hard-working and efficient steward who handled the cats brilliantly, especially the different shapes and sizes which were a pleasure to judge. I judged Overall Best in Show Household Pet, and chose GMC Jake, a handsome White with Tabby Points MN, with a striking boy.

**2<sup>nd</sup> Mrs Turner-Russell's PHRYNE – Tortie Tabby - SH**

Stunning baby just 4 months and my take home baby of the day. Beautiful tabby markings, really interested in what was going on around her. Braver in the pen than when she was out, I couldn't wait to get her out and handle her, a real sweetie just a little nervous as could be expected after I found out later she had been found abandoned at 2 weeks. She later ran the Best in Show cat a close second, I wish I could have had two awards.

**3<sup>rd</sup> Miss Aldridge-Snell Willow – Silver Shaded LH**

Pretty baby, tiny girl just 14 weeks. Huge eyes, lots of silver to the coat which needed more attention to the grooming, lovely baby to cuddle.
