

Shropshire Cat Club Show Report 2015

07 February 2015

Judge: Louvane Stevenson

Many thanks to the show management for my kind invitation to judge, thank you to Michael for his usual good handling of the cats and company.

Grand Class Ac Non Self Persian Champion Adult Male

1st Gr Cc Murrays Ch Cullykhan Hercules (PER n 03 21)

A Beautiful looking brown tabby and white with a broad round large smooth head, with well spaced neat ears, extreme size bold round eyes of excellent colour, short broad nose with a well defined break and good open nostrils. Perfect mouth with a strong chin, a beautiful white coat with tabby markings on head and collar and back. Having a full a tabby tail and strong cobby body, a very handsome exhibit shown beautifully with expert preparation.

Grand Class Non Self Persian Champion Adult Female

1st Gr Cc Ch Vivaldi Ladylucinda (PER F (11))

A beautiful young tortie with a broad round head, well placed small ears, short broad nose with a well pronounced break, full cheeks, firm chin, a lovely full soft coat of vibrant red cream and black colour, expert show preparation. A lovely young cat shown well. in excellent condition

Grand Class Av Rex, Laperm, Sphynx Premier Neuter Female

1st Gr Pc Wardens Pr Cwmbrefi Pickaboo (84 14 FN)

Attractive white Sphynx with prominent cheek bones and a distinctive whisker break, level bite with a strong chin, large ears open wide at the base tapering to a good rounded tip, lovely large lemon shaped blue eyes, medium length body with a good hard muscular feel to it, medium length legs, oval paws with long slender toes, lovely fine down on entire body. A super female to handle and a very good example of the breed.

Ocicat Adult Female

1st Cc & BOB Bryces Thickthorn Anisette (OCI as 24)

Blue silver ocicat, a very pretty young female, a little nervous today. She has a modified wedge, broad muzzle, strong chin, broad level bite, alert large ears wide at the base set at an angle of 45 degrees. Large almond shaped eyes angled slightly upwards towards the ears, solid body for a young cat already good substance to the legs, fairly long tail, nice blue spotting on a blue silver ground colour, pink nose leather rimmed with blue, good facial markings, well defined spots on body, rings on tail nicely presented and a promising career.

Bengal Snow Spotted Kitten

1st & BOB Jones Shimmershine Narisa Of Leopardsview (BEN n 24 33)

A young snow spotted female bengal kitten of nice type. Has large broad nose with slightly puffed nose leather, full muzzle with a rounded strong chin. Medium sized ears quite wide at the base with nicely rounded tips, almost round blue eyes, sleek long body quite muscular, legs of medium length, paws large and round, medium length tail. A dense luxurious coat, well defined 'M' marking on forehead, broken spots running over the head on either side on the complex scarab, nicely formed well distributed spots varying in size and shape. Attractive young female well shown.
