

NORTH OF BRITAIN LH & SEMI LH CAT CLUB SHOW

By Carole Gainsbury 9th February, 2019

I would like to thank Doreen Dobson and the Committee for the invitation to judge at this year. It was a great show and a big thank you to my steward Sam Hugh

RED/TORTIE/CREAM/BLUE - CREAM/CHOCOLATE TORTIE/LILAC, class 64

1st & BOB, Mr I Morris, Heathrose Little Miss Sunshine (PER d s) Red Smoke Persian Female Kitten, born 23.05.2018. Sweet young lady with a good top of head, neat well placed and nicely furnished ears. Smooth skull, round orange eyes, snub nose, full cheeks, almost level bite and firm chin. She has a good size and weight body with strong legs and rounded paws, covered by a well prepared soft textured coat with a full red mask to her face and outlined by a pale ruff. The coat is upside down at the moment and not quite settled in colour with full plumed tail.

CHOCOLATE/LILAC POINT BIRMAN KITTEN Class 156

1st & BOB, Mr A & Mrs D Brown, Dalteena Remy Martin (SBI b) Chocolate Point Female Kitten with good Birman expression developing, however just a little unhappy today, born 01.06.2018. Broad strong, rounded skull with good width between the medium size ears and well furnished. Medium length nose with slight dip in profile, expressive almost round medium blue coloured eyes, placed well apart, good width developing to rounded cheeks tapering towards a fairly strong muzzle, level bite and fairly firm chin. She has a long body of a good weight, medium length thick set legs with round short paws. The white gloves are almost matching, both slightly scalloped to the ankle with the left one just a wee bit higher on one side, white sock are matching along with white gauntlets that are broader at the tapering three quarters up the hock. Well prepared silken textured pale ivory coat with no service shading complementing her mask developing across her face ears and bushy tail in proportion to her body and quite a promising baby.

RED/CREAM/TORTIE POINT BIRMAN KITTEN, Class 157

1st & BOB, Mrs E A Johnson, Mittenmist Aphrodite, (SBI h) Birman Chocolate Tortie Pointed Female Kitten, born 24.09.2018. Sweet little baby and has a lot of growing up to do. Quite a broad rounded skull, ears nicely furnished, open at the base, ears could be a tad smaller for perfection but fairly well placed apart. Medium length nose with slight dip in profile, almost round quite deep blue coloured eyes set well apart. Nice width to her rounded cheeks tapering towards her developing muzzle, level bite and a fairly firm chin. The long body has good weight with medium length sturdy thick set legs and rounded short paws, She has matching white gloves and socks to the ankle with gauntlets broader at the base tapering 3/4 up the hocks. Good textured silky ivory white coat complementing her milk chocolate intermingled with shades of light and dark red developing over the mask with a striking seal/tortie blaze of colours running down the nose, good colours showing on both ears, her legs are paler in colours with slightly bushy tail.

2nd Mr A Brown, Mlywards Wispa of Dalteena (SBI f) Birman Seal Tortie Female Kitten, born 02.08.2018. Another sweet girl needing more development to mature. She has quite a broad strong rounded skull developing with ears a little bit larger than I would like, open at the base but nicely furnished and placed closer on her head than I would prefer. Almost round medium blue eyes, medium length nose with slight dip in profile, the cheeks are fairly full and rounded tapering towards her developing muzzle, just a fraction over shot bite and a wee bit weak on the chin. She has along body of good substance with sturdy thickset legs and rounded short paws. The white gloves and socks are matching to the ankle and white gauntlets tapering from wider at the base 3/4 up the hocks. She has a well prepared pale beige coat of silken texture complementing her seal points colour and a seal/tortie blaze running down the nose and showing the colours in the ears, paler on her legs and fairly intermingled along the bushy tail.

AC BREEDERS SEMI-LONGHAIR NEUTER FEMALE Class 279

1st Mrs C Staveley, Gr Ch & GrPr Belkaton Summer (SBI c) Birman Lilac Point Female Neuter Adult, born 11.06.2014. She is nicely balanced with good Birman type. Broad strong rounded skull, good width between well furnished medium size ears. Medium length nose with slight dip in the profile, almost round expressive striking blue coloured eyes, full rounded cheeks tapering to a strong well developed muzzle, level bite and a firm chin. She has along body with good substance and medium length thickset legs and round short paws, White matching gloved and socks to the ankle joint, white gauntlets fairly wide at the base tapering three quarters up the hock. Well prepared soft textured off white magnolia coat complemented with warm coloured lilac points colour well developed over her face, ears, bushy tail and paler to her legs.

AV ADULT/KITTEN/NEUTER Class 291

1st Mrs S B Burgess UK OG IGr Pr Kassaro Ciscokid (MCO n 03 22) A handsome Maine Coon Brown & White Bi Colour Classic Tabby, Adult Male Neuter Adult , 14.05.2009. A well grown nine year old male in lovely condition, large tall ears open at the base with good ear tufts and placed evenly spaced apart, on a good shaped head, expressive large round pale green eyes slightly obliquely set with good width between them. his nose is medium in length with a slight concave curve to the nasal bridge, level bite with square muzzle and a good chin. He has a large body with good muscular definition, strong thick legs and rounded paws, covered by a well prepared good textured coat down to his long well furnished tail and tapering towards the tip.

2nd Mrs C M Staveley, Belkaton Cher, (SIB n 22) Siberian Brown Tabby Adult Female, born 08.06.2016, not quite three years old with an alert expression. She has a short broad wedge, rounded contours and the lower forehead slightly domed, well placed a part medium size ears with good furnishings and slightly rounded at the tip of the ears. Good width between the large slightly oval shaped green eyes with a rounded lower line, slightly obliquely set and spaced well part. She has a slight concave curve to the bridge of the medium length nose and uniformed in width. Moderately developed whisker pads with fairly good width to the cheeks and gently rounded to her chin. Cheekbones arch extend to the outer ear base and low set, level bite and a slightly rounded chin with a ruff framing her face giving a desired look. She has a rectangular shape body of good substance and fairly broad chest and short neck, good boned legs medium in length with large rounded paws with little tufts, the coat is medium in length of good substance and texture felt a little greasy with little bit of dandruff, however the undercoat was dense and springy complementing her substantial top coat of good coarser hairs to the back, flanks and upper side of her tail. I felt if she stood out in the rain or snow she would not get wet. The tail is in proportion to her body and broader at the base with a slight taper to the tip.

3rd Miss S Butcher , Belkaton Mariya (SIB) n 24) Siberian Brown Classic Tabby Female Adult, born 23.03.2018. Not quite a year but coming together nicely with an alert expression. She has a balanced short broad wedge, rounded contours and a slightly domed lower forehead. Well furnished medium rounded tip ears set well apart. Large green coloured eyes slightly oval shaped with a rounded lower line, obliquely set and spaced well apart. the nose is harmonious in length with a slight concave curve to the bridge and uniform in width. The whisker pads are moderately developed with a gently rounded to the chin, good width the her cheeks with the cheekbones arch extends to the outer ear base and low set, level bite and a slightly rounded muzzle finishing with a ruff framing her face giving the right expression. The body is rectangular of good weight and quite a broad chest developing, medium length strong boned legs and large rounded paws with little tufts, covered by a well prepared soft textured coat, undercoat developing but would prefer more density for perfection and to balance her soft topcoat with coarse hairs just developing on the back, flanks and upper side of the well furnished broader at the base and tapering slightly to the tip of the tail.

X3rd MISS J M Stewart, UK IGr PR Barleyfields Paddingtonbear (PER d) Persians Red self just 4 yrs. This cat was in the wrong class and the award is not a true placing I felt sorry for him, I did not want the lad be left out in a small show.
