

## BURMESE CAT CLUB – 16<sup>th</sup> MARCH, 2019

### MISS IRENE ROOS

Many thanks to Kym for her very welcome invitation to judge. I had a most enjoyable day meeting some lovely pets.

#### **A.C. NON-PEDIGREE PET MASTER CAT (GRAND CLASS), FEMALE**

**GMC BULLING'S MC MICHAELA** – a very attractive lass, four years nine months old. Her sleek, shiny coat had black and snow-white markings. She came out for a cuddle, then enjoyed having a fuss made of her when she was back in her pen. She was so friendly, she loved being stroked and didn't want me to leave her. Such a delightful lady.

**2 RGMC W/H TOLHURST'S MC TOFFEE** – such a beautiful lass, one year five months old. She was sitting in her pen showing off her lovely tortie and sparkling white markings. I was very sorry to withhold, but she was extremely unhappy and made it quite clear she was not going to let me judge her.

#### **S.H. TABBY CAT (EXCEPT GINGER OR TORTIE), WITH OR WITHOUT WHITE, NON-PEDIGREE PET, MALE**

**BOC LEWIS' IGMC GEORGE** – a large, handsome fellow, one year ten months old. He had such a sleek, glossy coat with very attractive classic tabby markings. A very gentle, friendly boy, he happily came out to see me, then sat on the trolley, so relaxed. He just wanted me to stand and stroke him. A delightful lad.

#### **CONSIDERED FOR BOC**

**SAVAGE'S GMC TIGER** – a large, handsome lad, two years seven months old. He had a sleek, shiny coat, with very unusual and attractive spotless white and classic tabby markings. He was hidden under his blanket. Rather shy, he preferred to stay covered up, but after I'd spoken to him, he decided perhaps I wasn't so bad after all, and was happy to let me stroke him under his chin. A charming, retiring lad.

#### **S.H. GINGER CAT OF ANY PATTERN OR ANY COLOUR TORTIE OR TORTIE TABBY, WITH OR WITHOUT WHITE, NON-PEDIGREE PET, FEMALE**

**BOC LEWIS' IGMC MISS MARY** - such a charming lady, one year ten months old. A beautiful tortie lass, with a soft, thick coat and gorgeous, large green eyes. So gentle and happy, she came out and contentedly let me cuddle her while she had a good look round. She would have been perfectly happy for me to have held her all day.

#### **CONSIDERED FOR BOC**

**TOLHURST'S MC TOFFEE.**

**SIMPSON'S OS IGMC MANDY** - a large, beautiful lady, nine years ten months old. She had a soft, thick, glossy coat with lovely classic tabby markings and gorgeous green eyes. She wasn't happy out, but once she had settled back in her pen, she was very happy to let me stroke her and make a fuss of her. A charming, shy lass.

**BOC MILLER'S MC RUKI** – what a smashing lady, two years eleven months old. Such a beautiful tabby lass, with a long, soft coat and gorgeous green eyes. She was sitting in her pen and said hello to me. Then she came to the door, so eager to come out. She enjoyed being out and having a good look round while she chatted to me. Such a delightful, happy, friendly girl.
