

SURREY & SUSSEX CAT ASSOCIATION & BURMESE CAT CLUB SHOWS

16 March 2019

Judge: Perri Mansaray

I would like to thank Kym, Ian and the Committee's for the kind invitation to judge again at Woking. Unfortunately due to my airline changing my flight times I had to come straight to the shows from Gatwick after an overnight flight. Needless to say by mid-afternoon I was wilting and had to give up 4 side classes, so apologies to the exhibitors. My very grateful thanks to my friend Carol Burton who steered me through a very busy day and made sure I stayed awake. Thanks Carol I look forward to the next time.

BURMESE CAT CLUB

Olympian Class – A C Imperial GR PR Male

OLY POWER'S UK OB IGRPR MAINMAN RAJAH (BUR b) M (11.8.3) A very old friend of mine now 15 and a half years of age – I cannot believe it! Where has all the time gone. He was totally enjoying his day out and looking super for his age and still a big cuddly teddy bear! Gentle rounding to the top of his head. Large ears well set with correct forward tilt. Short wide wedge, blunt muzzle. His eyes are expressive and set well apart, good shape and size, chartreuse in colour. Flat brow, good nose break, firm chin, level bite. He still has all his teeth bless him. Muscular chap of good weight. Strong legs and oval paws. His tail has a rounded tip, short to balance. His coat is short and close lying. Nice warm even chocolate. Gentle natured boy. I understand this made him up to Silver Olympian – huge congratulations to his owners and breeder.

Olympian Class – A C Imperial GR PR Female

OLY CHAPMAN-BEER'S OB IGR CH & IGR PR CATAMARIAN EVITA (BUR a) FN (13.8.10) Another dear old friend of mine who I have always admired – a mature girl with the most fabulous type head and expression! She is now 8 and a half years old and in super condition. Rounded top of head. Slightly large ears well set with correct forward tilt. Short wide wedge, blunt muzzle. Her eyes are set well apart, good shape and size, chartreuse in colour. She

gives you that withering Burmese glare which is just superb! Flat brow, excellent nose break firm chin, level bite. Super depth of head. Weighty muscular girl. Slender legs and neat oval paws. Her tail was just a tad short to balance, nicely rounded tip. Her coat was short and close lying. Nice even blue with silvering over her extremities. Dear girl who was purring for England!

RES OLY POWER'S CH & IGR PR INDIANSTAR SHIMLA (BUR c) FN (10.9.14) four and a half year old lady who was a pigeon in disguise! She was trilling away! Nice size ears well set with correct forward tilt. Gentle rounding to the top of her head. She had a short wide wedge, blunt muzzle. She had eyes which were expressive and set well apart, good shape and size, pale chartreuse in colour. Flat brow, good nose break, firm chin, level bite. Muscular girl of good weight. Slender legs and neat oval paws. Her tail was a tad short to balance with nice paintbrush tip. Her coat was short and close lying. Super lilac with good pinky hue. Unlucky to meet winner. An absolute joy to judge.

Red or Cream Burmese Premier

GR PC EVAN'S PR ADPIXBU LADY PENELOPE (BUR e) FN (1.5.16) 2 years 10 months rather petite girl. Gently rounded top of head. Nice size ears well set with correct forward tilt. Short wide wedge, blunt muzzle. Her eyes are set well apart, expressive, good shape and size, chartreuse in colour. In profile flat brow, good nose break, firm chin, level bite. Muscular body of good weight. Slender legs and dainty oval paws her tail had a rounded tip but was short to balance. Her coat was short and close lying. Lovely pale cream with nice powdering on her extremities. Sweet lass.

Cream Burmese Adult

BOB to TAYLOR'S INT. CH. BACKCHAT SUN CHARIOT (BUR e) F (3.5.12) 6 years and 10 months old pretty girl. Gentle rounding to the top of her head. Large ears well set with correct forward tilt. Short wide wedge, blunt muzzle. She has expressive eyes which are set well apart, chartreuse in colour. Flat brow, good nose break, firm chin, level bite. Muscular girl of good weight. Slender legs and oval paws. Her tail had a paintbrush tip, but was short to balance. Her coat was short and close lying. Nice even pale cream with good powdering. Wriggle bum!

Blue Tortie Burmese Adult

BOB TO CHAPMAN-BEER'S OS IGR CH TRIBUNE HUFFLEPUFF (BUR g) F (13.8.12) 6 and a half year old mature girl whom I have always loved. She has THE most super Burmese wicked expression! Gentle rounding to the top of her head. Nice size ears well set with correct forward tilt. Short wide wedge, blunt muzzle. She has expressive eyes which are set well apart, good shape and size, chartreuse in colour. Flat brow, excellent nose break firm chin and level bite. Muscular lass of good weight. Slender legs and neat oval paws. Her tail has a paintbrush tip, tad short to balance. Her coat is superb, short and close lying with a fabulous gloss. Very pretty blue tortie with nice mingling of colours. Sweetheart. My easy choice for Best Of Variety Burmese Adult – congratulations.

Considered for BOB: BRABNER'S GR CH TRIBUNE HERMIONE (BUR g) F (13.8.12) litter sister to above and very similar in type. Sweet girl who also has a super expression though probably not as wicked as above! Rounded top of head. Large ears well set with correct forward tilt. Short wide wedge, blunt muzzle. She has expressive eyes which are set well apart, good shape and size chartreuse in colour. Flat brow, excellent nose break, receding chin, level bite. Muscular lass of good weight. Slender legs and oval paws. Her tail has a paintbrush tip, balances. Her coat is short and close, with pretty blue tortie markings. Gentle poppet.

Chocolate Tortie Burmese Adult

BOB TO GILES' CH IMASTAR HEARTS DESIRE (BUR h) F (13.9.13) Typical tortie wriggle bum with 101 legs who was calling her head off. Gently rounded top of head. Large ears well set with correct forward tilt. Short wide wedge, blunt muzzle. Her eyes are set well apart, expressive, good size and shape, chartreuse in colour. Flat brow. Good nose break, firm chin untidy bite. Muscular girl of good weight. Slender legs and oval paws. Her tail has a paintbrush tip but is short to balance. Her coat is short and close lying. Pretty chocolate tortie with nice mingling of colours. Sweetheart.

SURREY & SUSSEX CAT ASSOCIATION

Imperial Grand Premier (Olympian Class) Male

Oh my! 13 quality cats entered giving me pleasure and a headache to judge!!!

OLY McENTEE'S OS IGR PR XZIBIT HIGH VOLTAGE (BSH a) MN (25.5.15) I don't think I have had the pleasure of meeting this chap before. 3 years, 9 months very handsome fellow of super type. Super round face with full cheeks. Good breadth of skull with round underlying bone structure. He has small ears with rounded tips, they are set far apart and fit nicely into the rounded contours of his head. His eyes are large, round and well opened, very expressive, copper in colour. His forehead is a bit flat, short straight nose with a good nose break. Firm deep chin, level bite. Weighty chap with a solid cobby body with a short level back and a broad chest and rump. Strong legs and rounded paws. His tail is of medium length, thick at the base, rounded tip. His coat was fantastic – short, dense and crisp with good resilience. Nice even medium blue which was sound to the roots. Very laid back chap taking it all in his stride. Loved him! I later saw he went overall best in show – huge congratulations!

RES OLY CLARKE'S CH & OB IGR PR MERRYPURR STRIPEY PYJAMAS (DRX ns 21 33) MN (25.11.12) A firm favourite of mine looking fab today. Handsome chap with a lovely pixie expression. Large ears which are very wide at the base, rounded tips, holding them low and wide, when relaxed in his pen. Short broad wedge and high cheekbones. Well defined whisker break. Flat skull, good stop, firm chin, level bite. Elegant neck – held very proud as he was being so nose-y – looking at all that was going on in the hall! Large oval shaped blue eyes, wide set. Weighty muscular body, firm and solid. Slender legs and oval paws. His tail was long and tapering, balances. His coat was looking quite the best I have ever seen it – super rexing, forming lovely dunes over his coat, with the rexing extending well down his legs and tail. Happy to have a cuddle from us both, and then sat happily over my stewards shoulder, surveying his surroundings. Unlucky to meet winner.

3 WEDGE'S OB IGR PR TYPHAST KIMI OF ZIGGIAN (BEN n 24) MN (12.3.14) Another super chap – very relaxed and happy and of super type. Large ears which have a wide base, rounded tips, well set following the contours of his

face. Broad medium wedge with rounded contours, slightly longer than wide with nice high cheekbones. Gentle slope to his nose in profile with a large broad nose, firm chin, level bite. His eyes are large and oval in shape, chartreuse in colour. Weighty chap. Strong legs and oval paws with his hind legs being slightly longer than the front. His tail is of medium length, rounded tip balances. His coat is short, dense and luxurious. Fabulous pattern. His spine line is well broken. He has nice big bold rosettes, giving good contrast to his ground coat, with a good glitter effect. Super temperament.

Ex 3 BAXTER'S OB IGR PR PIPASTRO I HAVE CINNED (OLH o 24) MN

(2.6.15) Another lovely boy and a favourite of mine. I have to say today he was again very timid, hiding in his very large doughnut bed which was covered with a blanket. When he didn't have this bed to hide in, he seems to show himself off much better and be more extrovert, and his timidness let him down today along with his pattern faults. Strong top. Large wide based flared ears well set. Fabulous tufts! Good length well balanced wedge. He has THE most amazing vivid green eyes that totally mesmerize you!! They are oriental in shape, slanting towards his nose. In profile, straight nose, firm chin, level bite. Muscular body which is firm and solid. Slender legs and oval paws. His tail has a good plume, balances. His coat is of medium length, silky and lies flat to his body. Super rich cinnamon colouration. His spots have a lot of linkage both sides his right side being slightly better than the left. Timid gentle soul.

4 SIBLEY'S IGR PR ATARIQ ROYAL APPOINTMENT (SIA m 21) MN (16.12.15)

3 years 3 months stylish chap who was an absolute purr box! Large wide based, pricked ears with good width in between, well set following the lines of his wedge. Long and well-proportioned wedge narrowing in straight lines to a fine muzzle. He has oriental shaped eyes slanting towards his nose, deep blue in colour. His mask is complete connected by tracings with the ears.. In profile he has a straight nose, firm chin, level bite. Long elegant neck. Muscular svelte body of good weight. Slender legs and oval paws. His tail was long and tapering, balances. His coat is short and close lying. His points match in colour. Lilac based caramel showing a good pinky hue. Super off white coat showing very little shading and giving good contrast with his points. Tabby markings on his face, ringed tail. Lovely natured chap.

EX 4 FINCH'S IGR PR ADIFTON BROADWAYBUMBLEBEAR (ALH es 11) MN (28.7.15) Yet another favourite of mine! He is such a handsome chap with such a gentle expression, who just melts your heart. Gentle rounding to the top of his head. Large ears well set with correct forward tilt. Short wide wedge, blunt muzzle. He has large expressive eyes, set well apart, his top lid slanting towards his nose, rounder, fuller lower lid, yellow in colour. Flat brow, fair nose break, firm chin, level bite. Muscular body firm and solid. Strong legs and oval paws. His tail has a good plume, balances. His coat is of medium length, soft and silky and lying flat to his body. He has delicate cream markings with his mantle of colour paling to his sides, on a super silver undercoat. Super chap.

5 ELSON'S GR CH & IGR PR ISHCUS QUINTESSENTIAL (MCO n 03 22) MN (3.3.15) Very handsome and regal classic tabby Maine Coon. Large, tall ears which are wide at the base, pointed at the tips, superb tufts which are set high and well apart. Head of medium length with full cheeks and high cheekbones. His eyes are full and round set well apart, chartreuse in colour. Nice square muzzle. Gentle slope to nose in profile, firm chin level bite. Weighty boy. Strong legs and round paws. His tail has a good plume, balances. His coat has a good undercoat, soft and silky waterproof glossy topcoat. Love his white bib and socks. His classic tabby is rather diffuse with a patchy butterfly and oysters. Lovely natured.

Section 5 Imperial Grand Premier Female

IMP GR PR JEFFERY'S GR PR KATSPELL ANATHEMA DEVICE (BUR h) FN (14.4.15) Chocolate tortie girl of 3 years, 11 months, with catitude! Super expression! Gentle rounding top of head. Nice size ears well set with correct forward tilt. Short wide wedge, blunt muzzle. She has expressive eyes which are set well apart, good shape and size, chartreuse in colour. Flat brow, excellent nose break, firm chin, level bite. Muscular lass of good weight. Slender legs and oval paws. Her tail has a paintbrush tip, but is short to balance. Her coat is short and close lying with a good shine. Pretty chocolate tortie, though her chocolate is rather dark. Love the star over her eye. Sweet natured lass.

RES IMP GR PR JOHNSON'S GR PR KYMIAN IMMORTAL ISIS (BUR f) FN
(6.6.15) 3 years 9 months old pretty brown tortie, with another super expression. Gentle rounding to the top of her head. Large ears well set with correct forward tilt. Short wide wedge, blunt muzzle. Her eyes are set well apart, good shape and size, chartreuse in colour. Flat brow, excellent nose break, firm chin level bite. Muscular body firm and solid. She has slender legs and neat oval paws. Her tail has a paintbrush tip but is short to balance. Her coat is short and close lying with a good shine. Very pretty brown tortie with good mingling of colours. Gentle girl.

Grand 5a Champion

GR CC McCONNELL'S CH BURMALEUS KIMBERLEY (BUR n) F (4.2.17)
Lovely young girl of 2 years of age, of super type. Gentle rounding to the top of her head. Nice size ears well set with correct forward tilt. Short wide wedge, blunt muzzle. She has expressive eyes which are set well apart, good shape and size, chartreuse in colour. Rounded brow, excellent nose break, firm chin, level bite. Muscular lass of good weight, firm and solid. Slender legs and neat oval paws. Her tail has a paintbrush tip, balances. Her coat is short and close lying with good shine. Nice warm even seal brown. Fabulous expression! Another withering stare!

RES GR CC RODWELL'S CH JAX PALATINATE BLUE (BUR a) F (16.3.16) 3 year old grumpy miss. The fact that she was so grumpy did rather enhance her Burmese expression! Large size ears well set with correct forward tilt. Gentle rounding to the top of her head. Short wide wedge, blunt muzzle. She has expressive eyes which are set well apart, good shape and size, chartreuse in colour. Flat brow, good nose break, firm chin, level bite. Muscular lass of good weight, firm and solid. Slender legs and oval paws. Her tail has a paintbrush tip balances. Her coat is short and close lying with good shine. Nice even slate blue with silvering on her extremities. Much happier in the security of her pen.

Grand 5B Champion

GR CC SHORT'S CH KURSHINKA KUNG-FU PANDORA (ALH h 11) F
(24.7.17) 18 month old very pretty girlie. Very chocolate box lass. Gentle rounding to the top of her head. Large size ears well set with correct forward

tilt. Short wide wedge, blunt muzzle. She has expressive eyes which are set well apart, top lid slanting towards her nose, rounder fuller lower lid, yellow in colour. Flat brow, good nose break, firm chin, level bite. Muscular lass of good weight. Slender legs and oval paws. Her tail has a good plume, balances. Her coat is soft and silky and lies flat to her body. Very attractive choc tortie shaded. Rich red M on her forehead. Sweet natured lass.

Ocicat Kitten

1 & BOB TO MAUDLIN'S THORSOAK BRAGI (OCI ns) M (21.11.18) 3 month old cutie pie who was a right wriggle bum! Large ears which are wide at the base set correctly at a 45 degree angle. Modified wedge longer than wide. His eyes are large and almond in shape, hazel in colour. Gentle dip to nose in profile, firm chin, level bite. Squareness to his muzzle already developing well. Slight tarnish on either side of his nose only. Well grown chap for his age with his body being firm and muscular. Slender legs and oval paws. His tail is broad at the base has a rounded tip, balances. His coat is short and satiny in texture with a good shine. He has a super pattern. Spine line breaking nicely into spots. Lovely small neat spots giving good contrast to his silver ground coat. He has a clear, symmetrical bulls eye pattern on both flanks. Lovely eye liner and facial markings. Spotted tummy. Dear little chap, very promising.

Lilac Burmese Adult Male

1 CC BRININGER'S KARRIEWHITCHIT CLAN GUTHRIE (BUR c) M (2.6.18) Young chap just adult and still rather adolescent at 9 months of age. Gentle rounding to the top of his head. Medium wedge which is a little fine in the muzzle. He has expressive eyes which are set well apart, good shape and size, yellow in colour. Flat brow, fair nose break firm chin, level bite. Muscular chap of good weight, firm and solid. Slender legs and oval paws. His tail has a rounded tip, but is short to balance. His coat is short and close lying. He has a good lilac colouration with lovely pinky hue. Nice temperament.

BOB to MARRIOTT-POWER'S & MARRIOTT'S IGR CH ROSSIKHAN YAMBU (BUR c) M (13.10.16) 2 and a half year old working boy. Gently rounded top of head. Large ears well set with correct forward tilt. Short wide wedge, blunt muzzle. He has expressive eyes which are set well apart, good shape and size, yellow in colour. Rounded brow, excellent nose break, firm chin, level

bite. Muscular chap with a firm and solid body. Slender legs and oval paws. His tail has a paintbrush tip, balances, small pip at end. His coat was long and open. Slightly blue toned lilac. Lovely temperament

Lilac Burmese Adult Female

1 CC YOUNG'S IMPROMPTU LADY MADONNA (BUR c) F (1.6.18) Pretty young lass just adult at 9 months of age. Large size ears well set with correct forward tilt. Gentle rounding to the top of her head. Medium wedge, just a little fine in the muzzle at present. Her eyes are expressive and set well apart, good shape and size yellow in colour. Rounded brow, good nose break, firm chin, level bite. Muscular lass of good weight. Slender legs and neat oval paws. Her tail has a paintbrush tip but is short to balance. Her coat is short and close lying. Nice lilac colouration with correct pinky hue. Poppet.

2 WALKER'S KOTANUSHKA JOSIE BLANCHE (BUR c) F (16.4.18) Another young lass of 11 months of age. Large size ears well set with correct forward tilt. Gentle rounding to the top of her head. Medium wedge, again a little fine in the muzzle. She has expressive eyes which are set well apart, good shape and size, yellow in colour. Flat brow. Fair nose break, firm chin, level bite. Muscular girl of good weight. Slender legs and oval paws. Her tail has a paintbrush tip but is short to balance. Her coat is short and close lying. Rather blue toned lilac. Poppet.

Considered for BOB – CHAPMAN-BEER'S GR CH TRIBUNE CINDERELLA (BUR c) F (18.4.16) 2 years 10 months mature lass. Gentle rounded top of head. Large size ears which are well set with correct forward tilt. Short wide wedge, blunt muzzle. Her eyes are set well apart, expressive, good shape and size, yellow in colour. Flat brow, good nose break, firm chin, level bite. Muscular lass of good weight. Slim legs and neat oval paws. Her tail has a rounded tip but is short to balance. Her coat is short and close lying. Nice even lilac. Ran the boy close for the BOB.

Brown Tortie Burmese Neuter

BOB to JOHNSON'S GR PR KYMIAN IMMORTAL ISIS (BUR f) FN (6.6.15)

AOC Tortie Burmese Neuter

1 PC BOYLE'S CH KYMIAN OPHELIA (BUR h) F N (4.3.16) 3 year old grumpy madam!! What foul language for a young lady! Gentle rounding to the top of her head. Large ears well set with a correct forward tilt. Short wide wedge, blunt muzzle. Her eyes are expressive and set well apart, good shape and size, chartreuse in colour. Flat brow. Good nose break, bump on nose – rather accentuated by her bad mood! Firm chin, level bite. Muscular girl of good weight. Slender legs and neat oval paws. Her tail has a paintbrush tip, but is short to balance. Her coat is short and close lying. Pretty chocolate tortie and a very hissy miss!

BOB to JEFFERY'S GR PR KATSPELL ANATHEMA DEVICE (BUR h) FN (14.4.15)

Havana Adult

BOB to DEBOWSKA'S CH METEXA MULAN (OSH b) M (28.3.18) Oh my! What a handsome charmer!! Strong top. Large wide based flared ears well set. Good length well balanced wedge. He has oriental shaped eyes slanting towards his nose, vivid green in colour. In profile he has a straight nose, firm chin, level bite. Long elegant neck. Muscular firm body of good weight. Slender legs and oval paws. His tail is long and tapering, balances. His coat is short and close lying with good texture and fab shine. Nice warm chestnut brown which is sound to the roots. A very stylish young man. He kissed us and purred away – a joy to judge.

Oriental Smoke Adult

CNH BROWN'S KATAMOUNTIN MOONFLOWER (OSH os) F (18.6.16) this pretty girl just didn't want to be handled today.

Oriental Bicolour SH and LH Neuter

1PC BLUNDELL'S KIMBASILK SHEEZ A DOLL (OSH b 03 24) FN (28.4.17) 1 year 10 months old pretty girl. Strong top. Large wide based flared ears well set. Good length well balanced wedge. She has oriental shaped eyes slanting towards her nose, super vivid green in colour. In profile she has a straight nose, firm chin, level bite. Muscular lass of good weight. Slender legs and oval paws. Her tail is long and tapering, balances. Her coat is short and close lying.

She just about has more than 1/3rd white. She has a white strip underneath her tummy. All four of her feet and legs are white. And she has white around her bit and back of the neck. Her spots are rather lacking, as they are all linked into mackerel stripes. Nice temperament.

Oriental Longhair Neuter

BOB TO BAXTER'S OB IGR PR PIPPASTRO I HAVE CINNED (OLH o 24) MN
(2.6.15)

Section 4 Living outside Surrey & Sussex Adult

1 TREACHER'S GR CH SALUAY SAENG LALI SAWAN (KOR) F (26.5.17) 21 month old grumpy Korat of excellent type. Large ears with a flare at the base, rounded tips, set high on her head. Nice heart shaped face when viewed from the front with good breadth between the eyes. Large wide open eyes, green in colour. Large flat forehead. Slight stop. Muscular body of good weight. Slender legs and oval paws. Her tail is slightly thicker at the base, has a rounded tip but is short to balance. Her coat is short, lying close to her body, glossy and fine. Medium blue tipped with silver. Well presented.

2 ANDREWS & KIRBY'S SORCERER CALYPSO (ABY gs) F (10.3.18) Very pretty blue tortie silver Aby just a year old of good type. Large, well cupped ears, pricked and set wide apart. Moderate wedge with gently rounded contours and a slightly rounded muzzle. In profile she has a slight nose break Firm chin level bite. Her eyes are a rounded almond shape, set well apart, very expressive, hazel in colour, and are set in an oriental setting. Muscular firm body of good weight. Her back is straight from shoulder to rump Slender legs and neat oval paws. Her tail is slightly thick at the base, has a rounded tip, balances. Her coat is short, fine and close lying and dense in texture. She is distinctly and evenly ticked, showing four clear bands of colour. She has a mixture of silvery blue-grey ticking with deeper blue grey and silvery cream ticked with deeper cream. Her line of ticking extends from the back of her head along her spine and tail, ending in a solid tail tip. Very pretty tortie blotches interspersed with her ticking. Her colouration goes up her hocks. Lovely temperament.

3 FINCH & O'NEILL'S LEOPARDSTAR TATSU (BEN n 24) F (13.5.17)

Section 4 Novice Kitten

1 BARFOOT'S JUNICURLS DANIELLE (DRX n) F (31.7.18) 7 month old sweet baby girl. Large ears which are very wide at the base, rounded tips, held a fraction high. Needs to be lower set for perfection. Medium wedge, fine in the muzzle at present. Well defined whisker break. Her eyes are rather round in shape, lacking the required oval ness, chartreuse in colour flat skull, good stop, firm chin, level bite. Muscular lady of good weight. Slender legs and oval paws. Her tail is tapering, balances. Her coat is short, lacking density at present. She has some rexing coming through but at present this is rather patchy. Lovely temperament.

A V Section 6 Adult

1 DEBOWSKA'S CH METEXA MULAN (OSH b) M (28.3.15)

CNH BROWN'S KATAMOUNTIN MOONFLOWER (OSH os) F (18.6.16)

Section 6 Living outside Surrey and Sussex Adult

1 MARTIN'S IGR CH FLUTTERBY MOONSHADOW (SIA c) F (21.9.16) Lovely chatty lass of super type and beautifully balanced. Large, pricked ears which are wide at the base, well set following the lines of her wedge. Long and well-proportioned wedge with good width between her ears, narrowing in nice straight lines to a fine muzzle. She has oriental shaped eyes slanting towards her nose, deep blue in colour. In profile she has a straight nose, firm chin, level bite. Long elegant neck. Firm muscular body of good weight. Slender legs and oval paws. Her tail is long and tapering balances. Her mask is complete connected by tracings with the ears. She has delicate pinkish grey points which all match in colour. She has a magnolia coat with very minimal shading, giving good contrast to her points. Dear purring girl who was well presented and was a joy to judge.

2 PEPPERELL'S CH FLORIAN TABBY CAT (OSH b 03) M (24.1.18) Oh what a wriggle bum! 13 month old well grown chap. Large wide based flared ears well set. Good length well balanced wedge. He has oriental shaped eyes slanting towards his nose, olive green in colour. In profile he has a bump on his nose, receding chin, level bite. Elegant neck. Weighty muscular chap. Slender legs and oval paws. His tail is long and tapering, balances. His coat is

short and close lying. More than $1/3^{\text{rd}}$ white with nice rich chocolate patches.
Friendly boy..
