Strong well grown boy. Broad head with rounded skull, ears still needing time to completely grow into them, impressive round eyes lovely expression and strong copper colour, short broad nose, good break, large nose leather and nostrils, rounded muzzle. Cobby body of very good substance, short strong boned legs and neat balanced tail. Coat well presented, showing maximum colour – rich red to mask and body, with sparkling white collar and underbody. Such an easy boy to handle, enjoying his day.

AC TABBY EXOTIC SHORTHAIR KITTEN MALE.

CNH – GRAY'S ONNYDALE TABBYORNOTTABY. EXO n 22. 080818. I am really sorry I was unable to judge this young boy. He really looked so promising. However was very nervous, it does no good to try and remove a cat to judge, when they are so frightened, can wreck their show life. However as the day went on he settled down, becoming reasonably relaxed – however he decided not quite ready to brave cuddles from a stranger.

AC SELF EXOTIC SHORTHAIR NEUTER FEMALE.

BOB. CLEMENTS PR. ASSOLUTA DIDON DE CARTHAGE. EXO n. 210415. CRITIQUE ABOVE.
