My grateful thanks to both committees for the invitation to judge at these well run and friendly shows.

I had some beautiful cats to judge and thank the exhibitors for allowing me to handle them

#### **Olympian class pedigree/non pedigree female**

Olympian to Mrs L Hutchinson's IGMC Dorabella

This girl is beautiful. She has the most appealing face, with odd eyes, one blue, one yellow. Her pure white coat was pristine and sparkling, as were her paws and ears. She was a little tense out of the pen, but still allowed me to assess her on the table. In her pen she was so relaxed and happy.

Reserve Olympian to Mr H Meetings IGMC Min

Most gorgeous mature lady, looking wonderful for her 15 plus years. She has a beautiful soft and sleek coat, and was very relaxed and easy to handle. Absolutely loved her

### **TPS&PBCC**

#### **Grand Class Pedigree HHP male**

GMC & BOB to Mr R & Mrs L Pearson's MC Hughie

This boy was very relaxed lounging in his litter tray when I arrived to assess him, but was happy to come out and allow me to look at him. He was, as always, beautifully prepared, his coat being soft and fluffy with no loose hairs.

His points are pale red and show lovely contrast to his white coat and his eyes are an attractive pale blue.

Just loved him.

#### **HHP Colour Class LH/ SLH female**

MC & BOX to Mr R & Mrs L Pearson's Pearl

This lovely girl has a very striking appearance. She has a pristine pale coat and plumed tail, with lovely blue points and pale blue eyes. She was beautifully presented, a little shy out of the pen, but was happy for me to assess her.

I am sure she will go far

Also considered for BOX

Mr H Meekings GMC Hermia

A beautiful mature lady of 12 years. She has a most beautiful silky coat and lovely plumed tail. She was a little nervous, but did allow me to cuddle her. Wonderful for her age.
