

Mrs Jenny Jones – Show Reports – Lilac Point Siamese Cat Society & Tabby Point Siamese and Progressive Breeders Cat Club Shows 17.8.19

Huge thanks to Barbie and her brilliant team for the invitation to judge, the super lunch and all the pressies that help to make this a very special show. We had some really lovely cats to judge and my thanks must go to Catherine for her company and excellent stewarding skills on a busy day. I was lucky to judge best overall the TPPB show and my choice of IGRCH & IGRPR KAMIK THE RED-PIMPERNEL was looking at his very best today, a superb cat.

I must apologize to exhibitors for these reports being later than my usual ones, although within the 28 days the GCCF allows I do try to get them in earlier, unfortunately my computer decided to go haywire (probably jumped on by certain Siamese persons!) and took a while to get repaired.
