

RED, CREAM AND TORTOISESHELL CAT SOCIETY – 30th NOVEMBER, 2019

MISS IRENE ROOS

Many thanks to Barbara and Stuart for their very welcome invitation to judge at this friendly and happy show. Although there were only three Household Pets, they were all gorgeous and a joy to judge. They all should have been Best in Show. Thanks too for the delicious lunch. I thoroughly enjoyed my day.

A.C. PEDIGREE PET MASTER CAT (GRAND CLASS), FEMALE

GMC **CLEMENTS' MC TAMMY** – such a delightful lass, two years eight months old. She was sitting in her tray, but came to the door to say hello and tell me she wanted her chin tickled before she came out. A beautiful lady, with her lovely tortie markings and large orange eyes. Her coat was so soft and thick and very well-prepared. She was very happy to come out and sat on the trolley, then contentedly settled down for a cuddle. A gentle and friendly lady, we enjoyed meeting each other.

ANY COLOUR ADULT OR KITTEN NEVER SHOWN BEFORE

1 **BROOKS' DAZ** – such a happy little fellow, five months old. So handsome with his thick, snow-white, beautifully prepared coat, and odd-coloured eyes. So confident and friendly, he loved coming out and enjoyed having a good look round, alert and inquisitive. Then he settled down for a cuddle. What a smashing lad, so pleased to meet me and have a fuss made of him, thoroughly enjoying his first show.
