I would like to thank Elaine Robinson & all the committee for the kind invitation to Judge at this friendly & happy show , I thought this year's show seemed to be very enjoyable , the lunch was just right & thank you for the gift of jam . I also was very lucky to have the very good company of Angela Heath who steward for me , I thought how nice it was to see how she calmed all the cats bringing out the best of them for me to Judge ! She also was a great help to me & I hope she enjoyed her day as much as I did ! All the cats were of excellent standard in their own right , I would of loved to give them all a prize , but all I can say is thank you for allowing me to judge & enjoy meeting them all .
